

WBA THIRD GRADE POLICY

For the 2021-2022 WBA Season, 3rd graders will be allowed to try out for a 4th grade team. He/she will make the team only if needed for numbers. Not guaranteed to make a team.

If numbers are needed to make a 4th grade team, they will be placed on the bottom team. Our play up policy says that the player needs previous WBA experience and they cannot come into the program and try up to the next grade.

They will pay \$25 tryout fees. There will be no true 3rd grade teams.
