COMMUNITY EDUCATION & TRAVELING BASKETBALL

Based on feedback from BPBA families, there was a strong desire for greater flexibility in participation.

BPBA players are NOT required to participate in Community Education Basketball.

What This Means:

- ✅ Community Education teams may operate independently if registration numbers are sufficient.
- ✅ Players who wish to participate in both Community Education Basketball and Traveling Basketball may continue to do so.
- ✅ **4th Grade Traveling Teams** will continue to participate in Community Education League games, BPBA's home tournament, and up to three additional local tournaments.
- ✅ **3rd Grade Community Education Teams** will have the opportunity to participate in BPBA's home tournament, along with potential additional tournament opportunities later in the season.

This approach provides families with greater flexibility while allowing both organizations to best serve Belle Plaine youth basketball players.

VOLUNTEER REQUIREMENTS

Each Traveling Basketball family is required to volunteer a minimum of **6 hours per season** at BPBA-sponsored events.

Volunteer Deposit

- \$300 Volunteer Deposit Check Required, Check will be shredded once volunteer requirements have been fulfilled or your player does not make a team.
- Maximum of 10 volunteer hours per family may be credited
