

We are starting a new 2025-2026 softball year for Crush Tidal Waves (“CTW”) Fastpitch. As our community has grown, so has the involvement of our players in fast pitch softball. With over 35 years of experience, we are now fielding over 18 teams and 200 female athletes. To support the development of our female athletes we operate a 22,000 square foot indoor facility funded through program fees.

To support our program, increased corporate, small business, and community support is needed. Your tax-deductible participation would be much appreciated as CTW operates as a 501(c)(3) non-profit organization.

Our mission is to develop competitive female student-athletes and promote lifelong qualities of sportsmanship, teamwork, commitment, leadership, respect, and integrity. Our teams travel throughout the Chicagoland area and participate in regional and national championship tournaments.

We are a volunteer and family-oriented organization, which relies heavily on parents and families to help keep the organization running efficiently and smoothly. Your generous sponsorship will help supplement program fees and help defer the costs of maintaining our facilities and program costs.
