

Third-Grade Player Tryout and Placement Policy

The Waconia Basketball Association will not offer dedicated third-grade teams. Third-grade players may try out for a fourth-grade team; however, participation in tryouts, including demonstrated advanced skill level, does not guarantee placement on a team. A third-grade player will only be considered for placement if additional players are needed to form a fourth-grade team. If selected under these circumstances, the player will be placed on the lowest-level fourth-grade team.

All applicable WBA policies and procedures, including those related to payments and refunds, apply to third-grade registrations.
