 - Growth in skill- 2 banners will be hung this year from NTS
- Adding the parent committee
- Branding
- Admin side grew (still have work to do) but expanded and was happy with the results
- End of the year surveys
- Liked switching to crossbar

What could we do better?

- Schedules, Adding more info so teams are aware who they are sharing ice with, more communication on the schedules and making sure teams are over booked between the two rinks.
 - More clear communication
-

- Having each association take on their roles for 3 years vs rotating each season- Less confusion and forgetting NTS—Suggested Roles:

 - Cambridge- Isanti- Preskates, Scheduler
 - North Branch- Webmaster, Social Media, Registration, Tournaments(potentially)
- Recruiting- More events and sharing event information so this committee can be present and help out.
- Dibs confusion from the different associations
- Getting more clarity on the 6U program
