It is the responsibility of AHAI and the AHAI Tournament Committee to investigate violations of the rules. Furthermore, the High School Committee reserves the right to withdraw an invitation under certain circumstances.

You are also reminded that only teams with an approved Official USA Hockey certified roster may participate in the Illinois State High School Hockey Championships Tournament. Please make certain that rosters have been approved by the AHAI Registrar and are correct in every regard and comply with all AHAI/USA Hockey Rules and Regulations.

Let us also remind you of the player eligibility requirements, especially pertaining to players playing for teams other than their High School team only.

This rule applies only to players double rostered on another team within the Tier 1, Tier 2, Tier 3, Girls or other recognized player division certified by AHAI outside of their high school organization. To be eligible for the State Tournament, players must participate in 75% of the High School Affiliate Organization Team's regular-season league games beginning from the point the skater was added to the roster, excluding injury absences with a doctor's note.

Players can play on 1 roster Varsity or JV. If you would like to move a dual rostered player or players up for the State Tournament, please send the information (Name, Original rostered team and team moving up to for tournament) to glenn.jauch@ahai.org

Please note that they'll be playing only on the higher roster they cannot play in the state tournament on the lower team. **The deadline for this will be Feb 8th. Any improper roster or player may constitute a forfeiture.**

Any question about this rule please notify the High School Tournament Chairperson Glenn Jauch, at 630-664-4675 or e-mail at glenn.jauch@ahai.org

Your League Officials will be asked to verify the eligibility of your players. Please refer to the "AHA! 2025-26 Official Guide, By-Laws, Rules and Regulations" available on the AHAI website at www.ahai.org.

High School Affiliate Organization Teams must have played at least twenty (20) league games as a high school team. Only Regular season league games count towards a team's eligibility to participate in the State Tournament.

Any exceptions to the above eligibility must be approved by the High School committee prior to the start of the Tournament.

A maximum of 20 players may dress for any state tournament game no exception.

(No more than 18 skaters can dress and be on the bench)
