

Our non-profit organization depends on members who volunteer their time and talents to run our programs and help keep costs down.

Strengthen Our Community

Introducing **Volunteer Your Way** — a flexible program designed to allow every NIHA family a way to get involved:

WHERE you can.

HOW you can.

HOW MUCH you can.

We understand everyone is balancing a different schedule; full time jobs, kids in multiple sports, single parents, the list goes on. Members with different schedules, different ideas, and different talents are all invited to **Volunteer Your Way**.

Volunteer Your Way Program

Not every family can commit to the same type of volunteer opportunity, and that's okay.

Do you have a few hours on a Saturday? Or are you great at organizing? Maybe you prefer helping behind the scenes, or have a special skill or connection that could benefit NIHA.

There's no one right way to volunteer. Let us know what works for you and **Volunteer Your Way**.

Beginning this season, we encourage every NIHA family to earn at least 25 volunteer credits.
