UNIFORMS - All new HEAT players are required to purchase a uniform for the season. This uniform is yours to keep at the end of the season and can be worn for future seasons, handed down to siblings, given to another HEAT family, etc. For all returning players who wish to get a new uniform (full set or just a new sized jersey or shorts for \$52.50 each) you may also do so.

Orders can be placed and paid for at the following link;

NOTES

All uniform requests must be submitted no later than Monday September 29th at midnight. It is important that you hit this deadline so that BSN can submit the order and uniforms arrive before the start of games.

A sizing chart is provided below.

The uniforms are reversible (red/gray), so you only need to order one jersey and one set of shorts.

New HEAT players must use the assigned jersey number that was noted on the player roster in the welcome email and all returning players must use their same number from previous seasons if they are ordering a new jersey. A new/alternate number can only be used if approved by a board member, this is done to prevent the same jersey # being worn on the same team or within the same grade (mainly for boys teams as rosters can change season to season).

You are only required to order the jersey (again, for all new players or if you need a new size), but the site does include options for gear, equipment, etc... The “Exclusives” link current show Morton “Wolves”, not HEAT. This is obviously incorrect but it being worked on by the vendor.

Unique Sublimated designs in your team colors featuring locations for mascot logos, team and player names in a variety font styles provide limitless combinations.
