Morton Park District Youth Affiliate Group Guidelines

MPD Board of Commissioners Youth Affiliate Group Purpose Statement:

Morton Park District Youth affiliate groups are defined by their unique relationship with the Morton Park District (MPD). Youth affiliate groups are governed by boards comprised of volunteer members with their own by-laws and financial resources. The Park District co-sponsors these groups by giving them access to MPD taxpayer funded athletic facilities (for their specific sport & season) for practice and game use. In return for the use of these MPD taxpayer funded facilities, the youth affiliate athletic organizations are expected to be committed to resident participation to build the future of Morton athletics for Park District and District 709 programs. The Morton Park District Board of Commissioners believes that 100% MPD/Dist. 709 resident participation should be the goal of all MPD Youth Affiliate Groups. **Therefore, it is the expectation of the MPD Board of Commissioners that 100% resident teams shall be formed whenever possible. All language in these guidelines has been drafted and shall be construed consistent with this expectation.**

The Park District is committed to only supporting one affiliate organization, regardless of size or number of teams, for each sport. The decision to only support one affiliate organization for each sport is due to the Park District's desire to not contribute toward creating direct competition between affiliate groups. The Park District believes this is the prudent decision for the health of each sport as well as the community as a whole. To assure resident participation for the MPD taxpayer funded resources supplied to these athletic groups, the Morton Park District is requiring the following residency requirements for use of Park District facilities:

Youth Affiliate Group Residency Statement:

All MPD Youth Affiliate Group teams are required to maintain a MINIMUM resident participation level of 2/3 or 66.6% at all games and tournaments. An MPD Youth Affiliate Group "resident" is defined as; any individual whose primary residence is within the Morton Park District or District 709, and who pays a portion of their property tax bill to the Morton Park District or District 709. The Park District believes this is a fair and appropriate residency requirement that several youth affiliate groups already meet or exceed. The purpose of the minimum 2/3 or 66.6% resident participant requirement is to ensure that residents will have every opportunity to train and develop together as a part of MPD Youth Affiliate Groups. The Park District believes this furthers the goal of building the future of Morton Athletic programs, and likewise, 100% resident teams shall be formed whenever possible. To this end, MPD Youth Affiliate Groups are required to hold "resident only" tryouts/evaluations prior to receiving MPD approval to evaluate or open any potential roster spots to non-residents. Any affiliate group wishing to hold a non-resident tryout or evaluate new non-resident players at any age level, must receive prior approval from the MPD Executive Director or the Superintendent of Recreation. Failure to meet the residency requirement or pay the corresponding non-resident participation fees, (ages 13 & up ONLY) will result in the termination of co-sponsorship as an MPD Youth Affiliate Group and forfeiture of access to MPD Taxpayer funded facilities by the youth affiliate group in question. The Park District will then begin the process to replace the organization with one that will abide by the residency requirement. The Park District reserves the right to review residency ratios at any time during the year to assure the policy is being met. The Park District also reserves the right, in its sole discretion, to make exceptions to this policy on a case-by-case basis.

Finances & Compensation:

- Youth affiliate groups must turn in annual financial statements to the MPD at the annual youth affiliate group meeting which will be held in January of each calendar year. The MPD reserves the right to request financial statements from individual groups at any time throughout the year if deemed necessary by the MPD. This is to include documentation regarding payment to all coaches or instructors.
- All employees or contractual service vendors for all youth affiliate groups must be paid through the organization and abide by all state and federal laws for reporting income.
- Individuals or vendors are not to be paid directly by parents for services rendered on park property. They are to be paid through the youth affiliate athletic organization.

Background Checks/Team Supervision:

- Youth affiliate groups are required to obtain criminal background checks on all head coaches, assistant coaches and all paid employees and/or paid vendors providing instructional service to participants.
- All youth affiliate athletic teams are required to have a minimum of 2 coaches. These coaches shall be in attendance for all games, practices, and tournaments. In their absence, another adult must fill in (background check required). This requirement is to ensure the safety of all coaches, participants, and the youth affiliate organization.

Facility/Field Usage Prioritization:

- Pursuant to current Intergovernmental Agreements, District 709 will have priority scheduling at facilities and on fields agreed upon in agreements
- All Park District programs
- All District 709 varsity and jr. varsity games and practices on non-governmental agreement facilities and fields
- Approved youth affiliate group requests (pending they are in compliance with all aspects of the Affiliate Group Guidelines)
- Private parties renting field space on Park District property

Freedom Hall Meeting Rentals:

- Morton Park District Youth Affiliate Groups receive 50% discounted meeting rental fees at Freedom Hall each month. These meetings are limited to 2 hours in length and are subject to facility availability. Meetings need to be scheduled with the MPD Administrative Secretary a minimum of 72 hours in advance. Payment is due at the time of reservation. There will be no refunds for cancelled meetings.

Tournaments On Park Property:

- The Morton Park District will require all affiliate groups to contract, coordinate, and pay for the following items:
 - Additional Toilets / Hand Wash Stations
 - Additional Dumpsters / Garbage Removal
 - All additional expenses associated with the running of tournaments including post tournament turf remediation on Park District property. (ordinary wear & tear accepted)
- Tournament Maintenance Fees:
 - All youth affiliate groups will be required to:
 - Pay to the Morton Park District a fee of \$25.00 per non-affiliate group team registered for any tournament taking place on Park District property; or
 - Annually contribute a minimum of \$5,000.00 toward P.D. approved facility capital improvements at the parks/facilities they utilize. (Previous year's financial contributions will be used to determine the fees assessed for the following calendar year)

Park District Facility Upgrades:

- The Morton Park District works with its youth affiliate groups to make facility improvements at the specific park locations where they operate. It is the expectation of the Morton Park District that youth affiliate groups will identify improvement projects and financially contribute to their completion at the parks/facilities they utilize.
- Additional turf applications (weed control/fertilizer, etc...) must be approved by the MPD Executive Director prior to signing any contracts.

MPD Youth Affiliate Group Leadership Annual Meeting:

- An annual meeting will be set by the MPD Executive Director and the Superintendent of Recreation to take place in January each year. This meeting will be held to review this policy in its entirety. Each MPD Youth Affiliate Group President will be required to attend the meeting. (Annual Financial Statements will be due at this meeting.)

Requirement to Post Current Affiliate Group Guidelines on Website:

- Each MPD Youth Affiliate Group is required to post the current version of the MPD Youth Affiliate Group Guidelines on their respective website in an area accessible to its members.

Severe Weather Guidelines:

- The Morton Park District expects all youth affiliate groups to abide by the attached "IHSA Severe Weather Guidelines".

Conflicting/Overlapping Usage Requests:

- Any time there are multiple, approved youth affiliate groups requesting usage of the same facility or fields during the same season it is the Park District's responsibility to prioritize in-season, facility specific usage first.

IHSA Severe Weather Safety Guidelines

When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Take shelter immediately.

Lightning is one of the most consistent and underrated causes of weather-related deaths or injury in the United States. Nearly all lightning-related injuries occur between the months of May and September and between the hours of 10:00 a.m. and 7:00 p.m. Therefore, the greatest concern for injuries in an outdoor contest appears to be during that time, though it can happen any time of year.

It is essential that local managers, competing schools, and contest officials establish dialogue in advance of contests or events to ensure that all involved are aware of what the plan will be in determining whether or when to suspend play. Local managers are encouraged to share their plan with competing schools and assigned contest officials prior to the start of the tournament/event.

If competing schools have portable devices they will be bringing to a contest/event and/or have specific policy or directions from their administration that they must follow, the school must communicate those to the tournament manager. Tournament managers must know the policies of each school assigned to their tournament or event prior to its start.

PROACTIVE PLANNING

1. Assign staff to monitor local weather conditions before and during practices and contests.
2. Develop an evacuation plan, including identification of appropriate nearby safer areas and determine the amount of time needed to get everyone to a designated safer area:
 - a. A designated safer place is a substantial building with plumbing and wiring where people live or work, such as a school, gymnasium, or library. An alternate safer place from the threat of lightning is a fully enclosed (not convertible or soft top) metal car or school bus.
3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard, or lightning is seen*, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safer location immediately.
 - b. 30 minutes rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed* prior to resuming play.
 - c. Any subsequent thunder or lightning* after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
 - d. When lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices and, thus, hearing thunder or seeing lightning* should always take precedence over information from a mobile app or lightning-detection device. *-At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.
4. Review the lightning safety policy annually with all administrators, coaches and game personnel and train all personnel.
5. Inform student-athletes and their parents of the lightning policy at the start of the season.

EVACUATION PLAN

Safe Areas: All personnel, athletes and spectators should be clearly informed of available safe structures or shelters in the event a thunderstorm approaches. A safe structure is any fully enclosed building frequently used by people. In the absence of that – athletes and spectators should go to any vehicle with a hard metal roof. Roll up the windows and do not touch the sides of the vehicle. If no safe structure or vehicle is available, find a thick grove of small trees surrounded by taller trees or a dry ditch. Assume a crouched position on the ground with only the balls of your feet touching the ground. Wrap your arms around your knees and lower your head. Minimize contact to the ground since lightning often travels through the ground.

Avoid: Tall trees or objects like light poles or flagpoles, individual trees, standing pools of water and open fields. Also avoid being the highest object on the field. Do not take shelter under trees. Avoid bathrooms if another building is available, and do not use a landline telephone. A cellular phone or portable phone is a safe alternative if in a secure shelter or vehicle.

Resuming Activity: The NSSL (National Severe Storms Laboratory) recommends that everyone should wait at least 30 minutes after the last flash of lightning or sound of thunder before returning to the field or activity.
