

Tomah Youth Hockey Ice Usage Policies

Ice Rentals

- The Tomah Youth Hockey Board will decide on Ice rentals going forward on a case-by-case basis. The Tomah Youth Hockey Board will only consider rentals that are allowed by our governing body the Wisconsin Amateur Hockey Association.
- The current rates range between \$150/hour and \$200/hour (Updated 6/2/24)
- Main contact for Ice Rental Requests: tyhscheduler@gmail.com

Ice Usage by Tomah Hockey Families outside of Scheduled Practices/Game times

- Tomah Hockey families can request to use the ice if there is open space on the schedule by contacting the Scheduler at tyhscheduler@gmail.com
- When sending the request, information must be provided on who is skating and who is resurfacing the ice afterwards.
- Any requests that include players from outside of Tomah (or our Co-Op associations) will be referred to the TYH Board to decide on a case-by-case basis per the Ice Rental Policy above.
- Failure to get permission from the Scheduler, failure to resurface afterwards, or allowing non-Tomah skaters to participate without permission will result in removal of this benefit.
