

WBA TRYING OUT FOR GRADE HIGHER

For the 2020-2021 WBA Season, we tried something new by allowing a player to try out for a grade higher than he/she is currently in. We will continue to allow anyone that wants to try out for a higher grade to do so.

Requirements:

A potential player may request to play up to a higher grade level as long as he/she does the following:

- 1) Notifies the Board at least 3 days prior to tryouts.
- 2) Participates in all 4 try-out sessions (2 for each grade per day).
- 3) Played in the WBA the prior year.
- 4) Be ranked in the Top 5 of that higher grade (by independent evaluator). If not in Top 5, he/she will be rated solely on results of his/her own grade.

The Board has the final decision as to whether or not allow a potential player to play up a grade level.
