SKATE SHARPENING

WHEN IS SHARPENING AVAILABLE?

For now, we are planning to offer skate sharpening on **Monday** and **Tuesday** evenings. Exact times will vary depending on volunteer availability, but we anticipate times before and after practice.

**Please keep in mind that this schedule may change as we work through the initial rollout.

SKATE SHARPENING PRICES

1 sharpening: $5
5 sharpenings: $22
10 sharpenings: $40
25 sharpenings: $100

Packages offer discounted pricing for families who sharpen regularly throughout the season. Package purchases will be tracked using punch cards, making it easy to keep track of your remaining sharpenings.

HOW IT WORKS

· Bring your skates during a sharpening session.
· Depending on volume, our volunteers will confirm payment and sharpen skates. At busy times, they may tag your skates so they can be tracked through the process.
· If you purchase a package, your sharpenings will be tracked on your punch card.
· Once sharpened and inspected, your skates will be ready for pickup.

**All sharpening will be completed by DPYH volunteers who have been trained to operate our SPARX machine. We appreciate these volunteers giving their time to help make this service available to our hockey families!
