AHAII rule change procedure

AHAII Rules and Regulations are voted on by the elected AHAII Board of Directors. The intent of the AHAII rule change procedures is to all membership an opportunity to review proposed rule changes. AHAII will accept questions or comments from membership through each Affiliate Association President.

AHAII rules are voted on by the AHAII Board of Directors at the May AHAII Board meeting. In an emergency or unique situation, the AHAII Board may vote on any rule change proposal or amendment at any board or special meeting.

AHAII bylaws must be changed by a membership vote and bylaw proposals must meet the qualifications in AHAII Bylaw ARTICLE 15 AMENDMENTS

Rule, modification, or proposals can be submitted at any time from June 1st to February 1st of each year, to the AHAII Registrar and AHAII President in order to qualify for the rule change procedure

Housekeeping, clean up or clarification are applicable when there is no change in the intent or application of the rule.

Intent is to limit amendments, as much as possible, that are proposed shortly before or during the actual vote.

- **February BOD Meeting:** *Circulation of proposed rules to AHAII Board of Directors for data and collection of input from committees and stakeholders*
