

COMMITMENT TO PROVINCIAL AND NATIONAL PLAYER PATHWAY

Brazilian Soccer Academy is committed to promote and follow the provincial and national player pathway:

ONTARIO PLAYER PATHWAY

The OPDL is an integral development component of the Talented Pathway, the primary avenue to playing opportunities at the provincial, collegiate, national and professional level. Currently developing 2300+ players, the OPDL is available for U13, U14, U15 and U17 male and female players.

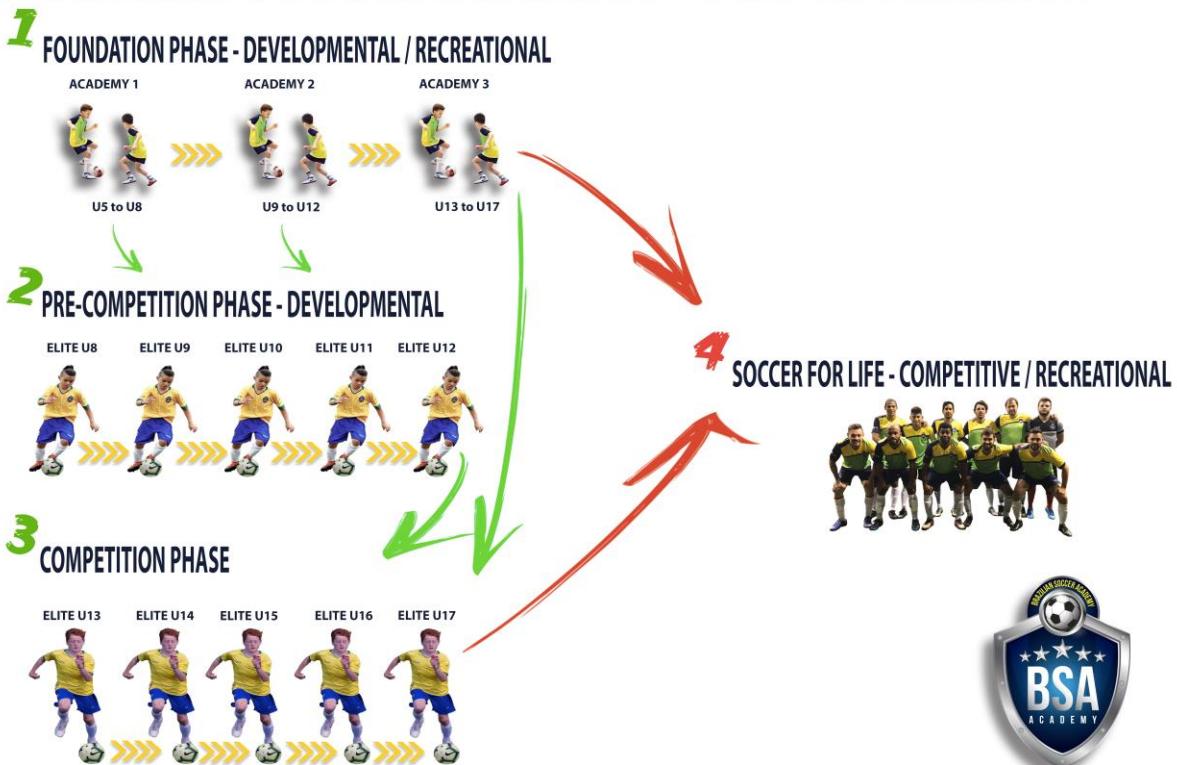

Brazilian Soccer Academy is dedicated to the development and personal growth of each player that participates in our programs.

Every season we work to improve on all aspects of each participant's skill level so that they are provided with the right tools to grow and develop as players. Every single practice and game is an important learning and development opportunity we take very seriously.

We are fully committed to LTPD Development Matrix.

Although there are many interests in turning soccer into a career, that is not our main focus. We work to instill lifelong skills and lessons that will hopefully, above all, create well rounded human beings with character. If talents rises up, we will ensure to guide them on the right direction.

BRAZILIAN SOCCER ACADEMY - PLAYER PATHWAY

"Your kid's feet in good hands".
