

# ELY BLUE LINE CLUB

## GOALIE POLICY

This policy has been put into place for players at Squirt level and above. For all players at Mite level or below, please refer to the Ely Blue Line Club Equipment Rental Policy.

In an effort to ensure our EBLC goalie players are safe while on the ice and to help offset the expenses accrued by families of goalie players, the following EBLC policy specific to goalie players has been devised.

1. **GOALIE EQUIPMENT:** Players at Squirt level and above will be responsible to acquire their own goalie gear that is in compliance with the USA and MN Hockey associations.
2. **REGISTRATION FEES:** payment and reimbursement
  - a. Players must pay their levels registration fees at the start of each season
  - b. The player must be in the goalie position for 40% of their time on the ice and or up to the discretion of the player's coach and Ely Blue Line Club Board to receive 50% reimbursement of their EBLC registration fee.
  - c. The player's registration fee will be refunded at the end of the hockey season by the end of the year banquet.
