## **VIII. Marketing and Promotions Committee Report**

- Spirit wear
  - Kari has been in communication with DK Apparel and has gotten some additional offerings into the spirit store, including a new shirt design up for Coyotes. The store will continue to be updated with other requested items and possibly another new design. The shop link will be shared out this month in the newsletter.
- Flyers
  - Flyers featuring each team's home games will be posted at the rink (upstairs and downstairs) and on social media.
- Social Media
  - All Coyotes teams have active PhotoCircles to share videos and pictures and to allow us to pull content from them. We are requesting more videos that are up & down to be able to make reels.
  - We have been able to figure out access to the Coyotes Facebook page. Both Teage and Kari have access to post there along with Lisa and Joe. Unfortunately,

due to Instagram's limited permission options, only one person can really be allowed to post on it. We have upped our posting on the Facebook page and have seen an increase in engagement which hopefully is getting our name out there more.

- Lisa and Joe continue doing a great job on the Irish social media and getting engagement there.
- Recruitment
  - We have reached out to the Angie about setting up a table during Skating classes and Learn-to-Play. We are working on getting a set date to ask for some volunteers and getting a quick info sheet made for the table.
  - We are also wanting to discuss with the rink about setting up a table during Ice Valley Winterfest January 3rd, 1-4pm.
