

POLAR CAPS CULTURE

Team First

Successful programs teach players the value of working together and a willingness to put individual goals behind those of the team.

Play Fearless

Successful programs teach their players how to love the battle and compete. Kids are encouraged to make mistakes and experiment to drive learning!

PRIDE PASSION PURPOSE

Develop Leaders

Successful programs create a culture and platform to develop leadership capabilities in their players.

Pass/Share the Puck

Successful programs teach their players how to respect the game by sharing the puck with their teammates.

Play with Joy

Successful programs teach their players how to encourage teammates by staying positive. We'd say have fun, but other sports are fun...playing hockey is joyful!

All Welcome

Successful programs build a culture that encourages, supports, and celebrates all players regardless of skill level, gender expression, sexual orientation, race or ethnicity.
