Open Mic

- Troy Hanson
 - Shared concerns regarding declaration of levels for this year's Peewee teams given that there were two B2 teams and no teams at the B1 level. Inquired on if there could be a team at every level.
- Dennis Abernathy
 - Shared concerns regarding the changes of team declarations post-tryouts as it is harder to secure tournament spaces, as well as the team levels declared for Peewees

President | Ryan Eason**

- President's Report:
 - U15's can now have a resurface
 - U19 team hosted out of Blaine
 - Mite letter went out, confirmed receipt of it from the Mite Level Director
 - Change to waiver rule this year for school waivers. There has been an increase in inquiries about this, and we are seeing an increase in waivers due to no top team available in their home association. Level Directors need to send these to D10 for approval.
 - D10 is hosting certification clinics, this was sent to Level Directors
- Updates from discussions with the City of Elk River:
 - City voted to increase ice rate, our final cost will be \$242/hour after a 5% discount due to volume.

Minutes of ERYHA Board of Directors Monthly Meeting 08.21.2024

- City sold most of our tryout ice for the last weekend in September to host the Fall Tier One Festival and Tier One games. City is also scheduled to host a Junior Showcase; times TBD but will impact ice times during the season.
- Asked the City to reconsider an ice contract
- The City has hired a new facility manager, a new assistant manager, and a new food and beverage manager for the building. City is securing a liquor license and plans to convert upstairs meeting rooms into a lounge similar to Moe's at the Fogerty.
- After receiving ice rates the current registration costs were reconsidered, but determined it best to leave the rates as they were given the following:
 - Ice rates went up
 - Previously have been operating at a loss
 - Risk of significant gambling loss
- Continued discussions with Two Brothers Hockey regarding the dryland facility. Will present ideas to voting members at some point to further discuss and vote.
- ER Youth LaCrosse inquired about a sublease in the fieldhouse to store things. We are currently the only ones who store items in the Fieldhouse. Will propose storage space to new facility manager.
- MN Hockey reached out for ERYHA to participate in their "The Association" series this season. There is a follow-up meeting on Tuesday to learn more.
- Team Genius has continued to reach out. Confirmed interest with Board and will set-up a demo to review for tryouts this year.

Registrar* | Frank Miske

- 174 registrations
- SportsEngine has a bug on the registration form that won't allow us to make any edits. Waiting for this to be fixed.

Secretary* | Kristin Miller

- SportsEngine Updates:
 - New website design is live with content updates made to the homepage. If you notice anything that should be updated, please reach out. As we move through the season, reach out with anything you would like to have highlighted on the homepage.
 - After July meeting, received notice that SportsEngine is increasing their annual fees after keeping them steady for 8 years. Our fee (paid earlier this year) has been \$749 and was going to be increased to \$1299 next spring for renewal. To mitigate this, we moved up to a higher plan for a cost of \$799. SportsEngine mailed a pro-rated check back for the difference, so the net is only \$50 more for this year.
 - Looking ahead, we may want to consider other options. I'm hearing from board members about an interest in Crossbar, and seeing more clubs go that direction. A quick analysis shows a savings for converting to Crossbar, so will set up a demo for later in the season.

Girls Director* | Chad Jansen – *Absent, Reported via email*

- Things are looking good for all levels on the girls side. I have coaches lined up for all the top teams at each level.
- U15 numbers are very good. We should have two teams of 14-15 skaters.
- U12 numbers are good. We should have around 12-14 players on each team depending on who moves up and who stays down.
- U10 numbers are very good. We should have two teams of 13-15 players depending on who moves up and who stays down.
- I do have coaches lined up for the preskates at each level.
- I had a meeting with all the U15 parents this last week to go over the preskate/tryout schedule and answer questions they might have. I told them we would do tryouts a little later in October since we won't pick teams until after the high school tryouts. The meeting went well.
