- STL / Tulsa ice time total = \$19,441.25

e. Head of Coaches – Brett Zaloudek - absent, but emailed

- (EMAILED) Update on Larry Donovan: Brett met twice with Larry about general mentoring questions. Larry is a good resource to bounce ideas off. In anticipation of 2026 ice capacity issues, Brett is trying to get OKC schedules and icetime allocation logic

g. Player Development - Greg Betzold - excused absent

H. Head of Fundraising - absent

a. U8 – Corry Porter - doing great, have some tournaments lined up

b. Rec - Lacy Bright - have friendlies scheduled with Springfield, MO at home, looking into going up there as well

c. U10 – Jenny Hawkins Concerns:

- ice conditions (Summer to reach out to the Jones Center)
- Locker Room assignments - can the Jones Center assign locker rooms, Thursday night there is confusion as men's league and our teams try to coordinate logistics
- Parking lot lights - cannot add more due to the airport (Summer to ask if the smaller parking lot lights could be used)

d. U12 – Russ Schnitzer (excused absent)

e. U14 – Judd Semington (excused absent)

f. High School – Holly Krievans (excused absent)

6. Unfinished Business

- Branded Bill hats update - 3 designs have been picked, need to have orders that have at least 6 in order to fill. Order form will be sent as soon as we have it.

7. New Business

- Next Level Camp
 - June 22-26 and June 29 - July 3rd are the weeks.
 - Concerns around attendance due to the holiday

- Summer to ask Next Level if 8Us (who will be moving up) can join this year to help with our numbers. Discussion on the upper 12Us moving up to the older age group if we do this.
- Fundraisers, etc where board approval was not sought before starting?
 - Determined this was growing pains now that we have rules around team fundraisers. Will communicate out again
 - Discussed the possibility of making one organization fundraiser mandatory next year as the team fundraisers had an impact on how we did this year on the evergreens (which is important in order to keep costs down)
