

A BANNER STAYS IN THE BUILDING. OUR JERSEYS DON'T.

We're a volunteer-run nonprofit that puts **200 Central Kentucky kids** on the ice every season — from four-year-olds taking their first stride to teenagers playing travel hockey across the region. Sponsor us and your name goes with them: to rinks in four states, into every team photo, onto the gear these families haul through a hotel lobby at 6 a.m. on a Saturday.

WHERE YOUR LOGO GOES

EQUIPMENT BAGS

Club-purchased and enormous. They sit in every hotel lobby and rink lot we visit all season.

GAME JERSEYS

A shoulder patch worn every game, every tournament, and every photo a parent takes.

HELMETS

A decal on the most photographed six inches in the sport.

WARMUPS

Worn off the ice too — by the players, and by the parents in the stands.

Every one of these belongs to the club. None of it routes through the rink.
