

2026 AHAI BOARD OF DIRECTORS ELECTION CANDIDATE BIO

Kevin Bolger

I am married and have two sons ages 33 and 37. Both have been playing hockey since the ages of four years old. The youngest played through High School and the oldest through college. The youngest played on one of the Chicago Police Department teams and the oldest plays in men's league games.

I began coaching in the House League at Winnetka, 33 years ago. I progressed through the Winnetka Program serving on the Board of Directors as Wishbone Tournament Director, Director of Development, Legal Consultant, Director of Personnel, Coaches Selection Committee, All Star Committee, Vice President and President.

From 2004 to 2011, I have served on the Loyola Academy Hockey Board holding positions as Registrar, Chairman of R&E, Coaches Selections Committee, Club spokesperson and Secretary.

In 2003 I was appointed to the AHAI Board to fill the vacancy of Sarah Teuting. I am presently serving as President of AHAI and have been doing so for 6 years. Prior to being President, I was Vice President of Hockey operations and served as Chairman of the Suspension Review Committee. I was also on the Tier II Committee, Show Case Committee, Black Hawk Cup Committee, Screening Committee, Marketing Committee and the Appeals Committee.

Since becoming President, I have been appointed to the USA Hockey Screening Committee, Affiliate Presidents Committee, Legal Committee and the USA Hockey Diversity Committee. I have also served as President of the Central District Hockey Club, which manages Hockey in the Central District States for USA Hockey.

My experience as a Criminal Defense Attorney, former Cook County Assistant State's Attorney and Chicago Police Officer has provided me with the broad expertise necessary to fulfill my hockey obligations and achieve the goals of Illinois Hockey and USA Hockey.

There are many ways we can improve this great game and grow our sport in the coming years. I want to continue to serve the Hockey Community and represent your interests in the State of Illinois and USA.

Glenn Jauch

I have been involved in youth hockey in one form or another for the past 25 years. I have served as a coach, a team manager, and a club equipment manager. Additionally, I have served as a High School club president, a High School league vice president and a High School league president.

I am seeking another term on the AHAI board where I am currently serving as the High School committee chairman, as well as a member of the Tier 3 committee.

Although I never played organized hockey in my youth, I couldn't wait for winter when my neighborhood park, Paul Revere, would freeze the tennis courts. Along with my friends, we would spend hours at night and on the weekends playing pick-up hockey for as long as the ice lasted in the season. These were truly some of the most fun days we had all year.

My son's desire to play organized hockey is what brought me to where I am today. Over the past 25 years, in addition to great hockey, I've witnessed countless people giving their time and effort to grow the game, and most importantly make the game of hockey fun, exciting, and competitive for kids. We do this for the kids!!

Outside of hockey I aggravate myself on the golf course, serve on local committees, and most importantly spend time with my family.

Thank you for your consideration and vote to continue my work on the AHAI Board.

2026 AHAI BOARD OF DIRECTORS ELECTION CANDIDATE BIO

Chris Naveja

Chris Naveja has been actively involved in Illinois youth hockey since 2008, bringing nearly two decades of leadership, governance, and organizational experience to the sport. At the club level, Chris served on the Board of Directors of a Tier II organization for eight years, first as Rules and Ethics Chair and later as Co-President. Throughout those years, Chris worked collaboratively with fellow club presidents and AHAI leadership to advance initiatives aimed at improving the overall quality, integrity, and accessibility of youth hockey across all levels in Illinois.

In April 2022, Chris was appointed to the AHAI Board of Directors, where he currently serves as Chair of Player Development. In this role, he works closely with coaches and leaders from Tier I, Tier II, and high school programs throughout the state to identify top player talent and provide development pathways. The Player Development program serves as a critical platform for Illinois athletes seeking advancement to the Central District Tryout Camp Festival and, ultimately for those selected, the USA Hockey National Camps.

In addition to his responsibilities as Chair of Player Development, Chris serves as AHAI's Vice President of Operations, where he supports organizational planning, policy development, and operational oversight to help ensure AHAI programs are executed consistently, efficiently, and in alignment with USA Hockey standards.

Outside of hockey, Chris is a licensed attorney and brings that professional experience to his volunteer work with AHAI. He assists the AHAI Board of Directors and General Counsel with legal, compliance, risk management, and insurance-related matters, further supporting the association's long-term stability and governance.
