BTHL Association Registration

[ABOUT](#) [RESOURCES](#) [DIVISIONS](#) [CLUBS](#) [REGISTRATION](#)

The Buckeye Travel Hockey League is the premier youth travel ice hockey league for "AA," "A," and "B" 10U, 12U, and 14U teams in Ohio, Indiana, Kentucky, and West Virginia. The BTHL's 8U Division includes teams from the region which play in Jamborees with league associations every weekend starting in November. The BTHL is a part of USA Hockey's MidAm district.

League teams will play in various skill level divisions within each age group based on results from seeding games played in September each year. BTHL awards both regular-season and post-season tournament championships in each division.
