Jersey Fee and Equipment Rental Policies and Fees

**Every skater must pay associated fees prior to receiving their jerseys and/or equipment.*

► JERSEY FEE (ALL PLAYERS)

A jersey fee of **\$100.00** will be for your team jerseys for the winter season (this includes socks & personalization). Jerseys will be kept by players after the season concludes.

Jerseys will be distributed by the coaches and/or parent reps before the first game. Jerseys are to be worn for games only. They are not to be worn to school except for special occasions approved by the coach (e.g., "Red and White Day"). They are not to be worn for practice, open skating, or at outdoor rinks. Please make sure that jerseys are on a hanger and protected when transported to games.

► EQUIPMENT RENTAL FEE

Equipment rental fees will be waived for Mite level and below. Squirts will pay \$30.00 for the rental of any equipment for the winter season. Equipment will be handed out on a designated hand-out day and is on a first-come, first-served basis.

- The EBLC will provide breezers, shoulder pads, shin pads, and gloves to players at Mite and below levels. (Once Mite levels and below have rented their equipment, and if sizes are available, Squirt level and above may then rent equipment if needed for the \$30.00 fee.)
- Proper care of the equipment is required. Keep it clean and dry, and do not put skates with unprotected blades in a gear bag with other equipment. Please repair damaged equipment promptly, or you can arrange with the Equipment Manager to have the item replaced or repaired.

GOALIE GEAR

Goalie pads, chest protector, catcher, and blocker are provided at the Mite level. Coaches may be responsible for the equipment if there is not a specific player designated as goalie. The EBLC will provide goalie sticks for Mini-Mite and Mites. If a goalie does not care to use the stick provided by the EBLC, they may use the stick of their own choice, at their own expense. Goalie gear and sticks are not provided at the Squirt level and above. Please refer to the Ely Blue Line Club Goalie Policy for Squirt level and above.

EQUIPMENT RETURNS

Equipment needs to be returned on the date designated by the EBLC. Equipment must be clean, dry, and have all pads in place. If all equipment is not returned at this time, the deposit will not be refunded. If you have a conflict with the scheduled date, the Equipment Manager or Parent Rep must be notified and other arrangements made. Players must be accompanied by an adult at the equipment turn-in.

SHORT TERM RENTALS

EBLC equipment rental is available for summer camps. Please refer to the Ely Blue Line Club Short Term Equipment Rental Policy.

If there are questions concerning equipment or jerseys, please call the equipment manager.
