

Hello, my name is Lucas Armstrong. I am a 2009 graduate from Cambridge-Isanti. I played hockey for CI until I graduated in 2009. I moved away in 2019 to Baudette Mn where my kid's played hockey, I joined the youth hockey board In Baudette, where I was a member from 2019-2025. I have coached hockey from 2015-2025 from mites to peewees I would like to join your board. I want to help and grow hockey in the area.

I went through a small town of dual country's USA/Canada where we lost our Canadian support and had to start fresh through 2020. It was a huge challenge and with a lot of teamwork and support from the community we kept hockey alive. I have been filling in on an interterm potion for the last few months and have a plan to get back to the roots of hockey, I am a firm believer that actions speak louder than words. I am also big on being respectful to the players, parents, coaches, and refs.

At the end of the day the growth of an individual/team is what I am looking for. You have to help both an individual to get to the next step and learn how to play as a teammate. That is what I believe in and I want this for not only my family but everyone else that is involved in our program.

. My number is 763-639-9903
