Welcome Baseball and/or Fastpitch Participant and Parent(s),

The Chippewa Valley Patriots Baseball and Fastpitch (CV Patriots) is designed to give each child an understanding of the importance of becoming a life-long participant in sports and physical activity.

Our goal is to provide a positive and fun experience for all participants. Our program strives to provide an environment that enhances a player's self-esteem and embodies the spirit of teamwork, sportsmanship, and community. As a participant, or a parent of a participant, you play a key role in that experience. We set out to create a fun baseball/fastpitch experience for all kids and families and to teach the fundamentals of the game.

This handbook has been developed to help participants and their families understand this program's expectations, and how to achieve a positive youth sports experience for all involved. Your support helps make youth sports programs fun and successful. Youth sports programs cannot exist without the positive influences that you bring. Thank you for your support.

Sincerely,

CV Patriots Baseball and Fastpitch

Baseball & Fastpitch Philosophy

The Chippewa Valley Patriots(CV Patriots) Youth Baseball and Fastpitch is dedicated to teaching children in our community the fundamentals of baseball/fastpitch in a safe, positive, and age-appropriate manner. We measure our success every season by the number of kids that are excited to come back and play baseball/fastpitch with us again the following season. We strive to teach valuable life lessons through athletic competition.

Through character development, we can help young athletes reach goals on and off the field.

“I’ve found that the more you practice, the better you get. If you want something enough and work hard to get it, your chances of success are greater.”
