Old Business

- HDPE cost update (Action Item)

Chris says the actual cost is \$3200 for material and he will talk to Bill Blackadar about the best plan for cutting/shipping/etc. It will be 16 pieces to go along the entire south curve.

Motion made, seconded, passed to spend up to \$4000 to insulate the south end of the rink.

- Bleachers, LOT application

Skeet and Amy did submit the LOT application to ask for money to help with new bleachers.

- Rink Manager position

Robert supplied a basic rink manager duty list and suggested we offer wage depending on experience. Betsy will write this into a job description to post. Robert will remain a resource for us in the future when we find someone for him to train. He will do end of season maintenance and then would like to be done with the job. Five new shades ready, Robert will order 5 more. Robert is working on getting someone to come work on the compressors.

- PBR and Adult league

Amy will get the original MOU to Frances and she will work on this.

- Whistles for coaches

Next fall we need to get coats for new coaches as a couple did not get one this year.

- Policy updates (player and volunteer)

No update

New Business

- Board appointing treasurer (Action Item)

Amy is resigning. The Board can appoint a new treasurer who can finish out the term (1 more year).

Motion made, seconded, passed to appoint Andrea Director as the new treasurer.

- 2026-27 Tournament schedule

We talked about a tentative schedule for next season. A smaller group will meet to come up with a proposal. Ideally ice will stay open through State Tournaments (2nd week of March).

Public Comments (if not past 8pm)

Frances - EI will come out to make some repairs in the spring. We need to keep the rink closed until this can happen. Frances will reach out to Ken. Should write this on our Facebook/website/calendar.

Adjournment

Motion made, seconded, passed to adjourn at 8:00 PM
