Each team is guaranteed 3 games. There is the chance to play 5 games based on seeding after round-robin play is finished.

The top two teams from each pool will advance to the semi-finals. The winners of the semi-finals will advance to the championship.

6 - Home teams shall wear light (white) jerseys and away teams shall wear dark jerseys. The tournament director reserves the right to change color designations if necessary.

7 - Game Length: All games will have 3-stop time, 17-minute periods with a 5-minute warm-up. There will be an ice make half-way through the second period.

8 - No game will be played under curfew rules. However, if at any time during the third period the score differential is 6 or more, the game clock will go to run-time. Stop-time will only resume when the deficit is reduced to less than 5 goals. When in running time, a penalty will start when play resumes.

9 - Tournament officials reserve the right to end any game or move any game to running time if the officials and/or referee deem the game has become unsafe, or to recover time in the tournament schedule.

10 – Teams will receive one time-out per game, round-robin play included.

A tie game after regulation play in the semi-final and championship rounds will have a one-minute rest period followed by a 5-minute 3v3 sudden death overtime period. Goalies will change ends.

If still tied after the 4 on 4 overtime period, there will be a one-minute rest period followed by a 3-player shootout. The home team will choose the rotation. If still tied after the 3-player shootout, each team will designate an additional shooter, different from the first 3. Each team will alternate shooters until a winner is determined (all members of each team must be used in the shootout before repeating).

Any player serving a penalty at the end of overtime is not eligible for the shootout.

12 - In the event there is a tie in game points when determining seed positions for the semi-final round the tiebreakers will be applied as follows:

1. Points
2. Most Wins
3. Head-to-head (only if two teams are tied)
4. Goal differential: Subtracting goals-against from goals-scored, **all games considered**, the team with best +/- rating being ranked highest. The maximum goal differential per game is +/- 4. For example, a team that wins a game 7-2 will only be credited with +4, even though their goal differential is +5. The losing team will be assessed a -4 for the game. Head-to-head results will not factor back in when more than two teams are tied in points. All teams will be ranked and seed based on this tie-breaker.

If still tied:

4. Fewest goals against

If still tied:

5. The team with the fewest penalty minutes.

If still tied:

6. Quickest goal
7. Coin toss
