# Submitting Scores for the Southwest League

The **coach of the winning team** is expected to submit the game score immediately following the conclusion of the game using the Sports Engine (SE) app.

Prior to the start of the season, all coaches will receive a SE team invitation via email from the Eden Prairie Boys Basketball Association. Please accept this invitation. This SE team will contain the schedule for all 10 regular season games. This team should be used to submit all Southwest League game scores.

Score Submission Steps:

1. Click on schedule and then select the game to be scored.

2. In the bottom right corner click 'Score'

3. Use the + and – symbols to enter the score for each team. Click on 'Select Status' and change the selection to 'FINAL.' Hit 'Save' in the upper right corner of the screen.

Additional Notes:

- Coaches will be given admin access to their SE team and can assign a team manager to submit scores if they desire.
- All SE teams in the Southwest League are public. Scores for other games can be viewed by navigating to their team in the SE app.
- The complete game schedule is provided to the Southwest League representatives for all participating communities.
- The league standings will be used to rank teams for the season ending tournament.
- League Standings: https://www.epbba.org/page/show/8827228-2024-2025-in-house-season
  - EPBBA–4 -> 4th grade SWL league
  - EPBBA–5 -> 5th grade SWL league *(etc.)*
