

# **CIHA Special Member Meeting Notice**

This is the official notice of a Special Member Meeting of the Cambridge-Isanti Hockey Association (CIHA).

## **Meeting details**

- Date: Monday, January 19, 2026
- Time: 7:00-8:20 PM (check-in opens at 6:45 PM; we must end on time)
- Location: Cambridge Middle School - Cafetorium
- Format: In-person only

## **Active members only - membership verification**

Per the CIHA bylaws, voting membership is limited to Active Adult Members (age 18+ at registration) who are affiliated with a fully registered CIHA youth participant in good standing. Each participant family system may have up to two Active Adult Members for the season. CIHA has already pulled the official membership roster for this Special Member Meeting based on current-season registration records and the bylaw membership definition. That roster will be used for check-in, attendance, and speaking eligibility.

If you are unsure whether you are listed as an Active Adult Member, please check your player's Crossbar account and review the adults listed (up to the first two) in the player's current-season registration. For this meeting, we are unable to make changes to the official membership roster for the season. Non-members will not be allowed to attend.

## **Purpose**

This meeting is being held in response to a valid member petition request. Business at a special meeting is limited to the purpose stated in the written notice; therefore, this meeting will be a structured listening/Q&A session limited to the topic areas listed below.

## **Topics for discussion**

- Ownership and accountability (overall theme)
- Tryouts
- Gambling
- Communication

## Voting

No specific motions or voting items were submitted as part of the meeting request. No votes will be taken at this meeting.

## Meeting format

We understand these are important topics for families. We will keep the meeting respectful and orderly so members can be heard. Because we have a hard stop at 8:20 PM, speakers will be time limited.

## Speaker sign-up

Members who wish to speak will sign up by topic at check-in. Sign-up sheets will be organized by topic area, and members may sign up for one or more topics, but the time allotted will remain the same. Speaking will be on a first come first serve basis according to the sign-up sheet. If time allows the floor can be opened for additional discussion.

## NTS/Bantam co-ops

CIHA is part of the NTS & Bantam co-op arrangements this season. We can listen to concerns and answer what we can, but not all items are within CIHA's sole authority.

## Meeting Agenda (topics)

Discussion will be organized by topic area. No votes will be taken.

- Call to order
- Confirm member attendance and quorum (for the record)
- Review meeting purpose, scope, and ground rules
- Topic 1: Tryouts
- Topic 2: Gambling
- Topic 3: Communication
- Wrap-up and next steps
- Adjourn

Note: 'Ownership and accountability' is the overall theme and will be addressed within each topic as applicable.
