CHAMPLIN PARK YOUTH HOCKEY ASSOCIATION

2026-2027 Sponsorship Program

Dear Potential Sponsor,

Champlin Park Youth Hockey Association invites businesses like yours to become a sponsor for the 2026–2027 hockey season. Your support will help provide meaningful athletic, developmental, and community-building opportunities for young athletes across both our Boys Rebels and Girls Swarm programs.

CPYHA is committed to creating a positive, inclusive environment where players develop not only hockey skills, but also confidence, teamwork, discipline, leadership, and lasting connections. Our programs serve families throughout the Champlin, Dayton, and Brooklyn Park communities and provide opportunities for hockey players at a range of ages and skill levels.

Sponsorship support helps CPYHA invest in key areas, including:

- Ice time, equipment, training, and player development resources
- Coaching education and safe, high-quality program delivery
- Financial assistance to help make hockey accessible to more families
- Tournament, team, and community events for our boys and girls teams
- A strong, welcoming culture for athletes, families, volunteers, and fans

As a CPYHA sponsor, businesses will gain visibility among engaged local families and hockey supporters while demonstrating a meaningful commitment to youth development in our community. Our *Traveling Team Sponsor* recognition can include opportunities such as logo placement on team or event materials, digital and social-media recognition, website visibility, and rink signage. Sponsoring *Mite Mayhem*, CPYHA's mite and 8u end of season weekend celebration, helps create meaningful memories for our youngest hockey players and their fans.

We would welcome the opportunity to build a partnership that aligns with your organization's community-engagement goals. Whether through a financial contribution, in-kind donation, or event support, your involvement will make a direct difference for the athletes and families participating in CPYHA this season.

Thank you for considering the support of CPYHA. We hope you will join us in helping young athletes grow on the ice and beyond it.

With gratitude,

CPYHA Board of Directors

CHAMPLIN PARK YOUTH HOCKEY ASSOCIATION
