Missy C. would like help delivering prizes to AmericInn. She is going to propose a more efficient method of soliciting prizes for the Old Timers Tournament committee.

The Regional Bantam B tournament had a good turnout this year and went well. More volunteers would have made things much smoother. Profits thus far are showing as \$6,000 + before MN Hockey refunds.

Erin Hall and Jen Hanson spoke on behalf of the "Girls Skate" group that has been putting a lot of time in finding interest for girls only hockey in I. Falls. One of the questions asked was if the girls skating in house leagues would have to be USA registered athletes. Jeremy H. will contact Steve Oelehauser to find out. There could potentially be teams for all age groups of girls and traveling would be as little as possible and local games only. The Varsity coaches from the Bronco Girls hockey team were present and supported the continued efforts of the group of individuals involved with the movement and in support of Rec Hockey's efforts to revive the interest of girl's hockey.

Election day for Rec Hockey board positions will be held on April 11th, 6:30 pm at Kerry Park Arena. There are 4 incumbents seeking re-election and 10 people seeking their first term. 14 names in total in the ballot.

Recap of the Winter Classic (Hockey Day in I. Falls) yielded positive results. The players, the community and the guests from Fort Frances' Bantam team who played in the finale had a good experience. A Saturday late in February next season would be a good choice for next go around.

A letter was read to those in attendance of the meeting from the Falls Rec Commission regarding the new locker room policy. Locker rooms will now be locked for any user until a registered locker room attendant is available to monitor the users. The new Kerry Park policy is in light of multiple bullying issues in attempt to shore those issues up. The convener list for each team will be provided for next season so that these reports of team issues can be handled by Rec Hockey rather than being presented to unrelated sources.

Tim Millette and Jeff Schuff have both expressed interest in coaching next season.

Falls Rec Hockey needs a new scheduler and webmaster for next season.

A special meeting was held to discuss numbers at the Mighty Mite and Squirt levels. Tournaments have been scheduled for 2 Squirt B teams as instructed by the board with an estimated number of sign-ups for the squirt program, however sign ups fell short of those estimates from the previous season and a solution is required.

Mike Pelland suggested we leave the Mite 1 and 2 programs intact and condense the remaining Squirt B players to one team instead of two after the Squirt A team is selected. Which would make the Squirt A team have 13 skaters and 2 goalies and the Squirt B team would have 14 skaters and 3 goalies.

Chad Shikowski and Scott Lindvall proposed we move up some of the Mighty Mites to fill in the two Squirt B teams. To maintain 2 Squirt B teams, we would need to move up about 7-8 Might Mites and allow the move up kids to try out for the Squirt A's.

Brad R. motioned to move up to 8 Might Mites skaters up to the Squirt B's after the Squirt A tryouts were held making the Mighty Mite kids who move up ineligible for the Squirt A's for the season. Nick S. made a second. Motion passed.

A parent meeting will be held to present the Squirt B move up option to all Mighty Mite skaters to ensure there is enough interest.
