- B squad games - We need to make sure we have a first aid kit on hand as there is no trainer. We also need to make sure they have water. They were unable to fill as there was no water in the field. On a Saturday, we need to have keys with a coach or booster club member so the boys can get into the locker room and we can have all supplies for the game.
- We should figure out what booster club positions are up at the end of the term so we can try to get some interest during the season. Maybe they can start to shadow someone in season as well.
- A check has been given to the school for scholarships.
- Need invoices from school to be able to pay coaches. Approved to pay coaches within our approved budget when we receive from the school.
