Home team wears white jerseys

Round Robin Pool Play Tie Breakers

If two or more teams have an equal number of points (2-win, 1-tie, 0-loss), their position in the standings shall be determined by:

Head-to-Head

Highest Head-to-Head Goal Differential in games amongst tied teams (GF-GA) (Maximum of 6 per game)

Highest Goal Differential in all games (GF-GA) (Maximum of 6 per game)

Least Goals Against in all games (GA)

If after applying all the above rules and a tie still exists, the team with the most shutouts shall determine the winner.

If after applying all the above rules and a tie still exists, a coin toss by the tournament director (with 2 witnesses) shall determine the winner.

If more than 2 teams are tied, when the first team breaks the tie breaking rules continue on from spot left off.
