Club Culture

This is a reminder that we hold our club to a high standard. Please be respectful to our refs. There is a ref shortage and it effects our club as well as the whole sport. Please do not shout at the refs when you disagree with a call. If you see any refs before or after a game, please thank them for their service. Without refs, our kids wouldn't be able to play.

Volunteers for the scoreboard, scoresheet and in the penalty box, are reminded that they are acting as a game official and as such are not to be cheering, shouting at refs, or coaching players.

March 15th KYHC will be at the Wolves game. All levels from Mites to Irish are invited. More Info coming.

**HELP
NEEDED!**

Highschool Partnership Committee

We have had a great start communicating with schools. Talks are happening at most of the high schools that we currently have players attending.

Wilmington and Reed Custer still need representation. If anyone is willing to be the liaison for these schools, we would greatly appreciate it. You do not have to have a child attending the school in order to volunteer to be the liaison.

The committee has sample messages, emails, and talking points for volunteers. Plus, you have the support of the committee to bounce ideas off of!
