August, 2025

Welcome to another exciting season of Hockey in Illinois!

Again this season the focus for AHAI is player safety, member conduct and information/communications with the AHAI membership. The AHAI website and e-newsletter hopes it meets the needs of you, the members, by continually providing timely and accurate information to all of AHAI's members. The website, SNAPSHOT (*electronic newsletter*), along with AHAI's social media sites (*Facebook, Twitter, Pinterest, YouTube and Google+*) are the main sources of communications with AHAI members.

AHAI is the leader in the country in providing opportunities for everyone to participate in our sport, no matter their level of ability. AHAI provides extensive disabled programming in special hockey, blind hockey, sled hockey, deaf/hard of hearing hockey and Warrior hockey.

Again this season you will see officials calling aggressive penalty infractions. All officials have gone through educational seminars and have been instructed to call the aggressive, dangerous penalties. That being said, it is up to coaches to coach the dangerous penalties out of the players. Coaches that attend USA Hockey/AHAI Coaching Education Clinics have been instructed on the prevention of dangerous play. Last but not least, players need to take responsibility for their actions. Remember penalties are only called after they happen.

This season all USA Hockey coaches will be required to complete the SafeSport Education Program. This program rolled out by USA Hockey is designed to create awareness of player safety off the ice. These include without limitation — Physical Abuse, Sexual Abuse, Screening, Locker Room Supervision and Hazing Policies, in addition to Codes of Conduct applicable to administrators, coaches, officials, parents, players and spectators.

AHAI has great support from the Blackhawk Alumni. The Blackhawk Alumni present scholarships each season to deserving High School players who represent dedication to education, community service, family as well as playing hockey.

To all AHAI members, players, coaches, officials, parents, spectators and administrators, be responsible for your actions. Have respect for others who just want to enjoy watching or playing this great game.

This season it's everyone's responsibility to help make it a safe and enjoyable experience. Enjoy another great season!

AHAI POLICIES/GUIDELINES

AHAI has determined that it is not in the best interest of ice hockey and is detrimental to hockey and is therefore prohibited to do any of the following while participating in or affecting the sport of amateur hockey:

- Discriminate on the basis of race, color, religion, age, sex, national origin, or socioeconomic status.
- Consume, use, sale, give or abuse mood altering substances, other than in accordance with a Doctor's prescription,

For purposes of this policy, the words "mood altering substances" shall include the following:

1. Intoxicating beverages, including, but not limited to, alcohol.
 2. Non-prescription or prescribed controlled substances.
 3. Prescription or prescribed controlled substances when used to an excess in violation of doctors orders, or to produce the state of intoxication in the participant.
- Abuse, (including but not limited to ethnic, racial, sexual, physical or mental) another person or player.

CONSUMPTION / USE ABUSE OF MOOD ALTERING SUBSTANCES

It is the considered judgment of the Board of Directors of AHAI that consumption/use/abuse of mood altering substances is detrimental to a healthy state of mind, body, and spirit in an athletic participant. This is especially true for those participants aspiring to develop their talents in the furtherance of their playing, or coaching, or officiating careers in the sport of ice hockey.

Therefore, with the best interests of its participants in mind, AHAI prohibits use by any participant of mood altering substances during active participation in its programs, and, upon discovery of any violation, shall take action to remove the participant from participation in its programs for a reasonable period of time. Further, AHAI hereby recommends that each and all of its teams, associations, programs, and affiliates adopt reasonable regulations concerning the prohibition of consumption/use/abuse of mood altering substances, and a reasonable enforcement procedure thereafter, in order to maintain the health of our athlete participants, the integrity of our programs, and the eligibility of all of our competitors for national, international, and collegiate competition.

Further, a participant shall include players, coaches, referees, and all persons involved in the conduct of an ice hockey contest.

USA Hockey and AHAI, through their Safety and Protective Equipment Committees, will develop a program of drug abuse awareness for players of all ages through 20 years, their parents and/or guardians and coaches of those players.

A whistleblower as defined by this policy is an employee, volunteer, or board member of the Amateur Hockey Association Illinois, Inc. The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate AHAI officials are charged with these responsibilities.

Examples of illegal or dishonest activities are violations of federal, state or local laws; billing for services not preformed or for goods not delivered; and other fraudulent financial reporting.

If an AHAI employee or AHAI volunteer has knowledge of or a concern of illegal or dishonest fraudulent activity, the AHAI employee or AHAI volunteer is to contact the Treasurer of the AHAI Board or the President of the AHAI Board who is responsible for investigation and coordinating corrective action. The AHAI employee or AHAI volunteer must exercise sound judgment to avoid baseline allegation. An AHAI employee or AHAI volunteer who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination.

Whistleblower protections are to cover two important areas – confidentiality and against retaliation. Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes he or she is being retaliated against must contact the AHAI Board Treasurer or the AHAI Board President immediately. AHAI SUSPENSION REVIEW GUIDELINES

*** PLAYER/COACHES LEAVING THE PLAYER'S AREA/BENCH DURING GAME:**

The ASRC guideline on this issue is that "No player or coach shall leave the player's area or bench to engage or join in any on-ice altercation. The coach of the team shall be responsible for the players." Accordingly, the ASRC will review any incident brought to its attention where a player or coach has left the player area or bench to engage or join in any on-ice altercation. After investigation and hearing, the ASRC may issue suspensions in addition to any penalty assessed by the Referees. Suspensions for violations of the guidelines may exceed five (5) or more games. The Coach of any offending team may also receive a suspension of five (5) or more games.

*** CONTACT WITH ANY GAME OFFICIAL (*Including Minor Officials*):** In addition to reviewing Match penalties assessed by a referee under USA Hockey Rule 603b, the ASRC guideline on this issue is that "No player or coach shall have any contact with any game official." USA Hockey Guidelines suggest a one (1) year suspension for any intentional contact with a game official. Accordingly, after investigation and hearing, the ASRC shall be stringently using the USA Hockey Guidelines as a basis for imposition of all suspensions for violations of these rules.

*** USA HOCKEY RULE 410 (*Supplementary Discipline*):**

The written request must include a factual recitation of the specific events and reasons supporting further review along with a copy of the Official Game Scoresheet and names, addresses and telephone numbers of all witnesses.
- (d) Notwithstanding the time limitations set forth in (c) above, the ASRC shall have the ability, in its sole discretion, to investigate and review any incident which meets criteria (a) and (b) above.

Notification of all AHAI Suspension Review Committee hearings will be made in writing to the President or other Head Team Official as soon as the exact date is set and it shall be his or her responsibility to inform the penalized player of all pertinent information.

USA HOCKEY, INC

Points of Emphasis

2025 Through 2029 Seasons

The goal of USA Hockey is to promote a safe and positive playing environment for all participants while continuing to focus on skill development and enjoyment of the sport. All officials, coaches, players, parents, spectators and volunteers are encouraged to observe these

Fair Play and Respect

Fair play and respect are the backbone of any successful amateur sports program. In order for a positive environment to be created, it is imperative that all participants and spectators have respect for all players, coaches, officials, administrators, spectators and the sport of hockey. Hockey is a game demanding high levels of concentration and skill. Taunting or unsportsmanlike conduct directed at opponents or officials will not be tolerated.

USA Hockey does not tolerate any abusive behavior, including racial and other derogatory slurs directed at players, coaches and officials. All participants are reminded that any language that is hateful or discriminatory in nature will be penalized with an automatic match penalty.

Abuse of officials is a continuing problem at all levels of play, and as a result the retention of officials in all youth sports has become a significant issue that affects the quality and number of available officials. USA Hockey is committed to taking a leadership role in this area and has in place a Zero Tolerance Policy towards unsportsmanlike behavior. Officials are required to strictly enforce all actions that are deemed to be abusive in nature in an effort to change the culture of what is deemed to be acceptable behavior when it comes to respect for officials.

Player Safety

Intimidation tactics have no place in ice hockey. These tactics include any contact to the head of the opponent, checking from behind and late body checks to an opponent who is no longer in control of the puck. Officials are instructed to enforce these rules to a high standard and assess the appropriate penalty when these actions occur. In addition, officials are expected to strictly enforce any avoidable contact occurring after the whistle – including during scrum situations around the goal.

In Competitive Contact categories, legal competitive contact shall be allowed and players allowed to compete using proper body position skills. However, any deliberate body checks shall be penalized accordingly. If a body check is delivered for the purpose of intimidation, punishment or to a vulnerable or defenseless opponent, a major plus game misconduct penalty should be assessed to the offending player.

In Body Checking categories, the primary focus of the check shall be to gain possession of the puck and officials should strictly penalize any illegal actions such as boarding, charging, cross checking, and a late body check to a player who is no longer in control of the puck.

The responsibility is on the player delivering the check to avoid forceful contact (*minimize impact*) to a vulnerable or defenseless player who is no longer in control of the puck.

Proper body checking technique starts with stick on puck, therefore the stick blade of the player delivering the check must be below the knees.

Players are encouraged to develop a deep sense of respect for all (*opponents and officials*) while endeavoring to enjoy the sport and improve their playing ability. Each player is expected to use proper skill and technique when engaging in any type of physical contact.

Coaches are responsible for instructing their players to play the sport in a safe and sportsmanlike manner. To that end, coaches are directed to teach only those skills necessary to allow for proper and legal competitive contact.

Officials should be diligent and confident when officiating the sport. Each official should enforce all playing rules fairly and respectfully with the safety of the players and the best interest of the game in mind.

Players must be held accountable for dangerous and illegal actions with the proper enforcement of the rules at all times.

Spectators are encouraged to support their teams while showing respect for all players, coaches, officials and other spectators.

Standard of Play and Rule Emphasis

USA Hockey will continue to observe the Standard of Play and Rule Emphasis for restraining fouls adopted in June 2006. The goal is to reduce restraining infractions in the game, allowing the skill levels of the participants to determine the outcome of a game and to increase participant enjoyment.

USA Hockey will also continue to emphasize the Body Checking Standard of Play and Rule Emphasis adopted in 2011 as part of its effort to create a safe environment for all participants. The goal is to enhance player skill development by eliminating intimidating infractions designed to punish the opponent. Proper enforcement of this standard will improve the proper skill of legal body checking or legal competitive contact at all levels of play.

Conclusion

Hockey should be enjoyed by all participants. To that end, all participants and spectators should observe a level of personal behavior that demonstrates respect for all. USA Hockey will continue to increase awareness among all officials and coaches with regard to these Points of Emphasis and the Standard of Play and Rule Enforcement.

Declaration of Player Safety, Fair Play & Respect

USA Hockey is committed to creating a safe and fair environment for all participants. Respect for the game, opponents, coaches and officials is a critical part of the environment that is created and it covers several different aspects of sportsmanship and fair play. This initiative will encourage a change in culture as to what is considered to be acceptable/unacceptable body checking and competitive contact at all levels of play.

The following is not designed to replace our current rules/definitions, but instead is intended to clarify and update the existing rules/ definitions to emphasize the key points to more clearly outline what is deemed acceptable and unacceptable behavior. Video examples can be found online at usahockey.com/declaration. Please review the materials thoroughly so you can play a positive role in making our game safer.

Competitive Contact

Competitive Contact – competitive contact is body contact between two or more skaters who are in the immediate vicinity of the puck and who are in the normal process of playing the puck. These skaters are reasonably allowed to lean into each other provided possession of the puck remains the sole object of the contact.

Competitive contact is encouraged in all age classifications of play within USA Hockey and provides the foundation for the skills necessary to advance to Body Checking classifications. Acceptable examples of competitive contact include:

Angling is a legal defensive skill used to direct/control the puck carrier to an area that closes the gap and creates an opening that is too small for the puck carrier.

Physical Engagement is when two players who are in pursuit of the puck are allowed to reasonably lean into each other provided that possession of the puck remains the sole objective of the two players.

Collisions occur when players are allowed to maintain their established position on the ice. A player shall not be penalized if the intention is to play the puck and in so doing causes a collision with an opponent. No player is required to move out of the way of an oncoming player to avoid an impact.

Body Checking

A body check represents intentional physical contact, from the front, diagonally from the front or straight from the side, by a skater to an opponent who is in control of the puck. The opposing player's objective is to gain possession of the puck with a legal body check and NOT to punish or intimidate an opponent.

Legitimate body checking must be done only with the trunk of the body (hips and shoulders) and must be above the opponent's knees and at or below the opponent's shoulders. The use of the **hands, forearm, stick or elbow** in delivering a body check is unacceptable and not within the guidelines of a legal body check.

The primary focus of a body check is to gain possession of the puck and proper body checking technique starts with **stick on puck**, therefore the stick blade of the player delivering the check must be below the knees.

USA Hockey reminds coaches and players that these requirements are the responsibility of the player delivering the body check. Under no circumstance is it acceptable to deliver a body check to a **vulnerable or defenseless** opponent, an opponent who is not in control of the puck or to use the hands, stick, forearm or elbow in delivering a check to an opponent.

Vulnerable or Defenseless – a skater is considered to be in a vulnerable or defenseless position when unaware, unprepared, or unsuspecting of an impending hit.

Infractions that occur as a result of a body check delivered to a vulnerable or defenseless player must be penalized under the boarding, charging, checking from behind, head contact or roughing rules. When done in a dangerous, careless or reckless (*unacceptable*) manner where the player delivering the check has made no effort to play the puck, the **major plus game misconduct or match penalty** provisions of these rules must be assessed.

When two or more players are **physically engaged** for control of the puck along the boards, they are considered to be **vulnerable or defenseless**. Any body check delivered by a skater to an opponent who is **physically engaged** with another skater is considered dangerous, careless or reckless (*unacceptable*) and must be penalized accordingly.

Late Avoidable Body Check – any avoidable check delivered to a player who is no longer in control of the puck. An avoidable check is when the player delivering the

check has an opportunity to avoid contact or minimize contact, once it is realized the opponent no longer has control of the puck.

The concept of “finishing the check” is an unacceptable action as it is one that is meant to intimidate or punish the opponent with no intent to gain possession of the puck. The responsibility is on the player delivering the check to avoid forceful contact (*minimize impact*) to a **vulnerable or defenseless** player who is no longer in control of the puck.

COMPETITIVE CONTACT CATEGORY

Non-check hockey does not mean no contact and the Competitive Contact Category game can be very physical. **USA Hockey strongly encourages legal competitive contact to occur in all age classifications as part of the skill progression that teaches legal body checking.**

When determining whether a body check has occurred, the official must focus on whether the player is attempting to play the puck and whether there is any overt hip, shoulder or forearm action used to initiate contact and separate the opponent from the puck.

Legal **competitive contact** occurs when players are focused on gaining possession of the puck and are simply maintaining legally established body position. This most often occurs when two players are physically engaged in front of the goal or along the boards.

Legal **competitive contact** also commonly occurs when a player has established an angle on the opponent and closes the gap to create an opening that is too small for the puck carrier. Additional acceptable forms of competitive contact include:

- A skater is entitled to the ice they occupy so long as they maintain their skating speed and body position between an opponent and the loose puck.
- A skater is entitled to stand their ground and is not required to move if an opponent wishes to skate through that area of the ice.
- A skater may block an opponent so long as they are in front of the opponent and moving in the same direction.
- A skater can use their body position while maintaining their skating lane, to force an opponent to take a less direct route to the puck, so long as they do not use a hand or arm to hold or block the opponent.

BODY CHECKING CATEGORY

It is USA Hockey’s intent to create a safe environment for players to be able to develop their skills – including body checking in age appropriate classifications – while also being able to physically compete within the rules.

A player delivering a check to a vulnerable or defenseless player, who is not in control of the puck, will be assessed a penalty for roughing. Officials are to pay particular attention to these examples when applying this rule. These are intended as a guide and include, but are not limited to, the following:

- A player who is dangerous, careless or reckless (*unacceptable*) in delivering a check.

- A player who anticipates an opponent gaining possession or control of the puck but who makes contact with the opponent before possession or control occurs.
- A player who delivers a late avoidable check to an opponent who has released a shot or pass and is no longer in control of the puck.
- The use of the hands, forearm, stick or elbow in delivering a body check OR making contact with the opponent after the whistle. If contact is made above the shoulders, this action must be penalized as head contact. This includes any contact that occurs as part of a scrum situation after play has been stopped.
- Two skaters who use competitive contact for position as they skate to a loose puck are within their rights to do so, unless one uses their stick, arm, or skates to obstruct the opponent's ability to skate to the puck.

Unsportsmanlike Conduct

A bench minor penalty for unsportsmanlike conduct shall be assessed to any team whose players or team officials commit the following actions while on the players' bench:

- Banging the boards with a stick or other object, including skates or arms, after a body check regardless as to whether the check is being penalized. It is deemed to be unsportsmanlike conduct and should be penalized when done as a means of escalating dangerous and/or unnecessary physical play where there is no intent to legally gain possession of the puck.

Standard of Play and Rule Emphasis – Body Checking

Through the standard of rules enforcement, our game will continue to allow the opportunity for improved skill development and a more positive hockey environment for all participants. This initiative will result in greater emphasis on skating, puck possession and the proper use of the body to establish position and legally gain a competitive advantage.

The goal of the enforcement standard is to create an environment that enhances player skill development by reducing intimidating infractions designed to punish the opponent. This standard is designed to improve the proper skill of legal body checking or competitive contact at all levels of play and will not remove the physical component from the game. A player using a body check or competitive contact/ body position (*competitive contact categories*) to gain a competitive advantage over the opponent should not be penalized as long as it is performed within the rules. The focus of the body check must be to gain possession of the puck.

The principles of this enforcement standard include the following:

- The purpose of a body check is to gain possession of the puck.
- Proper body checking technique starts with stick on puck, therefore the stick blade of the player delivering the check must be below the knees.
- Only the trunk (*hips to shoulders*) of the body shall be used to deliver a body check.
- The check must be delivered to the trunk (*hips to shoulders*) and directly from in front or the side of the opponent.

- Players who use their physical skills and/or anticipation and have a positional advantage shall not lose that advantage provided they physically engage with the opponent within the rules.
- Players will be held accountable for acts of an intimidating or dangerous nature.
- The onus is on the player delivering the check to avoid placing a vulnerable or defenseless opponent in danger of potential injury.

Enforcement Standard – These penalties are to be called with very strict enforcement.

BODY CHECKING (*Competitive Contact Categories*)

A player cannot deliver a body check to any player while participating in a competitive contact category. Examples include:

- Making intentional physical contact with an opponent with no effort to legally play the puck.
- Using overt hip, shoulder or forearm contact with the opponent to physically force them off the puck.
- Physically impeding the progress of the opponent with hips, shoulders or torso without establishing competitive contact and making no attempt to gain possession of the puck.

BOARDING

A player cannot commit any infraction, including body checking, for the purpose of intimidation or punishment that causes their opponent to go dangerously or excessively into the boards. Examples include:

- Accelerating through the check to a player who is in a vulnerable or defenseless position off of the boards resulting in the opponent going dangerously into the boards.
- Driving an opponent excessively into the boards with no intent to gain possession of the puck.
- Any other infraction (*tripping, cross-checking, charging etc.*) that causes the opponent to go dangerously and excessively into the boards.

CHARGING

A player cannot take more than two strides or travel an excessive distance to accelerate through a body check for the purpose of punishing the opponent. Examples include:

- Running or jumping into the opponent to deliver a check.
- Accelerating through a check for the purpose of punishing the opponent.
- Skating a great distance for the purpose of delivering a check with excessive force.

CHECKING FROM BEHIND

A player cannot deliver a body check to an opponent directly from behind, or diagonally from behind. The onus is on the player delivering the check to not hit from behind.

Examples include:

- Body checking or pushing an opponent from behind directly into the boards or goal frame or in open ice.

CROSS-CHECKING

A player cannot use the shaft of the stick between the two hands to forcefully check an opponent with no portion of the stick blade on the ice. Examples include:

- When a player in front of the goal uses the shaft of the stick and extension of the arms to contact an opponent in a dangerous manner to create space.
- When a player uses the shaft of the stick and extension of the arms to contact an opponent in a dangerous manner who is protecting the puck along the boards.

HEAD CONTACT

A player cannot contact an opponent in the head, face or neck, including with the stick or any part of the player's body or equipment. The onus is on the player delivering the check, regardless as to size differential, to not make contact in the head/neck area of the opponent. Examples include:

- When a body check is delivered with any part of the body that makes direct contact with the head or neck area.
- Use of the forearm or hands to deliver a check to the head or neck area of the opponent.

KNEEING

A player cannot lead with or extend their knee outwards for the purpose of making contact, or attempting to do so, with the opponent. Examples include:

- Extending the leg or knee to make direct leg-on-leg contact with the opponent.
- Extending the leg or knee while executing an oncoming body check where the primary point of contact is the opponent's knee or leg.

ROUGHING

A player cannot use the hands, stick or extension of the arms to body check an opponent or deliver a late body check to a player who is not in control of the puck. Examples include:

- Intentionally physically engaging with an opponent who does not have possession or control of the puck or when there is no effort to gain possession of the puck.
- Delivering a late check to a player who has already relinquished control of the puck by a pass or shot. This is oftentimes referred to as "finishing" the check.
- Any avoidable contact after the whistle shall be penalized strictly, including scrum situations around the goal or along the boards. Officials are instructed to assess an additional penalty to those players acting as the aggressor or who instigates any contact after the whistle.

SUMMARY

All USA Hockey members must demonstrate awareness and support for the application, spirit and the respect of the rules in order for continued improvement in the game of hockey. At the same time, it is important to remember that:

- A player is entitled to use proper body position and competitive contact in all age classifications in order to gain a competitive advantage.
- Players are allowed to physically engage with an opponent using their strength and balance as long as their primary focus is to gain possession of the puck.
- In classification where body checking is allowed, the focus of the body check must be to gain possession of the puck.
- Proper body checking technique starts with stick on puck, therefore the stick blade of the player delivering the check must be below the knees.

STANDARD OF PLAY AND RULE EMPHASIS – RESTRAINING FOULS

Through the standard of rules enforcement, our game will continue to allow the opportunity for improved skill development and a more positive hockey environment for all participants. The mission of USA Hockey is clear, through this initiative a greater emphasis will be placed on skating, puck possession and proper use of the body to establish position and a competitive advantage.

The goal of the enforcement standard is to reduce restraining infractions in the game and not to remove legal body checking or competitive contact. A body check or using competitive contact/ body position (*competitive contact categories*) to gain a competitive advantage over the opponent should not be penalized as long as it is performed within the rules.

The principles of the continued enforcement standard include the following:

- The use of the stick will be limited to only playing the puck, and therefore, the stick blade should be below the knees when involved in any physical engagement.
- The stick will not be allowed to in any way impede a player's progress.
- The use of a free hand/arm will not be allowed to grab or impede a player's progress.
- Players who use their physical skills and/or anticipation and have a positional advantage shall not lose that advantage as a result of illegal acts by the opponent.
- Players will be held accountable for acts of an intimidating or dangerous nature.

Enforcement Standard – These penalties are to be called with very strict enforcement.

HOOKING

A player cannot use their stick against an opponent's body (*puck carrier or non-puck carrier*) to gain a positional advantage. Examples include:

- Using the stick to tug or pull on the body, arms or hands of the opponent which causes the space between the players to diminish.
- Placing the stick in front of the opponent's body and locking on – impeding the opponent's progress or causing a loss of balance.

- Placing the stick on the hand/arm that takes away the ability for the opponent to pass or shoot the puck with a normal amount of force.

TRIPPING

A player cannot use their stick on the legs or feet of an opponent in a manner that would cause a loss of balance or for them to trip or fall. Examples include:

- Placing the stick in front of the opponent's legs for the purpose of impeding progress, even if on the ice, with no effort to legally play the puck.
- Placing the stick between the legs of the opponent (*can opener/corkscrew*) that causes a loss of balance or impedes the progress of the opponent.

HOLDING

A player cannot wrap their arms around an opponent or use a free hand to clutch, grab or hold the stick, jersey or body on the opponent in a manner that impedes their progress. Examples include:

- Wrapping one or both arms around the opponent along the boards in a manner that pins them against the boards and prevents them from playing the puck or skating.
- Grabbing the opponent's body, stick or sweater with one or both hands.
- Using a free arm/hand to restrain or impede the opponent's progress.

INTERFERENCE

A player cannot use their body ("pick" or "block") to impede the progress of an opponent with no effort to play the puck, maintain normal foot speed or established skating lane. Examples include:

- Intentionally physically engaging with an opponent who does not have possession or control of the puck.
- Using the body to establish a "pick" or "block" that prevents an opponent from being able to chase a puck carrier.
- Reducing foot speed or changing an established skating lane for the purpose of impeding an opponent who is in pursuit of the puck.

SLASHING

The use of the stick will be limited to only playing the puck. Any stick contact, as a result of a slashing motion, to the hands/ arms or body of the opponent will be strictly penalized. In addition, hard slashes to the upper portion of the stick (*just below the hands*) of an opponent, with no attempt to legally play the puck, shall also be penalized.

SUMMARY

All USA Hockey members must demonstrate awareness and support for the application, spirit and the respect of the rules in order for continued improvement in the game of hockey. At the same time, it is important to remember that:

- Players are entitled to the ice they occupy as long as they are able to maintain their own foot speed and body position between opponent and puck.
- Players are allowed to physically engage with an opponent using their strength and balance as long as their primary focus is to gain possession of the puck.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Affiliate Organization at its address as it appears on the records of AHAI, with postage thereon prepaid. If by electronic delivery, such notice shall be deemed to be delivered when transmitted by the designated AHAI representative to the electronic delivery address provided by the Affiliate Organization to the AHAI Registrar through that Organization’s most recent registration data.

Notice of any Special Meeting may be waived either by a writing signed by an officer of the Affiliate Organization (*on behalf of the Members of such Affiliate Organization*), or by an electronic communication sent by that officer to the AHAI Registrar, either before, during or after the meeting. Attendance of an authorized officer or authorized proxy of an Affiliate Organization at any meeting will constitute a waiver of notice of such meeting, except where the authorized officer or proxy of an Affiliate Organization attends the meeting solely for the express purpose of objecting to the transaction of any business.

4.5 QUORUM - No action may be taken at any Members Meeting in the absence of a quorum. Forty (40%) percent of the Affiliate Organization teams eligible to vote shall constitute a quorum at any Members Meeting; provided, that if less than 40 percent of the voting Affiliate Organization’s teams are represented at a meeting, a majority of the Affiliate Organization’s actually represented there may adjourn the meeting from time to time without further notice.

4.6 VOTING RIGHTS AND PROCESS - Each Affiliate Organization shall be entitled to one vote for each team registered with AHAI by that Organization for the immediately preceding “Regular Season” as defined by USA Hockey, with such votes to be cast upon each matter submitted to vote at a Members Meeting. Every Affiliate Organization’s vote shall be cast by the representative of the Affiliate Organization listed on the official AHAI Registration Form utilized for that meeting, provided that this Affiliate Organization authorized representative shall be either: (a) the President of that Affiliate Organization; or (b) the “proxy”, who shall be associated or affiliated with that Affiliate Organization and also designated in writing as that Organization’s representative no later than the registration by that Affiliate Organization at the start of the meeting. In the event of a virtual meeting, to be valid the written proxy must be provided by e-mail to the AHAI Registrar. Except as set forth above, no proxy voting shall be permitted.

4.7 VOTING. The affirmative vote of the majority of the Affiliate Organization teams which cast a vote on any matter submitted to a vote shall constitute the passage and adoption of the matter, unless otherwise provided in these Bylaws.

4.8 VOTING DISPUTES - At any Members Meeting, any question or dispute relating to the validity or result of any vote shall be submitted at that meeting to the incumbent AHAI Board for a determination, and the decision of the majority of the Board present, provided a quorum of the Board is present, shall be binding on all parties.

4.9 PARTICIPATION - Affiliate Organizations may participate in a Members Meeting by means of an electronic media format approved by the Board, which may include but is not limited to conference telephone, video conference or interactive or other similar communication equipment, provided that all persons participating in the meeting can hear each other. Participation in a meeting in this manner shall constitute presence in person at the meeting. Every vote cast by an Affiliate Organization's authorized representative who participates in a meeting by electronic means shall have the same force and effect as if that authorized representative had been physically present at the meeting.

4.10 ACTION WITHOUT A MEETING - Any action required to be taken or which may be taken at a Members Meeting may be taken without a meeting if such a procedure is consented to in writing by a majority vote of the Members, voting through their Affiliate Organization pursuant to Section 4.6, or such larger number as required by the AHAI Articles of Incorporation or these Bylaws. Such written consent must be evidenced by approval obtained through a written ballot distributed to every Affiliate Organization entitled to vote. Ballots may be distributed by mail, email or any other electronic means at the discretion of the AHAI President or the AHAI Board. The quorum requirements of Section 4.5 shall be applied as if such action had been taken at an actual meeting. Voting must remain open for at least five (5) days from the date the ballot is delivered. The ballot must set forth the action to be taken. The ballots and the outcome must be delivered to the Secretary of AHAI and filed in the corporate records.

4.11 ELECTION OF BOARD AT ANNUAL MEETING - Five (5) directors shall be elected annually at the Annual Meeting. Affiliate Organizations shall vote for up to five (5) individuals from the list of nominations submitted by the Nominating Committee under the Committee's procedures set forth in the Board's Rules & Regulations. The votes of the Affiliate Organizations shall be counted by members of the Nominating Committee and overseen by an AHAI officer. The top five (5) individuals garnering the most votes shall be elected as directors of the Board

ARTICLE 5 DIRECTORS

5.0 GENERAL POWERS - The business and affairs of AHAI shall be managed by the Board of Directors.

5.1 SPECIFIC POWERS - The Board, in its discretion and consistent with these Bylaws and/or the AHAI Rules and Regulations, shall in all matters act in the best interests of amateur hockey in the State of Illinois. The Board shall have the authority to make decisions, and to develop, implement and enforce rules, policies, procedures, incentives and penalties, that advance such interests.

5.2 EMERITI DIRECTORS - The Board shall have the authority to name, at its discretion, one or more Emeritus Directors (*collectively, "Emeriti"*) as an honorary designation in recognition of outstanding service to AHAI. Such Emeriti shall be non-voting members of the Board. Emeriti shall be eligible for appointment to all committees by the President, in his sole discretion. The Board by majority vote shall have the ability to remove any Emeriti at any time, for any reason. Emeriti shall otherwise hold that position for life.

5.3 NUMBER, TENURE AND QUALIFICATIONS OF DIRECTORS - There shall be fifteen (15) Directors on the Board. The Directors shall be elected by the Members in accordance with Article 4 of these Bylaws. Five (5) directors shall be elected annually. Each such elected director shall hold office for three (3) years and until their successors have been elected and qualified, or until their death, resignation or removal. Each director must be legally competent. Each Director must be a member in good standing of USA Hockey, and must be in complete compliance with all USA Hockey mandates then in effect.

5.3.1 In the event of a vacancy by death, resignation or removal of a Director, the AHAI President shall appoint a new director to fill the unexpired term of that Director.

5.3.2 In addition to the 15 Directors and any Emeriti, the following non-voting observational members shall be considered to be members of the Board: the immediate past president of AHAI, the Executive Director of AHAI, and all AHAI district representatives to USA Hockey.

5.4 REMOVAL OF DIRECTORS - A director may be removed during that director's term in office only through one of the following processes: by a two-thirds vote of the Members with the vote taken pursuant to Article 4 of these Bylaws, either at the Annual Members Meeting or at a Special Meeting called pursuant to these Bylaws or by a two-thirds vote of the voting Board of Directors. Any member subject to such a removal vote shall not be allowed to vote. Abstained votes shall not be counted in determining if two-thirds has been met.

5.5 BOARD MEETINGS - In the discretion of a majority of the Board of Directors, any Board Meeting may be held by a virtual meeting through existing technological means.

5.6 REGULAR MEETINGS - A regular meeting of the Board shall be held without other notice than this Bylaw, immediately after, and at the same place as, the Annual Meeting of the Members. Each year, the Board shall also meet once each month during the months of January through June, August through November, and if deemed necessary by the President or the Board, in December. The President or a majority of the Board may provide, by resolution, the time and place, for the holding of other Board meetings without notice other than such resolution.

5.7 SPECIAL MEETINGS - Special meetings of the Board may be called by the President or by a majority of the Board. The person or persons calling the special meeting shall fix the time and method for holding that special meeting.

5.8 NOTICE OF SPECIAL MEETINGS - Notice of a special meeting shall be given by in writing by United States mail or electronic delivery delivered to each director at the mailing address or electronic delivery address provided by each director to AHAI from time to time. A director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where such director attends the meeting solely for the express purpose of objecting to the transaction of any business.

5.9 QUORUM - A majority of the number of directors then holding that position constitutes a quorum for transaction of business at a meeting of the Board. If less than a majority of such number of directors is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

5.10 VOTING - The affirmative vote of a majority of the directors present at a meeting at which a quorum exists shall be the act of the Board. The manner of how votes are cast on an issue presented for vote shall be determined by the President or by a majority of the Board. Unless the Board determines otherwise on any particular issue called to a vote, the manner of such voting by the directors shall be by either: (1) by secret written ballot, (2) by oral roll call, (3) by a show of hands, or (4) by oral "call out" of those in favor, those opposed, or those abstaining. All non honorary directors shall be entitled to vote on any issue called for a vote, including the person holding the office of President.

5.11 PARTICIPATION - Directors may participate in a meeting of the Board by means of a conference telephone, audio or video equipment or similar communication equipment whereby all persons participating in the meeting can hear each other, and participation in a meeting in this manner shall constitute presence in person at the meeting. Every vote cast by a director who participates in a meeting by electronic means shall have the same force and effect as if that director had been physically present at the meeting.

5.12 BOARD ACTION WITHOUT A MEETING - Any action which may be taken at a formal meeting of the Board may be taken without a formal meeting, but only if taking such action is consented to by an affirmative vote of no fewer than eight (8) of all of the voting members of the Board, being cast within 48 hours of submission of the question to the Board. In the absence of an affirmative vote of no fewer than eight (8) of all of the voting members of the Board, no action may be taken until the next regular Board meeting. Such consent may be obtained by electronic means. Such consent must be evidenced by ballot distributed to all voting directors. Such ballots may be distributed by mail, email or any other electronic means. The ballot seeking such consent must call for two votes on each issue so submitted: first, for consent to take such action without a formal meeting, and second for that director's vote on the issue presented. The votes submitted on the merits of the issue presented shall only be considered where the necessary number of votes to take action without a formal meeting have been obtained; otherwise, such votes on the merits of the issue shall be deemed null and void.

5.13 OTHER DUTIES - Appeals from decisions by any of the committees established pursuant to Article 7 of these Bylaws shall proceed pursuant to such Rules and Regulations as are adopted by the Board. To the extent feasible, the Board shall attempt to resolve any disputes within AHAI, among the Affiliate Organizations, and/or the Members.

5.14 LEGAL CONTROL GROUP - Unless otherwise determined by the Board as to a particular matter, all directors, including Emeriti and non-voting observational directors, shall at all times be deemed to be in the "Control Group" of AHAI's top level management, as that term is used by the Illinois courts in determining the scope of corporate attorney-client and work product privilege rights.

6.1 ELECTION AND TERM OF OFFICE - The officers of AHAI shall be elected by the Board at the board meeting held immediately after the Annual Meeting of the Members. If the election of officers shall not be held at that time, then the election of officers shall be held as soon thereafter as is possible. Vacancies may be filled by the Board at any board meeting. Each officer shall hold office until that officer's successor shall have been duly elected or until death or resignation; or until that officer shall have been removed in the manner hereinafter provided.

6.2 REMOVAL - Whenever, in the Board's sole judgment, the best interests of AHAI would be served thereby, an officer may be removed by a two-thirds vote of the entire number of board members then on the Board.

When so acting, the Vice-President shall have all the powers of and be subject to all the restrictions upon the President. In the event that the office of President has become vacant, the Board at its next regular meeting shall elect a person to serve the remaining term.

6.5 THE TREASURER - The Treasurer must be a Director at all times while holding that office. If required by the Board, the Treasurer shall give a bond for the faithful discharge of his/her duties in such sum and with such surety or sureties as the Board shall determine. The Treasurer shall: (a) have charge and custody of and be responsible for funds and securities of AHAI; (b) receive and give receipts for moneys due and payable to AHAI from any source whatsoever; (c) deposit all such moneys in the name of AHAI in such banks, trust companies and other insured depositories as shall be selected in accordance with these Bylaws; and (d) in general perform all the duties incident to the office of the Treasurer and such other duties as from time to time may be assigned by the President or the Board.

6.6 THE SECRETARY - The Secretary must be a Director at all times while holding that office. The Secretary shall: (a) be custodian of the corporate records and of the seal of AHAI, and see that the seal of the corporation is affixed to all documents, the execution of which on behalf of the corporation under its seal is duly authorized in accordance with the provisions of these Bylaws; (b) in general perform all duties incident to the Office of the Secretary; and (c) perform such other duties as from time to time may be assigned him/her by the President or the Board.

6.7 THE REGISTRAR - The Registrar shall be chairperson of the registration committee and shall: (a) be responsible for the registration of teams, players, coaches, managers, tournament/travel permits as directed by the Board or by the Rules and Regulations; (b) keep records of all registrations and memberships; (c) keep a register of the post-office address of each Member; (d) "certify" eligible voting Member teams; (e) "certify" those Affiliate Organizations eligible for State Tournaments; (f) implement procedures to coordinate registration activities with USA Hockey; (g) in general perform all duties incident to the office of the Registrar and such other duties as from time to time may be assigned him/her by the President or the Board. Nothing in this Bylaw shall relieve any Affiliate Organization of the responsibility to submit a roster that is true and correct and complies with these Bylaws and the Rules and Regulations.

6.8 EXECUTIVE DIRECTOR - The responsibilities of the Executive Director are to oversee the day-to-day operations, growth and well-being of the organization and of amateur hockey in Illinois. Duties include but are not limited to: Generating revenue via corporate sponsorships, marketing and branding of AHAI; establishing and overseeing programs; managing the overall communications plan of the organization; and any other duties as assigned by the AHAI Board of Directors through the AHAI President. The Executive Director shall: (a) keep the minutes of the Board meetings and of the Members Annual Meeting; and (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law.

6.9 LEGAL CONTROL GROUP - Unless otherwise determined by the Board as to a particular matter, all officers shall at all times be deemed to be in the "Control Group" of AHAI's top level management, as that term is used by the Illinois courts in determining the scope of corporate attorney-client and work product privilege rights.

ARTICLE 7 COMMITTEES

7.0 STANDING COMMITTEES - The President shall annually appoint the members and the chairperson of the following standing committees: Tournament, Suspension Review, Nominating, High School, Tier I, Tier II, Rules and Ethics, Girls Hockey, and Appeals Committees; provided, however, every person named as the chairperson of these standing committees named above must be a voting director on the Board. Any person serving on those committees who is not a chairperson need not be a director on the Board. The responsibilities of each standing committee shall be established by the Board in the Rules and Regulations.

7.1 GENERAL COMMITTEES - The President shall establish such other committees as are deemed necessary or appropriate to the efficient conduct of AHAI's affairs. The President shall appoint the members and the chairperson of such committees on an annual basis for so long as those committees are in operation. The chairperson of such committees need not be a member of the Board.

7.2 COMMITTEE MEETINGS - Any AHAI director has the right to attend any meeting of any AHAI committee. Unless otherwise determined by the AHAI President, Board, or Chairperson of the subject committee, all AHAI committee meetings shall be "open" meetings, at which attendance by an AHAI or Affiliate Organization director, officer, employee, agent, or Member is welcome. Notwithstanding that, any committee meeting may be deemed a "closed" meeting at which attendance is limited to the AHAI directors and the committee's own members, in the sole discretion of the AHAI President, Board, or Chairperson of the subject committee. The committee chairperson shall make a good faith effort to provide notice of every "open" committee meeting no less than 48 hours prior to the meeting, by reasonably available means.

ARTICLE 8

CONTRACTS, LOANS, CHECKS AND DEPOSITS

8.0 CONTRACTS - The Board may authorize any officer(s) or agent(s) to enter into any contract or execute and deliver any instrument in the name and on behalf of AHAI, and such authority may be general or confined to specific instances.

8.1 LOANS - No loans shall be contracted on behalf of AHAI and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board. Such authority may be general or confined to specific instances.

8.2 CHECKS, DRAFTS, ETC. - All checks, drafts or other orders for the payment of money, notes, or other evidences of indebtedness issued in the name of AHAI, shall be signed by such officer(s) or agent(s) of AHAI and in such manner as shall from time be determined by the Board.

8.3 DEPOSITS - All funds of AHAI not otherwise employed shall be deposited from time to time to the credit of AHAI in such banks, trust companies or other insured depositories as the Board may select.

8.4 FINANCIAL OBLIGATION SATISFACTION - No Member or persons in a Member's immediate family shall be permitted to change their AHAI or Affiliate Organization, and also may be subject to suspension, until they have satisfied every outstanding financial obligation to their "old" team or association. This applies to but is not limited to all youth, girls, high schools, and adults Members. AHAI will not act as a collection agency for outstanding financial obligations owed by a Member to an Affiliate Organization. All responsibility for collection of outstanding financial obligations for the Affiliate Organization lies with the applicable Affiliate Organization. However, AHAI, through the Rules & Ethics Committee, will enforce its Bylaws and Rules and Regulations and impose a suspension for failure to satisfy any financial obligations based upon the following guidelines:

- 8.4.1** there must be written communication from the Affiliate Organization to the obligor-Member;
- 8.4.2** collection activity must be for a prior or the current season;
- 8.4.3** the Affiliate Organization must have taken steps to collect the amounts due during the season in which such amounts were due. AHAI will not be involved if the Affiliate Organization allowed the obligor-Member to play the entire season in which the financial obligation was due and only attempted to collect such amounts after the season was completed or allowed the obligor-Member to register and play for a subsequent season;
- 8.4.4** if the obligor-Member fails to respond, AHAI may suspend the entire family until the obligation has been satisfied.

8.5 ANNUAL AUDIT - An audit will be conducted at the conclusion of each fiscal year and will be available for inspection by any Affiliate Organization upon request.

ARTICLE 9

FISCAL YEAR

9.0 The fiscal year of AHAI shall begin on the first day of June in each year and end on the last day of May in each year.

ARTICLE 10 SEAL

10.0 The Board may provide a corporate seal which shall be in the form of a circle and shall have inscribed thereon the name of AHAI and the words "Corporate Seal, Illinois". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

ARTICLE 11 WAIVER OF NOTICE

11.0 Whenever any notice is required to be given under the provisions of the Articles of Incorporation of AHAI or under the provisions of the General Not-For-Profit Corporation Act of the State of Illinois, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

ARTICLE 12 DISPUTES

12.0 Resolution of Disputes, Exclusive Remedy.

12.0.1 Primacy of USA Hockey Dispute Resolution Procedures. To the extent that USA Hockey has adopted formal Dispute Resolution Procedures in its Bylaws, Rules or Policies, those procedures shall take precedence over and supersede the provisions of this Article 12 to the extent of any inconsistency between them.

12.0.2 Scope of Procedure and Purpose. Because AHAI is a not-for-profit organization whose vital services are provided largely by volunteer efforts, AHAI has established Article 9 and Article 10 of the Rules and Regulations (*collectively, the "AHAH Dispute Resolution Procedure"*) to provide an efficient, orderly and uniform method of resolving every controversy, question or dispute regarding or having any impact on amateur hockey, any applicant and/or actual Members, Teams, Affiliate Organizations, AHAI, the Board and/or any director or committee thereof (*collectively referred to as a "Dispute"*). It is the further purpose of the AHAI Dispute Resolution Procedure to provide an administrative procedure that is a full, complete and exclusive remedy and substitute for any and all court or other formal legal proceedings regarding any Dispute.

12.0.3 Submission to the Dispute Resolution Procedures. Every person and entity within the jurisdiction of AHAI, including, but not limited to, every Member, coach, official, referee, parent, guardian, agent or any other person; and every Affiliate Organization, league, team, club, sponsor, facility or any other group or organization (*collectively referred to as "Person" or "Entity"*) by virtue of their membership, application for membership, affiliation or participation, at any time, in any program or event taking place under the authority of AHAI as the USA Hockey State Affiliate for Illinois, agrees to submit exclusively to the AHAI Dispute Resolution Procedure and the Dispute Resolution procedures contained in the Bylaws, a Rules and Regulations of USA Hockey as the sole and exclusive remedy of all Disputes, and to forego any remedy in any court of law or equity, and to refrain from initiating any legal proceedings regarding the matters expressly or implicitly covered by the Dispute Resolution Procedures.

- 12.0.4 No Circumvention of Dispute Resolution Procedures.** No Person or Entity shall attempt to circumvent the Dispute Resolution Procedures. Any attempt to circumvent the Dispute Resolution Procedures shall not diminish or alter the requirements or authority for the exclusive use of the Dispute Resolution Procedures concerning all Disputes as a full, complete and exclusive substitute for any and all court, mediation, arbitration or other proceedings. In addition, failure to participate to the fullest extent possible in the Dispute Resolution Procedures concerning any Dispute shall be deemed a failure to exhaust the available administrative remedies and AHAI shall have the power to assess costs, impose fines and/or disciplinary action (*including suspension*) and other sanctions, in accordance with these Bylaws and the Rules and Regulations. "Costs" shall include the time of AHAI personnel and, in the event such person is a volunteer, such costs shall include the expense of what it would have cost for an individual to perform similar duties in an arm's length commercial transaction.
- 12.0.5 Failure to Follow Process.** In addition to any other sanctions available hereunder, the failure to follow and abide by the Dispute Resolution Procedures may in the sole discretion of AHAI subject every Person and Entity and any Person and Entity representing, participating with or aiding such Person and Entity, to the following:
- 12.0.5.1** Liability for any and all expenses and costs, direct and indirect, including all reasonable process costs and attorneys' fees and the value of volunteer time, incurred by AHAI, its Affiliate Organizations, teams, Members, or any of AHAI's directors, officers, or agents; and
 - 12.0.5.2** Immediate suspension and/or disqualification of such Person and/or Entity as an Affiliate Organization, team, or Member, as applicable; and forfeiture of the right to participate in AHAI and/or USA Hockey or any of their Affiliate Organizations sanctioned events.
- 12.0.6 Rules of Dispute Resolutions Proceedings.** The following rules shall control these Bylaws in any Dispute:
- 12.0.6.1** The constructions, interpretations, rulings, procedures, decisions and opinions of AHAI and/or USA Hockey (*including their directors, officers and duly authorized personnel*), being the product of specific skills, expertise and background as people experienced in hockey and sports administration matters, shall be deemed controlling and shall be deferred to;
 - 12.0.6.2** If there is any rational basis for the decision of AHAI, such decision shall be upheld; the only question shall be, did AHAI act contrary to the Bylaws, Rules & Regulations, and Policies of USA Hockey or AHAI; the

fact that another reasonable inference or interpretation could have been made will not be grounds for overruling or modifying a decision of AHAI;

12.0.6.3 Only the evidence and theories explicitly presented to AHAI for consideration in the initial Dispute and prior to the rendering of any decision may later be presented or considered in dispute resolution proceeding;

12.0.6.4 The burden of proof shall be on the party attempting to have any decision or action of AHAI reversed, modified or changed in any way, and this burden shall be either by "clear and convincing evidence", or by the equivalent of the highest degree of proof required in any civil proceedings, whichever is the more difficult standard; and

12.0.6.5 Any party not successful in overturning a procedure, ruling or other decision of AHAI in its entirety, shall pay for any and all fees, expenses and other costs of AHAI with respect to such Dispute (*including, but not limited to: attorneys' fees, process costs, document and exhibit costs, fees and expenses of consultants, experts, investigators and witnesses, and in obtaining or producing materials or evidence, the transportation and other per diem or incidental expenses of each of the foregoing and of all volunteers and the value of each volunteer's time as measured by that individual's customary work position*).

12.0.7 Mandatory. The Dispute Resolution Procedures shall be the sole and exclusive remedy for disputes with AHAI.

ARTICLE 13

INDEMNIFICATION AND INSURANCE

13.0 AHAI shall indemnify and hold harmless USA Hockey, the board of directors of USA Hockey and each member thereof, the executive committee of USA Hockey and each member thereof, the councils and committees of USA Hockey and each member thereof, and all other elected, appointed, employed or volunteer representatives of USA Hockey from any and all claims, liability, judgments, costs, attorneys' fees charges and expenses whatsoever, arising from the acts and omissions of AHAI, except to the extent: (i) that USA Hockey or its afore-described representatives caused such claims, liability, judgments, costs, attorneys' fees, charges or expenses by their own intentional neglect or default; or (ii) that such acts or omissions were the direct result of compliance with the articles of incorporation, Bylaws, rules and regulations, playing rules or decisions of the board of directors of USA Hockey; or (iii) to the extent that such claims, liability, judgments, costs, attorneys' fees, charges or expenses are covered by insurance provided by USA Hockey or by AHAI. Further, AHAI understands and acknowledges that USA Hockey and its afore-described representatives have assumed such assignment, function, office or capacity upon the express understanding, agreement and condition that they be so indemnified and held harmless to the extent described in this Bylaw. USA Hockey shall reasonably cooperate with AHAI in any litigation and provide reasonable support in connection therewith, including but not limited to advice and testimony upon reasonable request; provided, however, that such cooperation shall not require USA Hockey to incur any out of pocket expense not reimbursed by AHAI.

13.1 AHAI shall indemnify any person who was or is a party or is threatened to be made a party to any proceeding by reason of the fact that such person is or was a director, officer, employee, or agent of AHAI, against expenses (*including attorneys' fees*), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of AHAI.

13.2 To the extent that a present or former director, officer, employee, or agent of AHAI has been successful, on the merits or otherwise, in the defense of any proceeding referred to in this Section, or in defense of any claim, issue, or matter therein, then such person shall be indemnified against expenses (*including attorneys' fees*) actually and reasonably incurred by such person in connection with such proceeding if that person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of AHAI.

13.3 Sections 13.1 and 13.2 will not apply in any proceeding in which the director, officer, employee, or agent is liable for misconduct in the performance of his or her duties.

13.4 Such rights of indemnification will not be exclusive of any other rights to which such director, officer, or employee may be entitled apart from this provision.

13.5 AHAI shall have power to purchase and maintain, at AHAI's expense, insurance on behalf of AHAI and on behalf of any director, officer, employee, agent, or other person.

13.6 AHAI shall have the authority in the discretion of the Board to give other indemnification to the extent permitted by law.

ARTICLE 14 DISTRIBUTION OF ASSETS

14.0 The assets of AHAI are permanently dedicated to exempt purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1954 (*or corresponding provisions of future laws*). AHAI shall not be operated for pecuniary profit and shall have no capital stock and shall make no distribution of dividends to its members, directors, officers, or persons having a private interest in the activities of AHAI. In the event AHAI is dissolved, the Board shall pay, satisfy and discharge all liabilities and obligations of AHAI or make adequate provisions therefore and distribute all remaining assets of AHAI to an organization or organizations engaged in activities substantially similar to those of AHAI and organized and operated exclusively for charitable, educational, religious or scientific purposes as shall at that time qualify as an exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1954 (*or corresponding provisions of future laws*)

ARTICLE 15 AMENDMENTS

15.0 These Bylaws may be altered, amended, or repealed, and new Bylaws may be adopted, at the Annual Meeting or a Special Meeting of the Members as follows. A two-thirds vote in favor of the amendment is cast by the Affiliate Organizations, taken consistent with Article 4 of these Bylaws at a Members Meeting in which a quorum was present as provided in Article 4 of these Bylaws. In order for a vote on any such amendment to be held, each proposed amendment must first be submitted in writing to the President at least thirty (30) days prior to the Members meeting. No proposed amendment shall be eligible for presentation or vote at a Members meeting unless it shall have been submitted within this time

frame. The Board shall then decide whether to recommend its adoption at the next Annual Meeting or to call a Special Meeting for the purpose of consideration of amendments. The proposed amendment shall be published by the Board at least fourteen (14) days prior to such a meeting, along with the Board's recommendation on whether it should be adopted.

All players wishing to play Juniors must contact the AHAI Registrar **BEFORE** they are rostered or play on a Junior team to determine eligibility. No player may actively participate on a Junior team and be simultaneously on a Youth Team in Illinois. Any player leaving his Youth hockey team must be stricken from his Youth roster and may only return to Youth hockey in Illinois with the approval of the AHAI Board of Directors.

5.5 USA HOCKEY / AHAI PLAY DOWN RULE

- 5.5.1** AHAI Affiliate Organizations may not request AHAI to allow a player to play down an age classification to play with any Tier I Youth or Girls, or Tier II Youth or Girls team. Requests will only be considered for requests to play down on a Tier III Travel/House League C team.
- 5.5.2** An AHAI Affiliate Organization may request for a player to play down on a Tier III Travel or House League C team provided that they submit the following:
- 5.5.3** The parents or guardians of the player submit their request in writing stating the reason for the request.
- 5.5.4** Written notice by the child's physician that it is medically necessary for the child to play down.

- 5.5.5** The Hockey Director for the AHAI Affiliate Organization provides in writing their agreement of the request.
- 5.5.6** Simply being “small for their age” or “not very skilled” are not considered to be adequate reasons for granting a ‘play down’ exception, since they do not rise to the level of a disability under definitions and current court decisions about the Americans with Disabilities Act (*ADA*).
- 5.5.7** Requests granted in Spring will apply to the following Fall/Regular Season under the same conditions stated above.

5.6 RESIDENCY

- 5.6.1** General Intent of Residency Rule:
 - a.** No player may have more than one residence for the purposes of hockey.
 - b.** It is the general intent of the Rules that no player may create a residence for hockey purposes.
 - c.** No player shall attempt to "play games" with residence, nor benefit from multiple residences or a question on residence, especially for purposes of or affecting hockey.
 - d.** If a player's residence is not with parent(s) and would benefit the player for purposes of hockey, the presumption is that the player does not reside at the non- parent residence for hockey purposes.
- 5.6.2** The player shall have the burden of proving residence, and AHAI Section 5.6.1 of this Article is especially important in this context.
- 5.6.3** There are several general statements that can be made regarding residence and how AHAI will look at residency for the purpose of hockey in Illinois. In an effort to reduce the potential of any problem regarding where a Player resides for any purposes the following Rules apply:
 - a.** If the address on the roster is not the one where the Player "lives" with both parents, you must bring the matter affirmatively to the attention of the AHAI Registrar, in writing, and obtain a ruling as to where the Player resides prior to the Roster being submitted to AHAI. "Lives" for this purpose means: "eats, sleeps, attends school and performs normal daily activities from that address". This is not the definition of "reside" for Tier II purposes but is the definition AHAI uses to bring this matter to AHAI's attention. Failure to comply with this Rule may result in the suspension of the Player and/or Team and/or Organization.
 - b.** The general rule is that AHAI looks to the residency of the players' parents as the players' residency. There may be exceptions to this rule, but they must be reviewed by AHAI prior to the submission of a roster to AHAI or any League or participation in any game.

- c. Divorce may pose additional considerations as to determining residence. Divorce situations should be brought to the attention of and clarified by AHAI prior to the submission of a roster to AHAI or any League or participation in any game.

- 5.6.4 In addition, and especially where there is a question or multiple residences are involved, AHAI will also look at other facts among which is where the player actually resides for normal day-to-day activities.

5.7 UNREGISTERED ORGANIZATIONS, EVENTS, TEAMS, AND OFFICIATING

- 5.7.1 The Amateur Hockey Association of Illinois, Inc. (AHAII) is authorized by USA Hockey (USAH) as the sole governing body for all USA Hockey registered players, teams, coaches, and officials in Illinois. - f. The Tournament Director is responsible for providing to the AHAI State Registrar with a copy of the following: a listing of participating teams by division, where the games are to be played and a copy of all rules and procedures of the tournament. This information is due to the AHAI State Registrar a minimum of seven (7) days before the start of the event.
- g. The Tournament Director or site administrator does not have the authority to allow mixed or additional players on rosters. This practice will jeopardize a team's registration. All participating teams must have an official USA Hockey certified roster. Only members approved on the specific team roster may participate.
- h. Once sanctioning has been approved, the Tournament provider may NOT change the status of the event to be non-sanctioned without the written permission of the AHAI State Registrar and AHAI Affiliates. AHAI Sanctioned Leagues may not host non-sanctioned events.
- i. Sanctioned Jamborees may be hosted by an AHAI Affiliate Organization. The Affiliate Organization must notify the AHAI Registrar via email of the event including the date, location, and participating Affiliate Organizations. This notification must be made a minimum of seven (7) days before the event. All participants (*players and coaches*) must have a current USAH registration.

There are two (2) options for registering teams. The host may capture all players in their USAH Registry Portal program and create teams, or the host may require participating teams to provide a certified roster. The host may configure players from multiple USAH/AHAI Affiliate Organizations on a "team" for balanced play. The host may not configure a team of solely female players unless the event is limited to female players in which case only AHAI Affiliate Girls Organizations may host the event.

ARTICLE 11 ROSTERS

11.1 ROSTERS

No AHAI team shall practice or play any game unless it is properly registered and has an approved Official USA Hockey Certified Roster.

11.2 During the Regular (Fall) Season, a player is limited to be rostered on:

- a. One (1) USA Hockey Tier I Youth, Tier II Youth or Tier III 'B' & House 'C' roster
- b. One (1) USA Hockey Tier I or Tier II Girl's roster
- c. A player may only be rostered with one (1) High School Affiliate Organization
- d. A player may not be rostered on both, a Girls High School team, and a Youth High School team except as stated in Article 19 Section 19.9.11 specific to Girls High School Goaltenders

11.3 Tier I Youth, Tier I Girls, and Tier II Girls (14U, 16U, 19U) who sign player cards are bound to the Affiliate Organization and team within the Affiliate Organization for the duration of the regular fall/winter season and may NOT move to or be rostered on any other Affiliate Organization's team. Removing a player from the regular fall/winter season roster DOES NOT enable a player to join a second team during the same regular fall/winter season.

11.4 All Affiliate Organizations including Tier I Youth, Tier I Girls, Tier II Youth, Tier II Girls, and High School Teams must register their teams by the date of the playing season set out in these Rules and regulations.

11.5 All Learn to Skate, Learn to Play, Tier III 'B' & House 'C' Teams, Women's Teams, and Adult Teams must comply with these Rules and Regulations.

11.6 It is the responsibility of each Affiliate Organization/AHAI team and member to submit a correct roster which complies with the AHAI By-Laws, Rules, and Regulations. It is important to clarify, clear up, and obtain a ruling on any roster question or fact that may cause someone to question a roster prior to submitting a roster to AHAI or any League or participation in any game, even if it is believed to have been resolved.

11.7 If there is any question about a roster, or there is information that may cause anyone to doubt or question the residence or any matter concerning the roster, the Affiliate Organization/team and member has an affirmative obligation to bring the matter to the attention of the AHAI Registrar, and obtain a ruling in writing, prior to submitting a roster but in no event later than immediately after the question or fact is known to the Affiliate Organization, AHAI team and/or member. It is not the responsibility of AHAI to initiate the review of nor initially review rosters but rather the responsibility of the Affiliate Organization/team and member to submit a true and correct roster.

11.8 AHAI will review any roster question brought to its attention in accordance with the AHAI By-Laws, Rules, and Regulations. It is also the responsibility of each Affiliate Organization/team and player to be familiar with, and comply with all AHAI By-Laws, and these Rules and Regulations.

11.9 After a Member is certified to a roster they cannot be removed from that roster. Any modification to an approved roster must be approved by the AHAI Registrar prior to removal of the member.

11.10 Any AHAI team whose roster is found to be improper for failure to comply with the requirements of the AHAI By-Laws, or these Rules and Regulations shall be declared to be an "Improper Team" by the AHAI Registrar and referred to the Rules and Ethics Committee for other appropriate action.

The AHAI Rules and Ethics Committee shall consider, but is not limited to considering, the following sanctions where appropriate:

- a. All previous games played against other AHAI teams shall be forfeited and the improper AHAI Team shall not be eligible to play in any AHAI League end-of-season or State Playdown which may or may not lead to the USA Hockey Districts or Nationals Championship for the current Playing Season and no player appearing on an Improper Team roster may be added to any AHAI Team roster the following Playing Season except on appeal to the AHAI Board of Directors.

11.11 Roster Maximums

- 11.11.1** A limit of twenty (20) players at any one time may be registered per team except for
 - 1) High School, Girls High School, College and Women's College which may roster thirty (30) players and may dress twenty (20) players;
 - 2) Adult & Women's teams which may roster twenty-five (25) players and may dress twenty (20) players; and
 - 3) Tier I Youth teams at the 18U, 16U and 15O Age Classifications and Tier I Girls 19U Age Classification which may roster and dress twenty-two (22) players, of which not more than twenty (20) shall be skaters.
- 11.11.2** A Member may be registered in only one (1) National Ice Hockey Federation.

11.12 Roster Minimums

- 11.12.1** Youth and Girls teams must consist of a minimum of at least twelve (12) players including goaltenders.
- 11.12.2** High School teams must have a minimum of fourteen (14) skaters and one (1) goaltender.

An Exception to this rule (*Roster Minimums*) may be considered by the respective Committee Chair.

11.13 Goaltenders

- 11.13.1** Any player on the team's Official Certified Roster may play as the goaltender provided, they are approved on the Official USAH Certified roster in any position other than a Back-Up Goaltender (*BUG*). Goaltenders, except for a BUG, may be skaters on the team.

- 11.13.2** All AHAI Youth and Girls teams must register with two (2) designated goaltenders for their roster to be certified by the AHAI Registrar.
- 11.13.3** The regular goaltender(s) on the team must be identified on the Official USA Hockey Roster. This is done in the USAH Registry Portal. On the team's Official Certified roster, they will be designated with "G" for goaltender.
- 11.13.4** The second goaltender may be an active member of the team that will not regularly play as the goaltender. They should be identified on the roster with "IG" for Identified Goaltender.
- 11.13.5** In the case where the position of goaltender will rotate among the players, two (2) players should be selected and identified as the Identified Goaltenders (IG) for the team.
- 11.13.6** In addition to the player(s) on the Official USAH Certified Roster being identified as the goaltenders, a Back Up Goaltender (BUG) may be registered on the team as the second required Goaltender. The BUG must be a player from within the Affiliate Organization at the same Tier level and at the same playing level or below.
- (Example: The goalie on a 10U A team may be the BUG on the 10U AA team. The BUG on the 10U A team may not be a 10U AA goalie since they are from a playing level above the 10U A team).*
- 11.13.7** AHAI Tier III B or House C teams are balanced so the Back Up Goalie (BUG) on an AHAI Tier III B or House C level team may be any player from the same playing level or from a playing level beneath the team.
- (Example: A 12U Tier III B or House C goalie may be the BUG for any 12U Tier III B or House C team within the same Affiliate Organization. They may also be the BUG for any 14U Tier III or House C team within the Affiliate Organization).*
- 11.13.8** AHAI Tier III B or House C players may not serve as the Back Up Goalie (BUG) for a Tier II or Tier I team. Tier II goalies may not serve as the BUG on a Tier III B or House C or Tier I team. Tier I goalies may not serve on a Tier II or Tier III B or House C team.
- 11.13.9** Back up Goalies (BUGs) may only participate with the team in the event that the regular goalie(s) are injured or unavailable. The team must notify the AHAI Registrar or President if they will be using the BUG in a game before they play. The notification should be made by phone.
- 11.13.10** The AHAI registrar may allow an exception for goaltenders. This request must be documented and sent to the AHAI Registrar, in writing, before an exception is considered.
- 11.13.11** High School Goalie Exception
(See Article 17 – Girls & Article 19 – High School)

- 11.13.12** For Tier III B or House C only, a goaltender may be rostered on multiple teams within the same Affiliate Organization with the exception of the dedicated goalie on the Tier III Youth Prime Team who may only be on the Youth Prime Team's roster. The intent of this rule is to provide goalies for each team while respecting the Tier III philosophy of equal playing time for both games and practices.
- 11.13.13** In an emergency situation, goalies within Tier III B or House C Affiliate Organizations can be rostered as Back Up Goalies (*BUGs*) on Tier II programs it is affiliated with. This is for Affiliate Organizations with either the same ILH numbers for both Tier II and Tier III or if the Tier III Affiliate Organization is in the same affiliation Park District. This is determined by the Tier III Affiliate Organization only. The AHAI Registrar and Tier III Chair must be notified via email when a Tier III Goalie is being added to a Tier II team as a Back Up Goalie (*BUG*). The Back Up Goalie (*BUG*) may only play when the Tier II Affiliate Organization does not have a goalie available to play, and the Tier III team must take precedence for all conflicts. A Back Up Goalie (*BUG*) can play at the same level or up one (*1*) age level. The AHAI Registrar and the Tier III Chair must be notified when a team is using their Tier III Back Up Goalie (*BUG*) in a game.

11.14 TEAM AND PLAYER ELIGIBILITY

No players may be rostered or play on more than one Youth or Girls Tier I or Tier II team during the same playing season, except as specifically allowed in these AHAI Rules and Regulations.

- 11.14.1** AHAI registered teams shall NOT:
- a.** Play any Illinois team that is not a member of AHAI and USA Hockey.
 - b.** Participate in any game, practice, event, or other activity with which a person or entity suspended by AHAI and/or USA Hockey is participating or otherwise involved.
 - c.** Use any player not properly rostered to its team and may not play any team using a player not properly rostered to the team it plays.
 - d.** Participate in any event (*game, tournament, showcase, or other series of games*) that is not sanctioned by either AHAI or USA Hockey.

11.15 GAMES

Definition of a game: For the purposes of this rule, the definition of what constitutes a "game" shall include the definition of that term as found in Section VIII-A of the USA Hockey Rules & Regulations, and shall also mean the following, whichever is more expansive: A contest between two separate, rostered, teams that uses one or more Officials, is played under the applicable USA Hockey Official Rules of Ice Hockey, and a time clock is used regardless of the length of the periods.

11.16 GAME LIMITS

- 11.16.1** The intent of this rule is to increase the practice to game ratio of all AHAI affiliate teams and to emulate the introduction of the USA Hockey American Development Model (ADM).
- 11.16.2** The AHAI team game limits shall be recommended for the 2025-2026 regular fall/winter season only for High School, Tier II Youth and Girls, Tier III B / House League C teams and for Tier I Youth and Girls teams. This recommendation will be reevaluated annually.
- 11.16.3** Recommended game limits will be as follows.

8U Girls	8U	12 half ice games
<i>15 full ice games starting December 1st of each calendar year</i>		
Youth 10U	Girls 10U	40 games maximum
Youth 12U	Girls 12U	45 games maximum
Youth 14U	Girls 14U	50 games maximum
15 O		50 games maximum
Youth 16U	Girls 16U	60 games maximum
Youth 18U		60 games maximum
	Girls 19U	60 games maximum
High School		60 games maximum

- 11.16.4** It is recommended all 8U games should be 50 minutes in duration and wins and losses will not be kept along with league standings, etc.

11.17 OUT OF TIER GAME LIMITS

AHAI Tier II Youth, Tier II Girls and Tier III Travel 'B' or House 'C' teams are limited in the number of games for the current playing season, which they may participate against teams registered at a higher tier level regardless of whether those games are in Showcases, Tournaments, or otherwise.

- 11.17.1** Explanation of out of tier limits - this rule establishes a 50% limit on the number of games Affiliate Organizations may play against higher Tier Affiliate Organizations in a season. Prior to the commencement of the Illinois State Playoffs, no team is to have MORE than 50% of their games against higher Tier Affiliate Organizations. *(Example: A 10U Tier II Team that played thirty-six (36) games prior to the State Playoffs cannot exceed eighteen (18) games against Tier I Opponents,)*
- 11.17.2** Every game played in Showcases or Tournaments against a team at a higher Tier level as defined under Section 11.16 counts against the limits, regardless of how either team is registered in the Showcase or Tournament.
- 11.17.3** No Tier II or House team may participate in any Tier I or Tier II League, respectively. League Playoffs and State Tournament games are NOT included in determining maximum game counts.

- 11.17.4** Definition of a team's Tier level: A team's tier level is determined by the Division and Category designated on their USA Hockey Certified Roster.

11.18 PENALTIES

Enforcement of this rule shall be the responsibility of the AHAI State Tournament Committee. The Committee having jurisdiction, or its chairperson, acting alone if required by the circumstances, shall decide a claim that a team has violated the rule. Notwithstanding the provisions of Article 21 (*Disciplinary Action*) of AHAI's Rules & Regulations, the Committee or its chairperson is empowered to take action without holding a hearing if the time between AHAI's awareness of the alleged violation and the start of the State Tournament does not reasonably allow a hearing to be held. Violation of this rule shall disqualify the team from participating in the AHAI State Tournament. In addition, the Team's Affiliate Organization along with the Team's coaches and managers may be referred to AHAI Rules and Ethics Committee for possible further discipline.

ARTICLE 12 SAFETY

12.1 SAFE SPORT PROGRAM

The safety of its participants is of paramount importance to USA Hockey. USA Hockey SafeSport is the Organization's program related to off-ice safety. AHAI adheres to the USA Hockey Safe Sport Program. USA Hockey has long had systems in place to protect its participants from physical, sexual, emotional, and other types of abuse, and misconduct that can be harmful to youth hockey players and other participants.

- 12.1.1** These include without limitation Physical Abuse, Sexual Abuse, Screening, Locker Room Supervision, and Hazing Policies, in addition to Codes of Conduct applicable to administrators, coaches, officials, parents, players and spectators. The USA Hockey SafeSport Handbook is intended to update and collect USA Hockey's various policies to protect its participants from all types of misconduct and abuse. Information and Training can be found at USA Hockey: <https://www.usahockey.com/safesporttraining>
- 12.1.2** The USA Hockey Safe Sport Handbook addresses the following:
Policies prohibiting:
- Emotional Abuse
 - Bullying
 - Threats and Harassment
 - Hazing
- 12.1.3** Other policies included address areas where misconduct can occur and are Intended to reduce the risk of potential abuse, including the following:
- Locker Room Policy
 - Electronic Communications Policy Travel Policy
 - Billeting Policy

12.1.4 Billeting

It is recognized that some youth and junior hockey players do leave home to play hockey in a location away from their parents. In those circumstances, the organization or team typically arranges for the player to live with a host or billet family. Having youth players live outside their homes increases the risk for abuse and misconduct to occur. All organizations and teams that arrange for players to live with billet families shall have written policies and procedures in place to govern the arrangement. All billeting policies and procedures shall be provided to the player's parents in advance of placing the player with the billet and shall meet the following requirements:

- a. Billet families and the player and player's parents shall all sign an agreement with the Member Program and/or team that they will comply with the terms and conditions of the Billet Policy, the USCSS Code and the USA Hockey SafeSport Handbook.
- b. As required by the jurisdiction where the player is billeted, the player's parents shall sign and provide a power of attorney and/or guardianship (as necessary by applicable state law) to the billet family adults to allow for them to make emergency medical
- c. Each Member Program or team shall have a billet coordinator who shall be responsible for overseeing compliance with the Billeting Policy, the USCSS Code and all USA Hockey SafeSport Policies.
- d. No more than two players may be housed with any one billet family (*at the Junior level, there may be exceptions to the number of players permitted in one billet home if approved by the USA Hockey Junior Council*).
- e. Owners, coaches, team/program management and staff are not allowed to host or billet players.
- f. Minors must be placed with a billet family and may not reside in an apartment or home solely with other players.
- g. All adults living in the household of the billet family must be registered with USA Hockey, screened in accordance with the USA Hockey Screening Policy, and must complete the SafeSport Training in compliance with Section II. Proof that these requirements have been met must be received by the team's billet coordinator prior to the player moving in with the family.
- h. It is strongly recommended that all billet families be two-parent homes. However, single parent billet families may be acceptable, but the organization or team shall take additional reasonable steps to regularly monitor the billeting arrangement and its compliance with the USA Hockey SafeSport Policies.

- i. The Member Program or team shall have a mandatory curfew for all billeted players. The host family may have an earlier curfew.
- j. Players must agree to comply with the house rules of the billet families, including curfews, chores/ cleaning, telephone usage, etc. Complaints about unusual rules shall be addressed with the Member Program/team billet coordinator.
- k. Players shall not stay overnight at any other home except with the permission of the player's parents and advance notification to the billet family and Member Program or team billet coordinator.
- l. Players are not to drive billet family vehicles without automobile liability insurance as required by applicable state law, and documentation and approval of the billet family.
- m. The Member Program's/team's billeting policy shall include requirements that the billet family maintain appropriate homeowners/renters' insurance.
- n. Players living with a billet family shall be permitted to make regular check-in phone calls to parents. Team personnel and billets shall allow for any unscheduled check-in phone calls between the player and parents.

12.1.5 A USA Hockey member or parent of any member who violates any of the Safe Sport Policies or if required fails to consent to and pass a screening and background check in compliance with the Screening and Background Check Program, will be denied eligibility within any USA Hockey program and is subject to appropriate disciplinary action including, but not limited to, suspension, permanent suspension, and/or referral to law enforcement authorities.

12.1.6 Mandatory Reporting law requires that:

- a. ALL adult members of a National Governing Body (NGB) or a facility under the jurisdiction of an NGB or at any event sanctioned by an NGB, and
- b. ALL adults authorized by such members to interact with an amateur athlete, immediately report an allegation of child abuse of an amateur athlete who is a minor to: The Center for Safe Sport, and to Law Enforcement.

List of USA Hockey Safe Sport resources: <https://www.usahockey.com/resourcesanddownloads>

12.2 SCREENING

AHAI adheres to the USA Hockey National Background Screening Policy. USA Hockey Screening information link: <https://www.usahockey.com/backgroundscreen> In compliance with new requirements from the United States Olympic & Paralympic Committee (USOPC), USA Hockey has a national level background screening program.

- 12.2.1** All adult coaches, officials, board members, employees, volunteers, and anyone else who will have regular contact with, or authority over, athletes under the age of 18 are required to submit to a background screen before any such contact with those athletes.
- 12.2.2** USA Hockey has had a background screening policy in place since the 1993-94 season. The responsibility to ensure background screening took place was handled through the appropriate USA Hockey Affiliate. That will no longer be the process and instead the background screening program will be handled at the national level using NCSI. This will provide consistency, enhance USA Hockey's world-leading SafeSport program, and comply with the requirements given to USA Hockey by the U.S. Olympic & Paralympic Committee.
- 12.2.3** For members who were last screened through their Affiliate after April 1, 2019, for the 2019-20 season, their screens will be valid for the 2020-21 season and will not need to be screened under the new system until prior to the 2021-22 season. If a member's most recent screen is from prior to April 1, 2019, the member, if in a position that requires a background screen, will need to be screened using the USAH National Screening Program in order to participate in the upcoming 2021-22 season.
- 12.2.4** All new screens submitted through the NCSI national screening program after April 1, 2020, will be valid for two seasons. For example, a screen submitted and approved on April 15, 2020, will be valid through the end of the 2021-22 season, which is August 31, 2022.

12.3 CONCUSSION PROTOCOL and PLAYER RETURN TO PLAY POLICY

AHA! follows the USA Hockey protocol for concussion management found at: www.USAHockey.com/safety-concussion

In the event of a concussion of a player, the Head Coach must adhere to the USAH Concussion Policy.

- 12.3.1** The USA Hockey Concussion Management Protocol and most state statutes require that an athlete be removed from any training, practice, or game if they exhibit any signs, symptoms, or behaviors consistent with a concussion or are suspected of sustaining a concussion. The player should not return to physical activity until he or she has been evaluated by a qualified medical provider who has provided written clearance to return to sports.
- 12.3.2** Any athlete held out for concussion evaluation or who has been diagnosed with a concussion must provide a written Return to Play Form from a qualified medical provider allowing them to return to any training, practice, or game activity with no restrictions. The parent(s) must sign the form and the coach must also sign the form acknowledging that they received it.
- 12.3.3** The form must be completed and signed by a qualified medical provider. The parent(s) and coach must then sign the form. The completed should be kept with the team coach or manager.

Information and forms can be found at <https://www.usahockey.com/playersafety>

12.4 NECK LACERATION PROTECTION

USA Hockey approved legislation requiring the use of neck laceration protection for players in all age classifications, other than adults, in games and practices, as well as for on-ice officials under the age of 18, effective August 1, 2024. For clarity, the requirement includes players in the youth, girls, and junior age classifications. *(Arm bands, head bands, plain turtlenecks and mock turtlenecks are not neck laceration protectors.)*

USA Hockey has long recommended the use of cut-resistant socks, sleeves or undergarments.

USA Hockey strongly recommends the use of neck laceration protection by adult players.

Not all protective equipment is mandatory in all age classifications. However, if not mandated by USA Hockey rule, USA Hockey strongly recommends that all skaters and goalkeepers in all age classifications properly wear an internal mouthpiece, a HECC approved helmet and a HECC approved full facemask for all games and practices.

12.5 CO-ED LOCKER ROOM POLICY

It is not acceptable under USA Hockey/AHAI By-Laws, Policies on Physical and Sexual Abuse for members to be observing the opposite gender while they dress/undress. In order to provide an enjoyable and safe experience for all players, please make certain that proper adult supervision is present in locker room settings at all times, including the provision for more having than one adult supervisor present in the locker room, and arrange to provide supervisors who are of the same sex as the children they are to protect. *(In the locker room means actually being inside the locker room and/or standing right outside, not at the concession stand or somewhere nearby in the lobby area).*

Please follow these Coaching Ethics Guidelines:

- a. Where possible, have the male and female players undress/dress in separate locker rooms; then convene in a single dressing room to hold the coach's pre-game meeting.
- b. Once the game is finished, hold the coach's post-game meeting; then have the male and female players proceed to their separate dressing rooms to undress and shower.

In those cases where separate facilities are not available, one gender enters the locker room and changes into their uniforms. That gender would then leave the locker room, while the other gender enters the locker room and gets dressed. Both genders would then assemble in the locker room and hold the coach's pre-game meeting.

- c. Following the game and the coach's post-game meeting, where separate facilities are not available, the second gender group enters the locker room and undresses/ showers, while the first group waits outside until they have undressed/shower and left the room. Once the second group leaves, the first group enters the locker room and undresses/ showers. This should be done on a rotating basis *(taking turns)* so neither gender is always last to dress/undress and shower. Taking turns is a means of reasonable accommodation so neither gender group is

avored. Reinforce to all players, coaches, officials, volunteers, and parents at the beginning of each season at your Member Organization's parents' meetings that your Member Organization takes this issue seriously and has adopted a fair locker room policy.

12.6 LOCKER ROOM SUPERVISION - POLICY

Under USA Hockey's current Locker Room Policy "all USA Hockey Member Programs are required to have at least one responsible [NCSI screened and SafeSport trained] adult (*which may include coaches, managers or other volunteers*) present at all times and monitoring the locker room during all team events to assure that only Participants (*coaches and players*), approved team personnel and family members are permitted in the locker room and to supervise the conduct in the locker room." While USA Hockey expressly prefers that locker room monitors remain inside the locker room while Participants are present, if the monitor is "in the immediate vicinity outside the locker room (*near the door within arm's length and so that the monitor can sufficiently hear inside the locker room*) who also regularly and frequently enters the locker room to monitor activity inside," the Member Program is in compliance.

Despite this policy, however, more than half of all SafeSport incidents reported each year occur in locker rooms. In all but a few cases, there was no locker room monitor present.

AHAI believes that the presence of adults inside the locker rooms is critical to maintaining a safe and positive environment for our players. For this reason, Illinois is joining the many states that have imposed stricter locker room monitoring requirements than those required by USA Hockey.

Effective immediately, the following conditions are **REQUIRED** of all AHAI Affiliates for locker room use at all team events including conditioning clinics, tryouts, practices, games, and any event that a locker room is being utilized:

- No players shall be allowed access to the locker room unless a NCSI background screened/Safe Sport trained locker room monitor is present in the locker room.
- If a single player is present, the locker room should be monitored by at least two adults until additional players arrive.
- If there is only one adult present, whether a coach or volunteer parent, they should wait for multiple players to arrive before allowing access to the locker room.
- The same strategies should be applied after practice with a monitor staying until the last player leaves, and at no time should one adult be alone in the locker room with one player, unless the player is their own child.

This policy applies to all minor USA Hockey Participants up through the youth 18U level and through girls 19U level. It should be noted that an Affiliate may at its discretion adopt stricter policies than those defined by USA Hockey or AHAI, but in no case may said policy be less strict.

Affiliates found in violation of this policy will be sanctioned automatically, under Zero Tolerance, in the following manner starting December 1, 2023.

1st team offense: \$500 fine to the Affiliate and one game suspension to the head coach

2nd team Offense: \$1000 fine to the Affiliate and 3 game suspension to the head coach

Any additional offenses will require the Affiliate president and coaches of the noncompliant team to appear before AHAI's Rules and Ethics Committee to determine appropriate discipline, which may include exclusion from participation in the Illinois State Tournament.

As a reminder, all Affiliates are required to publish locker room policies to the parents of all minor participants that are specific to the facilities they regularly use.

The Affiliate's policies shall include the program's:

- (a) practices for supervising and monitoring locker rooms and changing areas;
- (b) permission or lack of permission for parents to be in the locker rooms;
- (c) prohibited conduct, including at least all forms of abuse and misconduct prohibited by USA Hockey; and
- (d) specific policies regarding the use of mobile electronic devices and phones and prohibiting the use of a device's recording capabilities.

In addition to publishing these changes to AHAI's locker room policy, AHAI strongly encourages all Affiliates to go over its locker room policy with parents and players at a team meeting. At that time, the Affiliate should:

- Clearly explain the rules and expectations for players with respect to locker room activity.
- Clearly explain the rules and expectations of the locker room monitor.... including the corrective action that will be taken if necessary (*player could be benched or suspended, for example.*).
- Ensure players and parents understand the locker room monitor is there to help ensure there is a safe environment for all members of the team.

AHA! is confident that this policy change will reduce incidents of hazing, bullying, harassment, or other inappropriate behaviors caused by an unsupervised locker room. The safety and well-being of every player is and will continue to be AHAI's top priority.

12.7 LOCKER BOXING POLICY

USA Hockey is concerned with the activity known as "Locker Boxing" (*aka Helmet & Gloves*) that produces head trauma in children and young adults. USA Hockey is opposed to that activity and recommends that our Member Associations take action to prevent this activity through awareness, education, and supervision.

- 16.8.6** If a player does not have a Youth Tier II Choice available, they will be sent an email detailing the information listed above along with the link to the Youth Tier II Choice Substitution Application Process.

Notification from AHAI is to assist in the player's and their family's Choice rule knowledge. It is the responsibility of the player and family to understand and adhere to the AHAI Rules & Processes.

Each Player requesting the granting of a substitution shall clearly present the facts supporting the substitutions set out by the Board of Directors.
- 16.9.6** Decisions of the Tier II Youth Committee shall be final unless a notice of appeal form is filed as herein provided. Any person, Player, member, team, or Affiliate Organizations affected by the decision of the Committee may appeal such decision in accordance with the By Laws, and these Rules and Regulations of AHAI by filing a written notice of appeal to the President of AHAI within ten (10) days after the date that the decision appealed from has been rendered, which appeal shall be acted upon by the Appeal Committee whose decision shall be final.

The Board of Directors of AHAI shall promulgate such rules and regulations as necessary to implement the provisions of these Rules and Regulations. Such Rules and Regulations shall be in keeping with the missions and purposes of USA Hockey and the AHAI.

16.10 PLAYER SUBSTITUTION CRITERIA

The following provisions must be met for a player's Youth Tier II Choice Substitution to apply to a new Tier II Youth Affiliate organization and removed the player's choice from one of their previous Tier II Youth Affiliate Organizations.

- 16.10.4** A Player playing at the Tier II level may not substitute a choice of one Tier II Affiliate Organizations with another Tier II Affiliate Organizations, except in cases where there are practical difficulties or particular hardships in carrying out the strict application stated above. These exceptions shall apply only at each age-appropriate level. An "age- appropriate level" is the age level of the youngest age level that the Player is permitted to play.
- 16.10.5** The predicament of the Player is due to unique circumstances that were not created by the Player; If a Substitution is based on an Affiliates Rules and Ethics or any other issue, the petition must be accompanied by the Affiliates Organizations Rules and Ethics findings and supporting documents.
- 16.10.6** The purpose in requesting the substitution shall not be based exclusively upon a desire to be rostered on a team or Affiliate Organization that is perceived to be more competitive than the current AHAI Team or Affiliate Organization to which a player belongs.
- 16.10.7** The granting of the substitution furthers the goals, objectives and policies of the Amateur Hockey Association of Illinois, Inc.

- 16.10.8** The granting of the substitution must not be detrimental to Tier II travel hockey or undermining the "community-based principles" of Tier II hockey.
- 16.10.9** If a Player requests a substitution, such Player must remove a current Affiliate Organization from such Player's current Two-Choices and the choice that the Player gives up then becomes the automatic 3rd choice at the 16U level.
- 16.10.10** "Financial Hardship" is not a basis for substitution.
- 16.10.11** It is not intended that every Player must have two (2) viable options at any given time. The rule states two (2) Choices, not two (2) viable options will be had by all Players.
- 16.10.12** No additional 3rd choice or substitution shall be given to any Player in the 8U or 10U playing level without the approval of the Board of Directors or its designated representative.
- 16.10.13** If the Player and family move from the rink of the first choice which is within ten (10) miles of the home and the new residence is at twenty (20) miles or more from the prior choice, they may petition the Tier II Committee for a second choice. The two choices then become permanent until the Player reaches the 16U level.
- 16.10.14** Players staying within their two Affiliate Organization choices can relocate between those two Affiliate Organizations.

At the discretion of the Board of Directors, the substitute choice granted by the Board of Directors may be permanent or for a specific playing season.

The existing Affiliate Organization is not required to change its name except to add the word 'GIRLS' (*i.e., AHAI & AHAI Girls*). *The Affiliate Organization's By-Laws and Board may remain the same except whereas the Affiliate Organization must identify a designated Girls Representative within their Affiliate Organization's Board structure (Director of Girls Hockey).*

17.1.3.1 For purposes of clarity Girls' classifications will be designated as follows:

a. Tier I (1) & Tier II (2)

The proposed combined Girls Affiliate Organization under this rule cannot adversely affect any already established Girls’ Affiliate Organizations with sustained Girls programs/teams.

This only applies to public schools with defined borders. Private Schools do not have defined boundaries and therefore are not considered to be home schooling or online education. Players may stay eligible by carrying a full load of classes for four (4) consecutive years from their start date as a freshman with no breaks. If all criteria are met, they may be approved by the AHAI Registrar on the roster for the High School Affiliate Organization in which the public school is part of. These teams are registered as Division 2 in the USAH Registry Portal by the AHAI HS Affiliate Organization that is annually reviewed and approved by the AHAI Girls Committee.

- 17.13.12** Combined Girls High School Teams and Combined Girls High School Affiliate Organizations.

The criteria for grouping players from multiple high schools together to form a Combined Organization will be as follows:

- a. Maximizes the “Essence of High School hockey” (*based on school district, community, and geographic proximity*). The priority of an AHAI Combined Girls Affiliate Organization shall be to combine players representing High Schools within the same school district. Such schools should be within geographical proximity of one another. The Girls Committee may elect to use other measures when approving combinations.
 - b. Ensures the long-term viability of a Girls Combined Organization based on a projection of an adequate number of players each year for the foreseeable future (*viability not to be confused with competitiveness*).
 - c. All eligible players from all the Combined High Schools must be invited to participate with the teams organized by the Combined Organization. Any infractions of this rule will terminate Combined Organization status.
 - d. There is no “cutting” of players that want to participate unless approved by the Girls Committee.
 - e. Girls Combined High School Affiliate Organizations must annually submit to the Girls Committee an online a “Combined Status Form” for approval no later than June 30th of the upcoming Playing Season.
- 17.13.13** Once approved by the Girls Committee, the core high school designations may not be changed without the approval of the Girls Committee. The designation of core schools shall remain the same from season to season unless a change is approved.
- 17.13.14** All Combined Girls High School Affiliate Organizations must have a Board of Directors with at least one (1) representative from each High School that has an active player on the Combined Girls High School Team.
- 17.13.15** Girls High School Teams with more than six (6) schools within their combination are not permitted to enter the AHAI Girls State High School Tournament.
- 17.13.16** Combined Girls High School Affiliate Organizations offering spring high school teams will be limited to the same school combinations as the preceding fall season, unless an exception is granted by the Girls Committee.
- 17.13.17** A group representing players from a single High School within an existing Girls Combined HS Affiliate Organization that seeks to become a separate Pure Girls High School Affiliate Organization and Team must apply to the AHAI Girls Committee for approval prior to January 15th of the current playing season for the upcoming playing season. The AHAI Girls Committee will review, request additional documentation if warranted, and conduct interviews if deemed necessary. The AHAI Girls Committee shall submit a recommendation to the AHAI Board of Directors which will determine final approval no later than April 15th. Refer to Article 3 of the AHAI Rules & Regulations.

17.13.18 Transition

The purpose of the transition rule is to provide a process to either divide a Combined Girls High School program into separate Combined Girls High School Affiliate Organizations or re-distribute the High Schools or players to improved or more logical combinations while allowing Junior and Senior players to finish their high school eligibility with their existing Girls Combined High School Team. When the Girls Committee determines the need to alter the roster of schools in a Combined Girls High School program, the Girls Committee may at its discretion allow incoming Juniors and Seniors to opt for staying with their existing Girls High School High School Team. It is a one-time option. Once they play for the choice of Girls High School High School Team, they may not change Girls High School High School Teams. This includes incoming Juniors; they are locked to that program for the remainder of their High School eligibility unless they transfer schools, in which case, they become subject to the restrictions published in these Rules and Regulations.

17.13.19 Girls High School Varsity Player

Players selected for the Varsity high school team will be designated by the Girls High School Affiliate Organization's Registrar in the AHAI Webtool Program with a "V". Varsity players are not permitted to be rostered on a Junior Varsity team.

17.13.20 Girls High School Junior Varsity Player

A Girls High School Junior Varsity player will be designated by the High School Affiliate Organization's Registrar in the AHAI Webtool Program with a "JV".

17.13.21 Girls High School Player Movement

A Girls High School player may be dual rostered, meaning they appear on more than one roster within the same HS Affiliate Organization.

- a. Dual-rostered players must be on the team's official roster to participate with the team.
- b. The player must carry the designation of their primary team on both Official USAH Rosters. When placed on a second roster, they must carry the same primary team designation on the team to which they are dual rostered.
- c. The dual rostered players may play up in 9 league games on the non- primary team. Once they play in a tenth league game, it will lock that player to the non-primary roster for all games for the remainder of the season. They may not return to the lower-level team for ANY games, including all league and non-league, practice, scrimmage, or tournament/showcase games including the State Tournament.
- d. The player remains as a player on the primary team but is now locked to the non-primary team.

- e. The player's V/JV designation does not change on the certified roster, and the player is not removed from the primary team's roster.
- f. The primary team may not drop below the twelve (12) players and one (1) goaltender minimum roster requirements by reason of moving players up and being locked on the upper team. Games played by the upper team in violation of this rule will be forfeited and the player will be locked on the lower team.

17.13.22 It is recommended that there are two (2) goalies on each team. One goalie could be a goaltender dual rostered on the upper team. If there is only one goalie on a team, and there is not a team registered below them, a dual-rostered goalie from an upper team may only be on the lower roster as a Back Up Goalie, subject to Back-Up Goalie Rules.

17.13.23 No player may play down, except by petition if there is a crisis as determined by the AHAI Girls Committee and the AHAI Registrar. Individual leagues may be more restrictive but may not amend the rule to be less restrictive.

17.13.24 Girls High School Goalie Exception

Girls High School Goalie exception for requesting a Goalkeeper from a source outside their own Affiliate Girls High School Organization.

- a. All movement by goaltenders for a Girls High School Team from other than the school or group of schools in the case of a combined Girls High School Team must be: The result of a Girls High School Affiliate Organization claiming hardship, namely not having a goaltender for one of their Girls High School Teams. A Girls High School Affiliate Organization that has at least one goaltender for each Girls High School Team will be deemed to be a lower priority than a girl's high school team that has none. Petitions are made to the Chairperson of the Girls Committee or his/her designated coordinator. League presidents may help counsel a program in their league and advocate for them; however, the final approval is the responsibility of the Chairperson of the Girls Committee.
- b. A Combined HS Affiliate Program may not by definition cut any players, even when the program has more than two (2) goaltenders per high school team. They may council a goaltender that their playing time may be significantly less than that of the other goaltender. The goaltender then may elect to be placed into a pool of goaltenders to be placed on a girl's high school team claiming hardship. If the goaltender rejects this proposal, the original Girls Combined High School Affiliate Organization must accept and coach the goaltender even if they do not play. The goaltender must fulfill the Girls High School Team's other requirements including school attendance and payment of fees.
- c. A Girls High School Affiliate Organization that cuts a goaltender or allows a goaltender to go into the pool may not claim hardship to

- obtain another goaltender from the pool.
- d. A goaltender placed into the pool will be placed by the High School Committee Goalie Coordinator by priority:
- e. First priority will be for Girls High School Teams with no goaltender at all.
- f. Second priority will be geographic proximity to the acquiring Girls High School Team.
- g. The Girls Committee/HS Committee Goalie Coordinator will attempt to place older, more experienced goaltenders on Girls Varsity High School Teams when the conditions above are met.
- h. A goaltender who rejects their assignment will be removed from the pool and will be ineligible to be rostered on any Girls High School Team other than her original Girls High School Team to which she required no exception.
- i. Goaltenders that are cut from Pure Programs may contact the High School Committee Goalie Coordinator to be placed in the Pool.
- j. Individual Goaltenders and Girls High School Affiliate Organizations may make no side arrangements to circumvent this process. If it is found that such an arrangement took place, the girls committee may impose sanctions including removal of the Girls High School Team from the State Tournament and denial of access to future goalie pools.
- k. Girls' High School goaltenders may apply for a special exemption whereby they would be allowed for a single season to double roster on both a girl's and co-ed High School Team if it is determined by the Chairperson of the High School Committee in conjunction with the Girls Committee Chair that there is a need. That exemption would only be valid for one season and that Goaltender would not be allowed to "triple roster" on any other team including but not limited to a Tier 1 team.

17.13.25 Girls High School Back-Up Goalie Rule

Girls High School Back Up Goalie (*HS BUG*) - BUGs must be approved by the AHAI Registrar before they may be added to the Girls High School Team's USA Hockey Certified Roster.

- a. Girls High School Teams may register a Girls HS BUG under specific circumstances. A Girls HS BUG may only be registered on a Girls High School Team if there is only one Goaltender on each of the Girls High School teams. Dual rostering should always supersede the use of a Girls HS BUG as the second goaltender on a team. A goaltender that is dual rostered to a Girls High School Team is considered to be a second goaltender on the team, which is a case when a Girls HS BUG may not be added to the team.
- b. A Girls High School BUG may only be used in the case where the rostered Goalkeeper on the High School team is injured or ill. The Girls High School team must notify the AHAI Registrar

and Chairperson of the Girls Committee if they request to use the Girls High School BUG in a game. The notification can be made by phone but must be documented in writing by email and sent to the AHAI Registrar and Chairperson of the Girls Committee. The Girls High School BUG cannot be used in a game until acknowledgement is received from the Girls Committee Chairperson and/or the AHAI Registrar. This rule does not restrict any league from having rules that would require additional prior notification and approval. In that event the Girls High School Team must also get approval from the league to play the Girls High School BUG. The league may be more restrictive in the ability to play a Girls High School BUG.

17.13.26 Girls High School Bug Scenarios *(not intended to be inclusive of all scenarios).*

A High School girls' team has two teams and two goaltenders in their HS Affiliate Organization. In this case, the Girls Varsity Goaltender may be a HS BUG on the Girls JV team. The Girls JV goaltender should be dual rostered on the Girls Varsity team.

17.13.27 7th and 8th Grade Skates

Pursuant to the Rules, players and/or students not attending a High School may not participate in any Girls High School Team and/or Girls High School Affiliate Organization's activities. The following policy will allow Girls High School Affiliate Organizations to provide 7th and 8th grade students with the opportunity to participate in two (2) Girls High School hockey programs on ice activities each year, subject to the following:

- a. Each Girls high school Affiliate Organizations is limited to two (2) events per season. *(The regular season is defined as September 1 through March 31).*
- b. Each Girls High School Affiliate Organizations must provide written notice to the AHAI Girls Committee Chairperson and the AHAI Registrar of any date(s) chosen for an once 7th/8th grade event and receive approval from the AHAI Girls Committee and the High School League.
- c. Only 7th or 8th grade students are eligible to participate.
- d. Each participant must provide a written consent form executed by a parent or guardian consenting to the student participating in the event.
- e. Each participant in the event must have a current USA Hockey registration.
- f. Each participant must always wear full equipment during all on-ice activities.
- g. Current Girls High School Players/Participants and/or students are not allowed on the ice during these skates. Girls High School Affiliate Organizations will only allow proper U.S.A. Hockey Registered and/or Certified Coaches from that Affiliate

Organization on the ice during the event.

17.14 TAMPERING:

AHAI Coaches who move from one Tier II Girls' Affiliate Organization to another Tier II Girls' Affiliate Organization cannot coach any of the same players from the previous season's AHAI/USAH rostered team for a period of one season with the new Tier II Girls' Affiliate Organization.

17.15.1 Classification: Coach is any rostered Head or Assistant Coach for a Tier II Girls' Affiliate Organization during the USA Hockey playing season. This includes a coach that is not rostered but coaches the team or is on the bench for more than 33% of the season.

(Exception: family member or relative of the coach)

17.15.3 Classification: Hockey Director of an AHAI/USAH registered Tier II Girls' Affiliate Organization shall not count as a Coach if listed on all of the Girls' Affiliate Organization's rosters as an Assistant Coach. If a Hockey Director is listed as the Head Coach of a team, the rules of sub-section 17.16.1 of this Article then apply. If there are unique circumstances that a Hockey Director becomes a Head Coach of a team during the season, the new Girls' Affiliate Organization may petition the Girls' Committee for a ruling on the eligibility of the coach before the next season.

Coaches coaching players from a prior Girls' Affiliate Organization will be considered in violation of these AHAI Rules & Regulations

17.16 PLAYER MOVEMENT

Player movement between AHAI Tier II Girls' Affiliate Organizations is limited by age classification.

In addition to the restrictions listed below, players must comply with the Girls' Tier II Choice Section in these Rules and Regulations.

- 17.16.1** All 10U Tier II Girls' Teams are limited to a maximum of two (2) NEWLY added players to an organization at the 10U age level, who played for another Girls' Tier II Affiliate Organization during the previous fall (regular) season. EXAMPLE: If a Tier II Girls Affiliate

Exceptions to the Player Movement Rule:

- Players who previously played with a Tier II Girls' Affiliate Organization, as one of their choices, will not count against the maximum, regardless of their Affiliate Organization during the previous fall (*regular*) season.
- Players who played for a Tier II Girls' Affiliate Organization that does not field a team at a specific age level will not count against the maximum for the Tier II Girls' Affiliate organization to which the Player moves.

Non-Compliance: Any Girls' Affiliate Organization's Team(s) in violation of the Player Movement Section of this Article will be ineligible to participate in that fall (*regular*) season's State Tournament. In addition, if the Team(s) is at the National-Bound age level, the Team(s) will be ineligible for participation in Districts or Nationals for the same fall (*regular*) season. Further violations of the Player Movement Section will then be sent to the AHAI Rules and Ethics Committee for potentially additional disciplinary action.

- 19.9.2** A Combined Affiliate Program may not by definition cut any players, even when the program has more than two (2) goaltenders per high school team. They may council a goaltender that their playing time may be significantly less than the other goaltender. The goaltender then may elect to be placed into a pool of goaltenders to be placed on a high school team claiming hardship. If the goaltender rejects this proposal, the original Combined High School Affiliate Organization must accept and coach the goaltender even if they do not play. The goaltender must fulfill the High School Team's other requirements including school attendance and payment of fees.
- 19.9.3** A High School Affiliate Organization that cuts a goaltender or allows a goaltender to go into the pool may not claim hardship to obtain

- another goaltender from the pool.
- 19.9.4** A goaltender placed into the pool will be placed by the High School Committee Goalie Coordinator by priority:
- 19.9.5** First priority will be for High School Teams with no goaltender at all.
- 19.9.6** Second priority will be geographic proximity to the acquiring High School Team.
- 19.9.7** The High School Committee will attempt to place older, more experienced goaltenders on Varsity High School Teams when the conditions above are met.
- 19.9.8** A goaltender who rejects their assignment will be removed from the pool and will be ineligible to be rostered on any High School Team other than his original High School Team to which he required no exception.
- 19.9.9** Goaltenders that are cut from Pure Programs may contact the High School Committee Goalie Coordinator to be placed in the Pool.
- 19.9.10** Individual Goaltenders and High School Affiliate Organizations may make no side arrangements to circumvent this process. If it is found that such an arrangement took place, the high school committee may impose sanctions including removal of the High School Team from the State Tournament and denial of access to future goalie pools.

19.10 HIGH SCHOOL BACK-UP GOALIE RULE

High School Back Up Goalie (HS BUG) - BUGs must be approved by the AHAI Registrar before they may be added to the High School Team's USA Hockey Certified Roster.

- a.** High School Teams may register a HS BUG under specific circumstances. A HS BUG may only be registered on a High School Team if there is only one Goaltender on each of the High School teams. Dual rostering should always supersede the use of a HS BUG as the second goaltender on a team. A goaltender that is dual rostered to a High School Team is considered to be a second goaltender on the team, which is a case when a HS BUG may not be added to the team.
- b.** A High School BUG may only be used in the case where the rostered Goalkeeper on the AHAI high school team is injured or ill. The High School team must notify the AHAI Registrar and Chairperson of the High School Committee if they request to use the High School BUG in a game. The notification can be made by phone but must be documented in writing in an email and sent to the AHAI Registrar and Chairperson of the High School Committee. The High School BUG cannot be used in a game until acknowledgement is received from the High School Committee Chairperson and/or the AHAI Registrar. This rule does not restrict any league from having rules that would require additional prior notification and approval. In that event the AHAI High School Team must also get approval from the league to play the High School BUG. The league may be more restrictive in the ability to play a High School BUG.

19.11 HIGH SCHOOL BUG SCENARIOS

(not intended to be inclusive of all scenarios)

The high school team has two teams and two goaltenders in their Affiliate Organization.

In this case, the Varsity Goaltender may be a HS BUG on the JV team. The JV goaltender should be dual rostered on the Varsity team.

A High School Affiliate Organization with 1 Varsity and 2 JV teams and 3 goaltenders may roster the JV 1 goaltender as a HS BUG on the JV2 team. The JV 1 goaltender should be a dual rostered goaltender to the Varsity team, and the JV 2 team.

A High School Affiliate Organization with 2 Varsity and 1 JV teams and 3 goaltenders may roster the V 2 goaltenders as a HS BUG on the JV1 team.

The V 2 goaltender should be rostered as the dual rostered goaltender to the Varsity 1 team, and the JV 1 goaltender as the dual rostered goaltender to the V 2 team.

19.12 7TH and 8TH GRADE SKATES

Pursuant to the Rules, players and/or students not attending a High School may not participate in any High School Team and/or High School Affiliate Organization's activities.

- 19.12.6** Each participant must always wear full equipment during all on-ice activities.

- 19.12.7** Current High School Players/Participants and/or students are not

allowed on the ice during these skates.

High School Affiliate Organizations will only allow proper U.S.A. Hockey Registered and/or Certified Coaches from that Affiliate Organization on the ice during the event.

All coaches have an obligation and are required to be familiar with USA Hockey's Coaching Ethics Code. Lack of awareness or misunderstanding of an ethical standard is not in itself a defense of a charge of unethical conduct. Part of the Coach's Ethics Code is all coaches have the responsibility to develop equally all players chosen for the team with a deemphasis on winning.

The USA Hockey Coaching Ethics Code can be found on USA Hockey's website. <https://www.usahockey.com/coachingethics>

22.1 DISCIPLINARY ACTION

Violations of the By-Laws, Rules and Regulations, Guidelines, decisions and/or requests of AHAI (*including its' Committees*) and/or USA Hockey, and conduct deemed by the Rules & Ethics Committee of AHAI to not be in the best interests of amateur hockey, the purpose and/or intent of the By-Laws, Rules & Regulations. Guidelines, decisions and/or requests of AHAI (*including its Committees*) and/or USA Hockey constitutes conduct detrimental to and not in the best interests of hockey and makes the Player, Parent, Spectator, Coach, Manager, Team, League, Administrator, Minor Official, Referee and/or Linesman, Person, Affiliate Organization and/or Sponsoring Organization subject to disciplinary action with possible suspension(s) by the AHAI Board of Directors and/or its Committees so empowered.

22.1.1 Normally, sanctions (*other than playing rule sanctions*) may be imposed only upon notice and a hearing, which is interpreted to be a reasonable opportunity to be heard. However, under certain circumstances, sanctions may be imposed without a hearing.

22.1.2 The general procedure for imposition of sanctions:

Notice - A reasonable opportunity to be heard which may be formal or informal, including discussions in person, by telephone or in writing. They may also include the statements or attendance of factual witnesses and the production of documents; and a decision which normally will be in writing, setting forth the sanctions and time periods as appropriate.

22.1.3 Sanctions may, however, be imposed without hearing:

Where there is no factual dispute and the sanctioned party does not request a hearing, setting out facts supporting a factual dispute, in writing within seven (7) days of receipt of written or verbal notice of the sanctions.

- 22.1.4** Where the AHAI Rules & Ethics Committee and or the AHAI Suspension Committee determines that the conduct is such that immediate sanctions are necessary in the best interests of hockey.

Some examples of conduct that may require immediate sanctions:

- a. Physical, sexual, or mental abuse of a player or person.
- b. Physical striking of a player or person, fighting, causing a fight.
- c. Using, selling or giving of non-prescription mind-altering substance.
- d. Violation of USA Hockey Policies or AHAI Policies of a comparable nature or the allegation.
- e. Any of the above.

These are examples but they are not exhaustive nor limiting in any manner.

- 22.1.5** The sanctioned party shall be advised of the sanction or sanctions verbally or in writing. If verbally, it shall be confirmed in writing together with the right to request a hearing. The sanctioned party may request a hearing in writing, in accordance with this Rule within seven (7) days of receipt of written notice of the sanction or sanctions. The request for a hearing shall set out facts and reasons supporting the need for a hearing and why immediate sanction(s) are not appropriate and shall be sent to the Chairperson of the Committee imposing the sanction(s). If the sanctioned party provides this notice requesting a hearing in accordance with this Rule, a reasonable opportunity for a hearing shall be provided within thirty (30) days of receipt of the notice by the Committee Chairperson or the sanctions shall be suspended on the thirty-first (31st) day after receipt of the notice by the Committee Chairperson, until a reasonable opportunity to be heard is provided. Where a reasonable opportunity to be heard is provided, the sanction(s) shall remain in effect until the hearing is conducted and a decision by the Committee provided.

- 22.1.6** Receipt of written notice of sanctions will be presumed three (3) days after deposit of the written notice, pre-addressed and correctly stamped in the United States Mail.

- 22.1.7** A Coach who allows a Player who has been suspended by virtue of a gross or match misconduct penalty, to dress, play or participate in practice shall be suspended from any further games until his/her case has been dealt with by the AHAI Suspension Review Committee. A reasonable opportunity to be heard shall be provided within thirty (30) days of the incident the Coach shall be automatically reinstated. This rule applies to ALL AHAI Hockey levels.

- 22.1.8** A graduated penalty for coaches receiving penalties for "Abuse of Officials "shall be the following:

- a. The first occurrence would receive the One (1) game suspension prescribed by USA Hockey.

- b. The second occurrence in the same season would require a three (3) game suspension.
- c. A third violation in one season would require an indefinite suspension pending a hearing before the Suspension and Review Committee.

22.1.9 Zero Tolerance — In an effort to make ice hockey a more desirable and rewarding experience for all participants, AHAI has a very simple definition of Zero Tolerance, and any violation will not be tolerated.

The definition is: Any lack of respect or unsportsmanlike conduct will not be tolerated and will be a violation of AHAI's Zero Tolerance Policy. This rule is designed to require all players, coaches, officials, team officials and administrators, parents, and spectators to comply with the Zero Tolerance Policy.

22.1.10 Each organization, player, coach, official, team officials and administrators, parents and spectators are expected to enforce this Policy. In addition, AHAI has instructed the Officiating Program to adhere to certain points of interest to enforce this Policy in all USA Hockey sanctioned games.

Thus, the following points of emphasis must be implemented by all On-Ice Referees and Linesmen:

22.1.11 PLAYERS

A minor, major or misconduct/game misconduct penalty for unsportsmanlike conduct (*Zero Tolerance*) shall be assessed whenever a player.

- a. Openly disputes or argues any decision by an official.
- b. Uses obscene or vulgar language at any time, including any swearing, even if it is not directed at a particular person.
- c. Visually demonstrates any sign of dissatisfaction with an official's decision. Any time that a player persists in any of these actions, they shall be assessed a misconduct penalty. A game misconduct shall result if the player continues such action.

22.1.12 COACHES

A minor penalty or game misconduct penalty for unsportsmanlike conduct (*Zero Tolerance*) shall be assessed whenever a coach:

- a. Openly disputes or argues any decision by an official.
- b. Uses obscene or vulgar language in a boisterous manner to anyone at any time.
- c. Visually displays any sign of dissatisfaction with an official's decision including standing on the boards or standing in the bench doorway with the intent of inciting the officials, players, or

spectators.

- d. Any time that a coach persists in any of these actions, they shall be assessed a game misconduct penalty.

22.1.13 OFFICIALS

Officials are required to conduct themselves in a businesslike, sportsmanlike, impartial, and constructive manner at all times. The actions of an official must be above reproach. Actions such as “baiting” or inciting players or coaches are strictly prohibited.

On-ice officials are ambassadors of the game and must always conduct themselves with this responsibility in mind.

22.1.14 PARENTS/SPECTATORS

In an effort to help control inappropriate spectator behavior, the following AHAI rule is effective immediately.

- A game will be stopped by on-ice officials when the parents/spectators displaying inappropriate or disruptive behavior interfere with other parents/spectators or the game. The on-ice officials will identify violators to the coaches for the purpose of removing parents/spectators from the parents'/spectators' viewing and game area.
- Once removed, play will resume. Lost time will not be replaced. Violators will incur a minimum mandatory 5-game suspension from that team's games and may be subject to further disciplinary action by the local governing body.

ARTICLE 23 APPEALS

23.1 APPEALS

Appeals of any AHAI Committee decision, except the Tournament Protest Committee which are covered in Article 13, may be made to the AHAI Board of Directors, or at the AHAI Board of Director's discretion, an Appeals Committee of the AHAI Board of Directors' (*which for the purposes of this Article may be referred to as "Board of Directors" or "Board"*) or appeals of an AHAI Board of Directors decision will be heard by an Independent Appeal Committee appointed by the AHAI President. - 23.1.3** The appeal procedure is as follows:

org) by the affected individual, or the AHAI Affiliate Organization's Teams' Officers and/ or Directors. The request to file an appeal must be received by the President within ten (10) calendar days of the respective Committee's notice of determination for which the appeal is being filed. The appeal must state the reason and basis for the appeal. The AHAI "Appeals Form" will be made available to the appealing party upon their notification to the AHAI President.

23.1.6 Only the evidence and theories explicitly presented to the initial decision-making body for consideration prior to the rendering of its decision and made part of the Appeals Form shall be presented or considered for appeal.

23.1.7 An appeal is not a rehearing of the facts. An appeal is limited to why the decision of the initial hearing body should be modified or reversed. The burden of proof shall be on the person or party attempting to have the decision modified or reversed. Any disciplinary action as a result of the initial or any other hearing or decision shall remain in full force and effect until it expires, or the appeal authority modifies it.

23.1.8 The AHAI Appeal Authority (*AHAI Board of Directors or the Appeals Committee*) may hold a hearing, at its option, or consider the appeal on the written submissions of the parties to the appeal. If the appeal is only based on written submissions, the Board shall provide the original decision-making body the opportunity to respond, in writing, to the appealing party's Appeal Form. Notice of a Hearing shall be given to all parties. In the event the AHAI Appeals Committee determines to hold a hearing, individual, member team officers, and/ or directors and persons with knowledge, must appear before the AHAI Appeals Committee at the time and place specified by the AHAI Appeals Committee and present the appeal.

23.1.9 Decisions of the AHAI Board of Directors or the Appeals Committee will generally be given to the individual, Affiliate Organization's Team Officer and/or its Directors within seven (7) calendar days after the hearing.

23.1.10 All decisions of the AHAI Board of Directors are final.

Teams not properly sanctioned and or registered with USA Hockey/AHAI will not be allowed to use the services of the Illinois Hockey Officiating Association (*IHOA*).

24.2 PURPOSE

The involvement of AHAI in officiating matters is solely for the purposes of promoting qualified officiating through which Officials are properly trained; an equitable assignment system; and prompt compensation of Officials by those who retain their services. - b.** A mentoring program to assist in officiating experience and skill development.
- c.** Exposure to advanced competition through participation in high caliber games and tournaments.

The AHAI Officiating Manager shall be appointed by the AHAI Board of Directors to carry out the functions required. Officials request, the levels Officials request, and how many games are ultimately assigned to each registered Official.

24.5 QUALIFICATION OF OFFICIALS

All Officials (*Referees and Linesmen*) must be registered with USA Hockey and AHAI through the designated process. All Officials working in any USA Hockey sanctioned event in Illinois must wear the current USA Hockey Officials crest as prescribed and required by USA Hockey.

24.6 RETENTION AND COMPENSATION OF OFFICIALS

Except in circumstances where AHAI is itself operating a USA Hockey sanctioned event in Illinois, Officials are retained to provide officiating services for any USA Hockey sanctioned event in Illinois solely by one or more of the Affiliate Organizations and or properly Registered Teams participating in such event. Compensation due to Officials for providing such services is solely the responsibility of the retaining Affiliate Organization(s) AHAI has no obligation to provide compensation to any Officials for their services at such events.

24.7 AHAI BILLING AND FUND TRANSFER

In order to promote accurate, fair, and timely compensation for Officials who provide officiating services for any AHAI/USA Hockey sanctioned event in Illinois, AHAI has established a billing and payment system that all AHAI Affiliate Organizations are required to use when they retain Officials services for sanctioned events.

24.7.1 The following describes this system:

- a. Billing System:** AHAI acts solely as an Independent Management entity for the benefit of its Affiliate Organizations and for the Officials and Officiating Assigners. The AHAI Officiating Manager will issue a monthly invoice to each Affiliate Organization for Officials and Assignment Services which that Affiliate Organization used in the prior month. The Officiating Manager will send the invoice during the last week of each month and will send a reminder if the account is not current by the 2nd day of the following month.
- b. AHAI Service Fee in Invoice Amount:** An AHAI service fee will be set by the AHAI Board of Directors and billed to the Affiliate Organization for each event. This service fee includes compensation to the software platform Developer, AHAI operational expenses and the AHAI-approved training and development programs for Officials.
- c. Banking:** AHAI has established a specific-purpose bank account to serve as a repository for all payments made by Affiliate Organizations on such invoices. Officials and Officiating Assigners are paid out of that account solely through the funds paid by the Affiliate Organizations. In so acting, neither AHAI nor the AHAI Officiating Manager can be deemed to have established an Employer- Employee or Principal-Agent relationship. AHAI has established this Billing System solely to centralize the payment system for Officials and to promote the timely payment to Officials of amounts due from the Affiliate Organizations for their services rendered.
- d. Failure to Pay:** In the event any Affiliate Organization fails to timely pay the amounts due on an invoice, AHAI reserves the right to withhold payment to the respective Officials and Officiating Assigners whose services have not been paid for by that Affiliate Organization. AHAI reserves the right to require prepayment for expected fees of any kind from any Affiliate Organization that has previously failed to pay invoices in a timely manner.

24.8 SOFTWARE PROGRAM

Unless otherwise decided by the AHAI Board of Directors, the accounting, billing, and assignment process shall be handled exclusively through the use of the AHAI Approved Software Platform.

24.9 RESPONSIBILITIES OF THE AFFILIATE ORGANIZATIONS

All AHAI Affiliate Organizations are subject to the following rules with respect to officials:

- 24.9.1** All USA Hockey sanctioned events must be reported through the AHAI Webtool database or by approved software tools provided to

- 24.9.3 All USA Hockey sanctioned events played in the State of Illinois shall schedule Officials exclusively by using the AHAI Approved Assignment Software platform.

24.10 OFFICIALS SUPERVISION

It is the recommendation of AHAI that 5-10% of games be supervised by a local Assigner, AHAI or a USA Hockey Supervisor of Officials. Appropriate reporting of such supervision shall be maintained.

ARTICLE 25 PLAYING RULES

The Amateur Hockey Association Illinois, Inc. shall follow the Official Playing Rules of USA Hockey. Any exceptions or additions to these Playing Rules must be approved by the AHAI Board of Directors.

25.1 FIGHTING PENALTIES

USA Hockey Rule 615

Note: A punch, or an attempted punch, thrown by any player in the direction of an opponent, regardless of whether contact is made, is considered fighting.

- (a) A major plus a game misconduct penalty shall be assessed to any player who engages in fighting. An additional minor penalty shall be assessed to any player who starts or instigates fighting.
- (b) A minor penalty shall be assessed to any player who drops their stick and/or removes their glove(s) during an altercation and is not a participant in the original altercation. A game misconduct penalty shall be added if, in the judgment of the Referee, such player is deemed to be the instigator of a subsequent altercation.
- (c) A minor, double minor or major plus game misconduct penalty, at the discretion of the Referee, shall be assessed to any player who, having been struck, continues the altercation by retaliating. A player who does not retaliate after being struck shall not be assessed as a penalty for fighting under this rule.

Note: The Referee is provided very wide latitude in the penalties that they may impose under the rules, including Rule 601 "Abuse of Officials and Other Misconduct" in an effort to discourage fighting. This is done intentionally to enable the Referee to differentiate between the obvious degrees of responsibility of the participants either for starting the fighting or persisting in continuing the fighting.

- (a) A Major plus game misconduct penalty shall be assessed to any player involved in fighting off the playing surface, before, during or after the game.
- (b) A Match penalty (*for all age classifications*) shall be assessed to any player who deliberately removes their helmet/facemask prior to

an altercation. A match penalty (for all age classifications) shall be assessed to any player who deliberately removes their opponent's helmet/facemask prior to or during an altercation.

- (c) A Game Misconduct penalty (*for all age classifications*) shall be assessed to any player whose actions, during an altercation, cause the removal of an opponent's helmet and facemask. The player or goalkeeper shall be suspended for the team's next two scheduled games. This two-game suspension is in addition to any other required suspensions incurred during the same incident.
- (d) A Game Misconduct penalty (*for all age classifications*) shall be assessed to any player who doesn't wear their helmet/facemask as designed and the helmet/facemask is removed during an altercation.
- (e) A Game Misconduct penalty shall be assessed to any player or goalkeeper who is the first to intervene in an altercation then in progress. This penalty is in addition to any other penalty incurred in the same incident.
- (f) A Minor penalty shall be assessed to any player who fails to move immediately and directly to their players' bench (*or goal crease for a goalkeeper*) when instructed to do so by the Referee during an altercation.
- (g) Any player who receives a second major penalty for fighting with the same team during the same season shall receive a three-game suspension. For a third fighting major with the same team in the same season, the player shall be suspended until a hearing is conducted by the proper authorities under Rule 410 Supplementary Discipline.

25.2 SLASHING PENALTIES

The following rules have been implemented for all ice hockey games played in the State of Illinois. All USA Hockey registered teams (*whether registered with AHAI or not*) must abide by these additional penalties:

- a. Any Player who is assessed a Major penalty for slashing under USA Hockey Rule 634 shall be suspended for the next three (3) games of that team not including the game in which the penalty was assessed.
- b. Any Player, Coach, Team, Manager, Affiliate Organization, or individual violating this Rule shall be referred to the AHAI Rules and Ethics Committee and/or AHAI Suspension Committee for disciplinary action.
- c. Any Tier I Team, or any Team participating in a league based outside of Illinois, or any other Illinois team participating in a game outside the State of Illinois, shall follow regular USA Hockey Rules and/or the Rules of the Affiliate/Federation, and/or Tournament Rules they are playing that game within.

USAH Rule 634 – Slashing

(Note) Slashing is the act of a player swinging their stick at an opponent whether contact is made or not. Any forceful chop with the stick on an opponent's body or

opponent's stick on or near the opponent's hands shall be considered slashing.

- a. A minor penalty shall be assessed for slashing an opponent.
- b. A major plus a game misconduct penalty shall be assessed to any player who recklessly endangers an opponent as a result of slashing.

(Note) Referees are instructed to penalize any player who swings their stick at any opposing player (*whether or not contact is made*) or makes a wild swing at the puck with the intention of intimidating the opponent.

- c. A match penalty for reckless endangerment may also be assessed for slashing.
- d. Any player who swings their stick at another player in the course of an altercation shall be assessed a minor or major plus game misconduct or a match penalty. This is in addition to any other penalties that may be warranted under the fighting rule (*Rule 615*).
- e. A minor penalty shall be assessed to any player who makes stick contact with an opposing goalkeeper while they are in their goal crease and who has covered or caught the puck, regardless of whether or not the Referee has stopped play.

25.3 CHECKING FROM BEHIND PENALTIES

The following rules have been implemented for all ice hockey games played in the State of Illinois. All USA Hockey registered teams (*whether registered with AHA! or not*) must abide by these additional penalties:

- 25.3.1** A minor plus a misconduct penalty, or a major plus a game misconduct penalty, shall be assessed to any player who body checks or pushes an opponent from behind.
- 25.3.2** A major penalty plus game misconduct penalty shall be assessed to any player who injures an opponent as a result of checking from behind or who body checks or pushes an opponent from behind causing them to go headfirst into the boards or goal frame.
- 25.3.3** A match penalty for attempt to injure or deliberate injury to an opponent may also be assessed for checking from behind.
- 25.3.4** Any player who receives a second major penalty for Checking from Behind with the same team during the same season shall receive a three (3) game suspension.
- 25.3.5** Any player who receives a third major penalty for Checking from Behind with the same team in the same season, the player shall be suspended until a hearing is conducted by the Authority Having Jurisdiction under USA Hockey Rule 410 - Supplementary Discipline.

25.4 PLAYER AND COACH SUSPENSION CLARIFICATION

25.4.1 RULE 401 - Penalties

- a. For any Team Official or Player service a suspension for a prior game misconduct violation or disciplinary suspension, the suspension will commence 45 minutes prior to the start of each game and conclude 30 minutes following the conclusion of each game.

The Team Official or Player serving the suspension shall be prohibited from:

- Having any interaction, involvement, or communication “in person”, electronically, or otherwise with the team.
- Being present in the locker room.
- Being on or near the bench of their team.

Any violation of the Rule may result in supplementary discipline and may subject such Team Official of Player to further disciplinary proceedings.

25.4.2 RULE 404 – Misconduct Penalties

- a. A “GAME MISCONDUCT” penalty involves the suspension of a Player or Team Official for the balance of the game with immediate substitution taking place on the ice. A Player or Team Official incurring a game misconduct penalty shall also be suspended for the team’s next game (*the game already appearing on the schedule of that team at the time of the infraction*), except that when such penalty is imposed under Rule 403(b) (*Second Major in Game*) there shall be a minimum two-game suspension.

(Note) In all cases where a game misconduct penalty is assessed, the incident shall be reported to the proper authorities who shall have full power to impose further suspensions.

(Note 2) For all game misconduct penalties regardless of when imposed, a total of ten (10) minutes shall be charged in the records against an offending player.

- b. Any Player or Team Official who is assessed a game misconduct penalty may not remain near the bench of their team, nor in any way attempt to direct the play of their team, for the balance of the game in which the game misconduct penalty has been issued.

Illinois Hockey Hall of Fame Class of 2025 Induction Dinner

Sunday, February 1, 2026

**Belvedere Banquet Hall
1170 West Devon Avenue in
Elk Grove Village**

5:00 pm.

Illinois hockey has a very long and rich hockey history, due in large part, to the foundation laid down by the Hall of Fame inductees. Their tireless dedication in making sure every individual who had a desire to participate in this great sport has had the opportunity to do so.

The mission statement of the Illinois Hockey Hall of Fame is as follows:

"To honor the excellence of those individuals who, through their exceptional endeavors both on and off the ice, have contributed in an extraordinary way to enhance the sport and image of hockey in Illinois."

On behalf of everyone involved in the game of hockey, we invite you to come out and thank each of the inductees into the Illinois Hockey Hall of Fame class of 2025 at the IHHF dinner on February 1, 2026. They truly are in a class of their own.

For further information and tickets, contact John Dunne at 224/636-3215 or e-mail John at executive.director@ahai.org.

Honoring the excellence of those individuals
who have enhanced hockey in Illinois.

**Relax.
It's just a game.**
