## **Kid League Baseball**

Here at Kid League, we understand the significance of keeping a close eye on weather patterns to ensure the safety of all involved. As such, we want to reassure you that our team is diligently monitoring the weather situation leading up to game time.

**Decisions regarding weather-related cancellations are not made lightly and are subject to careful consideration. OUR POLICY IS TO MAKE THESE DECISIONS NO EARLIER THEN 5:00 PM, BUT NO LATER THAN 5:30 PM, to ensure we have the most accurate and up-to-date information available.**

**WE KINDLY REQUEST THAT PARENTS REFRAIN FROM CONTACTING KID LEAGUE ADMINISTRATION OR THEIR COACH PRIOR TO 5:30 PM REGARDING WEATHER CONCERNS.**

Rest assured that if a cancellation is necessary, it will be promptly communicated to you via email, and via communication by our Crossbar Sports Application.

Furthermore, during games, if there is any indication of inclement weather, please know that Kid League Administration is actively monitoring weather radios, radar, and maintaining close communication with Wilbarger County Weather spotters, as well as the Vernon Police and Fire Department, if necessary. Your children's safety, as well as the safety of your families, remains our utmost priority.

**Unless you receive an email or phone notification indicating otherwise, we will proceed with the scheduled baseball activities.** We appreciate your cooperation and understanding as we prioritize the safety and well-being of our players and families.

Thank you for your attention to this matter, and we look forward to a fun and safe baseball season ahead!

Warm regards,
