

KLA Board Meeting Minutes

Tuesday, June 10, 2025

Meeting was called to order at 6:11 pm at the KISD Boardroom. Board members present: Chris, Daniel, Mike, Colin, Julie, Justin and Brenda along with approx. 7 members from the association.

I. Financial Report

Colin handed out spreadsheet summary. KLA is approximately \$38k above projected amount. A few line items where more was spent was uniforms (more players than expected signed up), travel expenses (more games due to playoffs), and banquet (more players at HS meant more money).

II. Fundraising – Total of \$41k was raised, \$13k in outgoing expenses equals \$28k to KLA.

III. Director Update

- a. Bantam – positive experience. Good results from trylax. Only suggestion is to balance playing time with swing players.
- b. Youth
 - i. 5/6 – 32 players; too many for 1 team and not enough for 2. Several games came across teams that sandbagged as teams set their own level.
 - ii. 7/8 – 30 players; created two teams therefore a lot of relying on swing players.
- c. HS – positive experience; great results going to playoffs. Same problem as every year is lack of fields.

IV. Old Business

- a. Field update – Daniel spoke about City of Keller and the progress at KSP. Explained KSP has a newly turf field that would be very useful if we could use, however, no luck as of yet.

V. New Business

- a. Amendments of Bylaws – Drafted proposed changes were emailed to the association prior to general membership meeting. Explained the bylaws were outdated and needed to reflect the current changes in operations and structure of KLA. Opened the floor to discuss.

Motion was made to approve the proposed changes in the bylaws. Motion seconded. Vote was unanimous; non opposed.

VI. Election – all voting members were checked in and received a ballot. Every completed ballot was placed in a sealed envelope.

VII. Meeting adjourned at 7:45pm

Results from election:

All positions were unanimous.
