

Lightning Hockey Club 2026/27 Sponsorship Letter

Thank you for considering a sponsorship opportunity with LPBSE Lightning High School Hockey Club!

Our organization provides student athletes with a safe, challenging, and team-oriented environment where they can grow both on and off the ice. Our JV and Varsity teams are currently composed of students from Lake Park, South Elgin, and Bartlett High Schools. Our mission is to develop not only skilled hockey players, but also confident, disciplined young adults with character and leadership. Our teams are guided by local coaching staff who once played in the program themselves during high school. As an organization, we also pride ourselves on hosting events that recognize our teachers, alumni, and first responders.

As a club-based high school program, we rely on the generosity of sponsors and supporters to help keep costs affordable for families while continuing to provide a high-quality experience for our student athletes.
