FARGO FACEOFF RULES

TERMITE/6U RULES

GENERAL RULES

- NO checking
- NO Slapshots at the termite/6U level
- Icing and Offsides will not be called at Termite/6U level
- Termites/6U will use smaller nets, blue pucks and NO goalies

COACHES

- Coaches - please check in with the rink manager (running the clock) after your ice time, to help move the boards so the zamboni can get on quickly. Thanks for pitching in to keep things running smoothly!

POOL PLAY GAME FORMAT

- Games will take place on Cullen Hockey Center : Sanford ice
- 1 Hour Ice Times - Includes (2) 25-minute run-time games
- Games will be played cross-ice, with three games running simultaneously on a single sheet of ice
- Cross Ice Dividers (Boards) will be set up on the blue lines
- Games will be played 3v3 with the 4th skater standing/rotating through the goalie position each shift.
- Each shift will start with a face-off at center ice
- Ice Time Schedule:
  - 5 minute warm up
  - GAME #1: 25 minute game, run time
  - 5 minute warm up / find your next mini rink
  - GAME #2: 25 minute game, run time

LINE CHANGES

- The buzzer will sound every 2:30 seconds minutes to signal a line change
- Play will stop at the horn, and the puck will be placed at center ice for the next shift's faceoff (recommended for this age group, to keep things organized and fair)
- The Clock, Buzzer, and Music will be managed by one of the Fargo FaceOff Volunteer Rink Managers

POST-GOAL POSSESSION

- After a goal, the "scoring" team must retreat to their half of the ice (back to their defensive zone)
- The non-scoring team may take immediate possession of the puck and begin play once the scoring team has cleared the zone

REFEREES

One paid-volunteer referee will be assigned to each cross-ice game (due to referee shortage, we are not able to hire certified referees at this level) . Please remember these are just kids helping to make it possible for termites to play in the Faceoff, BE KIND, there will be ZERO tolerance for any abuse of these officials.

SCORING

- Score will be recorded for each game
- The Fargo FaceOff will provide a scorekeeper (entering scores into GameSheet)
- Goals will be displayed on a Flip Board
- Stats may not be recorded accurately (to keep the flow of the game)
- A maximum 6-goal differential will be displayed on the scoreboard

FARGO FACEOFF RULES

TERMITE/6U RULES

PLAYOFFS FORMAT

- Each team will have 3 hours of "round robin" icetime, and during that time - they will play (6) 25-minute games, before their ice time on Sunday
  a. Consolation Ice Time (5th & 6th Place Teams)
  - 25 Minute Game
  b. Championship Ice Time (1st - 4th place teams)
  - Gold Medal Game & Bronze Medal Game (25 mins)

PENALTY POLICY

At this age level, we aim to keep the game moving, and let the kids play hockey
- Minor infractions that do not impact safety or scoring chances will not be called
- Obvious or Dangerous Plays: If a player commits an obvious penalty (e.g., trip, slash, rough play), they will receive a verbal warning and the coach will be notified. If the behavior continues, the referee may call a rushed penalty shot:
- The fouled player will start at center ice, all other players must line up near the opposite net, once the fouled player touches the puck the other players chase the fouled player. If the player scores, a faceoff will take place, if they do not score play continues on.
- Play resumes immediately after the shot
- The clock will not be stopped for a penalty shot
- If the behavior continues after the verbal warning and penalty shot, the referee reserves the right to remove the player from the game, to maintain the safety of all participants.

TIE BREAKERS

At the end of regulation time, if the game is tied, we will have a "RACE FOR THE WIN" tiebreaker challenge:

"Race for the Win" Set Up:
- No goalies, you are using a small cross-ice net
- Teams will pick one skater each for the race
- Both skaters line up, on either side of the net (in their own lane)
- Place a cone at the "top" of each lane (around center ice)
- Set a puck halfway between the cones and the empty net

What Happens:
- Line up 1 player from each team at designed starting points - backs against the boards
- Place one puck at center ice (neutral spot)
- On the whistle:
  - The players race around their cones
  - Grab the puck
  - Then skate it down and try to score on the small, empty net
  - First Player to score wins it for their team

Who Wins?
- The race will be repeated 3 times! A different player must be used for each race. The team who wins the most rounds, wins the game!
- GameSheet points:
  - "Race for the Win" winning team will receive 2 points for an OT win
  - The opponent will receive 1 point for an OT loss
