  - What is the status on Irish playing at the JV division of Illinois West for the season?- We have been in discussion with Illinois West regarding our prospected roster (considering number of players and ages), and we are hopeful that it will remain the plan but a concrete decision won't be made until registration is over and our roster is submitted.
  - Are there any plans for adding an additional tournament at the end of the year for Irish in place of the State tournament?- This would all be a decision dependent on the Coach and player availability, but there is no issue with registering for an additional tournament if that is what the team wanted to do. The tournament would be player/family funded.
  - Are we still planning on utilizing Goalies Inc for our goalies this year?-Yes that is the plan to continue our focused goalie training through Goalies Inc for the season. Practice times and details are still in the works as we work on the contract with Goalies Inc for the season and will be communicated to the club prior to the start of practices.
- I. Adjournment/Next meeting
