

## FUNDRAISING

Each player is responsible for raising a minimum of \$500 or covering their share of team costs within the agreed-upon timeframe.

### Why Schoolfundr?

Schoolfundr is one of the most effective fundraising tools available:

- ✓ 100% of the funds raised stay with our team (no 20% cut like other platforms)
- ✓ Donors can choose to leave a small tip to support the platform
- ✓ Safe, secure payment encryption
- ✓ No third-party data sharing or marketing

---

### ✓ Schoolfundr Fundraising Instructions –

**Deadline: Complete by end of day Friday, April 18**

---

#### STEP 1: Gather Supporter Contacts - Before doing anything else:

Collect:

- ✓ 20 email addresses
- ✓ 5 to 10 cell phone numbers

These should be adults who know and support your student — examples:

Family (grandparents, aunts/uncles, cousins) - Friends of the family –

Teachers, coaches, mentors – Coworkers - Religious/community leaders

Supporters do not need to live locally — donations are accepted from anywhere.

#### Store this contact info on your students:

- 📱 Phone
- 💻 Tablet
- 📓 Notebook or Notes app
- ➡ This info will be used during our Load-Up Meeting, so make sure it's ready to go!
