

FHA Manager Welcome Letter

On behalf of the Faribault Hockey Association (FHA) and the Board of Directors, thank you for volunteering to become the Team Manager for your team.

This handbook is designed to assist you with planning your year, organizing events and answering any questions that may arise throughout the year. The first section of this handbook provides a list of items that will need your attention.

In addition, there are time markers to assist you in identifying when these activities should be completed. The remainder of the handbook is designed to provide you with all of the information you need throughout the season.

Thanks you for your commitment to your team and to Faribault Hockey Association. Please feel free to contact me if you have any questions.
