Celebrating Our ATX Archery Community - Giving Thanks

In 2016, thirty-three 5th-grade archers from Highland Park Elementary competed in the inaugural *Scottie Strong Shootout*. Initially, I never intended for it to become an annual event. To think, those 5th graders are now juniors in college! This weekend, a remarkable 420 archers will compete, setting a new record for the *Scottie Strong Shootout* tournament! Over the years our tournament theme has celebrated our diversity - Dia de los Muertos, Diwali, Lunar New Year.

It's hard to believe that a simple physical education unit just eleven years ago has blossomed into a vibrant Bat City Archery family of **225 archers** and nearly **600 archers** in our ATX community. So impressive that the national NASP community has taken notice of our incredible growth and skill. At last year's Western Nationals, Austin sent more than 400 archers - about a tenth of the event - hands down the most from any community. That's just nuts.

This year I simply want to say "Thanks!" None of this happens alone. I am deeply appreciative for the dedicated efforts of student archers, volunteers, board members, parent coaches, sponsors, and school administrators across **ALL** Austin schools that have stuck with this vision over the years. To name a few, Mariana, Furley, Dude, Dolan, Chad, Trudy, Courtney, Kyle, Kat, Elizabeth, Jason, Laura, Marquette, Brandon, Marissa, Nick, Rick, Katie, Travis, Jean, Bethany, Torie, Nhi, Solo, Rachel, Michelle, Todd, Scott, Justin, Julie, Amy, Caryn, Louis, Shannan, and all the countless others. And Coach Gardner - for always reminding me about "The Stuff That Really Matters."

It truly takes a village. Together, we have set the example what can be accomplished when we all come together on behalf of kids. What's not to love?

Grateful. Humbled. Blessed. Thankful. – Coach Jim DeLine (Chief Coaching Officer - Bat City Archery)
