

How to Verify DIBS credit:

1. Log into your crossbar account at **CCFAFOOTBALL.ORG**, not the crossbar app or website

2. Once logged in go to account

3. Select your player(s)

4. On this screen you will see the adults who are registered to the player(s) crossbar account at the top. In the middle you will see Volunteer Hours, along with your players grade, if you have volunteered (what event you did) and finally the balance for that player. If you have multiple players, you will need to check each one for credit.

The screenshot shows a web interface for 'VOLUNTEER HOURS'. At the top left is a hand icon and the title 'VOLUNTEER HOURS'. At the top right is a 'MODIFY HOURS' button. Below the title is a note: 'Hours for volunteer shifts already worked will take up to 24 hours to appear.' A table with three columns: 'Date', 'Details', and 'Hours'. The table contains three rows: a volunteer shift on 5/1/2026 for 2.00 hours, a board member role on 6/7/2026 for -2.00 hours, and a 'Balance' row showing 0.0. A large yellow arrow points to the 'Balance' row.

Date	Details	Hours
5/1/2026	Tackle Football 2026 8th Grade Chaska (2031)	2.00
6/7/2026	board member	-2.00
	Balance	0.0

Crossbar takes 24-48 hours to update your account after you have fulfilled your volunteer time.

Much like other features for crossbar, it is much easier and user friendly if you are able to view this via a desktop/laptop instead of the mobile option.
