

SKATIN' FOR LEIGHTON

Sponsorship Opportunities

The [Arizona Kachinas](#), a 501(c)(3) nonprofit, are dedicated to growing and developing female hockey players across Arizona. As the state's **only Tier 1 all-girls hockey organization**, we provide a competitive, growth-focused environment led by [Olympian Lyndsey Fry](#). Our mission is simple — **to create an opportunity for every girl in Arizona to safely play girls' hockey at her appropriate age and skill level while developing a lifelong love of the game.**

About Skatin' for Leighton

Every year, we honor the legacy of **Leighton Accardo**, a beloved Kachinas player who bravely fought cancer, with **Skatin' for Leighton**. This heartwarming fundraiser benefits the **Leighton Accardo Memorial Fund**, which provides **financial assistance** to young girls with a passion for hockey. Participants will be able to skate the concourse and/or walk/run the field! Thanks to generous sponsors like you, we ensure that **no aspiring player** is kept off the ice due to financial barriers. With **18 teams** in our organization, at least one family per team receives support through the fund.
