BOSS.

We have watched you climb mountains you never asked to face, and we have seen the strength it took to keep climbing when the path wasn't easy. That's why we know the view from where you stand today must be especially sweet. You earned every inch of it.

We are so incredibly proud of the player you've become, but even more proud of the young man standing beneath that #2. Your strength, your heart, your humor, and even a little of your chaos make our family what it is. **You don't** just make us proud—you complete us.

So take it all in – soak up all the prayers and cheers and love. Use them when life's road gets long. You are so very loved.

Always Praying,
Mom, Tim, Brax, and Bails ♡

Your prayers, cheers, and encouragement over the years have helped mold me into who I am today. Your love and support will stay with me wherever I go.

Cobourn Field

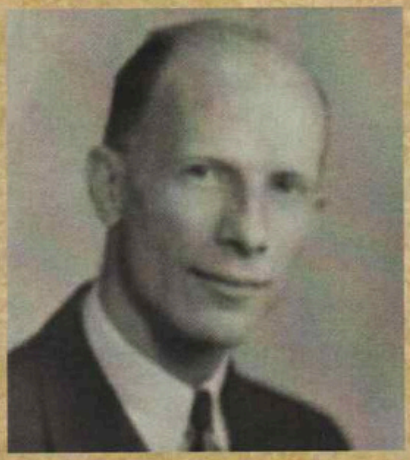

John Cobourn was born Feb. 19, 1903 and began his teaching career at Martinsburg High School in 1930. He is a teacher who upheld the high standards of his profession and inspired many over the years. During his earlier years, there were only four competitive sports in high school: football, baseball, basketball and track. John Cobourn coached all four with the help of assistant coaches. His students and athletes respected him and the community residents who knew him remember Cobourn as a true friend. In the 1930's, Cobourn was instrumental in developing the football field at Martinsburg High School. He was as devoted to creating the field as he was to his job of guiding young people. In 1946 the Martinsburg High School Football field was officially named Cobourn Field.

Coach Cobourn achieved 227 Basketball Victories and guided the Bulldogs to more than 112 Football wins including Martinsburg High School's first undefeated season in 1954. This Bulldog success was not repeated again until 1976 with Coach Bob Kamensky and again in 2002, 2003, 2010 and 2011 with current MHS Football Coach Dave Walker. Coach John Cobourn once stated that his 54' Team was "The greatest group of boys I have ever coached." John Cobourn was known to prepare his athletes to play football, basketball, baseball or track, but he also prepared his athletes to play the game of life. Coach Cobourn retired in 1969 from Martinsburg High School. For his many years of service on the football field, he is still remembered today as each player and coach takes the field and each Bulldog fan enters the gates onto Cobourn Field.

John Cobourn died of a heart attack at the age of 78 on Sept. 25, 1981 while listening to a broadcast of a football game between Martinsburg High School and Fort Hill High School. His memory lives on at Cobourn Field, where hundreds of community residents use the facilities that began as just a dream of one of the high school's most revered figures.

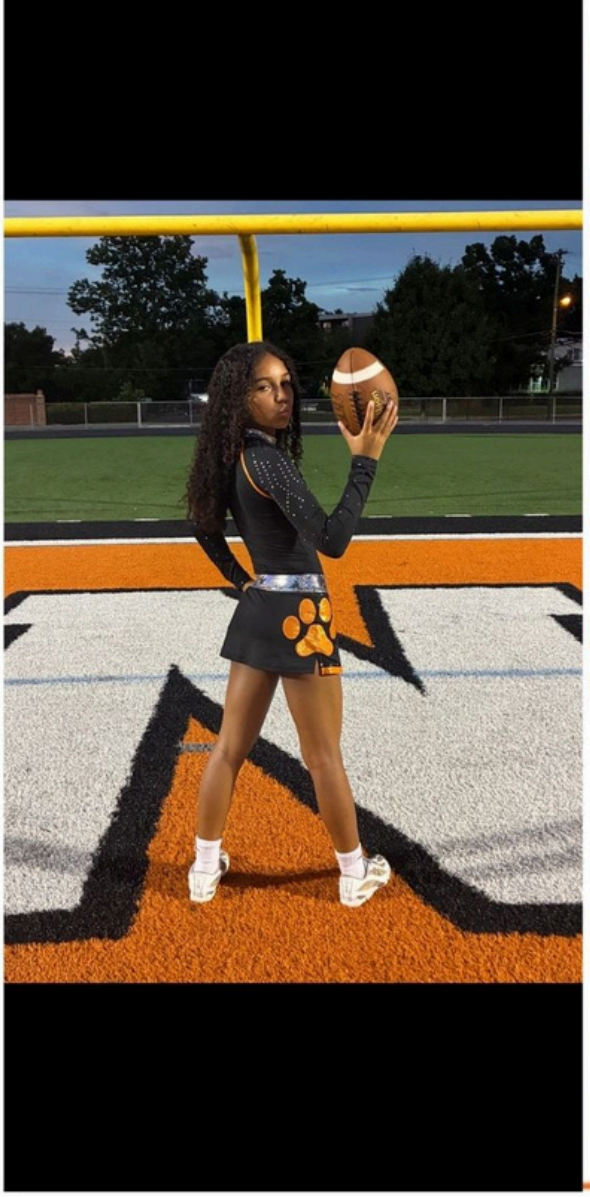

"Victories of course count greatly, but they fade with the years while sportsmanship, fair play and good friendly relations live on."

John Cobourn
