- Frances - need to go back and correctly approve something under Treasurer's Report

Reports

President Report

Willow went to the IAHA winter meeting yesterday and will look into the grants available from IAHA. Potentially a Try Hockey For Free day; Makala will look into this. Ad signs are up. We received a \$50k donation for a new penalty box. Chris will head up the committee and the new box will be built after the season ends.

VP Report

Skeet was not present

Treasurer Update

We have \$141,500 left for the rink, should we put this in a 6 month CD? This leaves \$145k left for operating, \$50k for the penalty box.

Motion made, seconded, passed to put \$141,500 in a 6 month CD.

Retroactively motioned, seconded, approved to hire and pay RMHS \$2800 for hockey camp.

Andrea Director is interested in taking over the Treasurer position. She is hoping to make it to the next meeting.

Rink Manager Update

Robert ordered 5 curtains for \$700 each. The FRP for the south end insulation job wasn't good enough, Robert would like to use CDX instead and paint it white. Lockerroom 1 outlet was not working, Godfrey fixed it, and will come back to look through wiring. Craig McCallum came and flooded the upper rink with Robert last week. Will keep it as long as we can.

Rink Upgrade Committee Report

No update

Registrar

The Board roster should be finished well before player rosters, next summer. Team rosters need to be submitted to Mallori by the Sunday before weekend games so she can get them to IAHA. Rosters need to have 10 skaters and a goalie to be accepted (USA Hockey rule). We have some coaches that need more clinics. Mallori made tournament rules; they are on the website and they follow the provided templates.

Tournament Manager

No update from Natasha.

Managers can keep track of any misconduct around town and tell Natasha. We can decide teams cannot come in the future if they cause trouble.

Advertisement Coordinator

No update

Referee Representative

Everything is going well

Volunteer Coordinator

Stephanie is figuring it all out and will move all volunteer hours into Crossbar in the future.

Division Reports

We talked about an emergency plan for an ambulance and decided it should arrive by Snack Shack. One came during a tournament and there was some confusion about where it should arrive.

Fritz - 2 Safesport issues have come forward, he handled them.

Fritz - the girls would like to do another Girls Skate event, running it with the Bantam girls, and invite all the younger girls. \$100 needed for supplies.

Motion made, seconded, passed to spend \$150 on supplies for the Girls Skate event

Old Business

- Locker rooms

Did not discuss

- Penalty Box planning committee

Chris and Greg met to start talking about the new penalty box. We will need a building permit, and will bid the job out after we have a plan.

- Accounts:

Will transfer bank account when new Treasurer starts

- Wood

Ben ordered some firewood to be delivered.

- Snack Shack laminated sheet

Frances will update the list of contacts but there are already instructions for food service and Square.

New Business

- Sharps Skate Sharpener - Greg

Greg said we have been going through a lot of sharpening wheels, he is going to put a tracking sheet in to see which teams are using the machine and decide if we need to make changes to our system.

- Visiting teams Code of Conduct

Discussed earlier.

- 10U Jerseys – Chelsea

Squirt jerseys need to be purchased for next year - maybe reversible ones.

- Ice Blanket – Joel Griffith

Let's see how the season goes.

Chris said if we want to keep the ice longer we can shave out the paint. The last event is March 13 so it would be good to have ice until then if possible.

Public Comments (if not past 8pm)

Next meeting February 25, 2026.

2/24/27 - put it on the calendar - 25th anniversary of first state championship; we can have a "skate the trophy" event.

Adjournment

Motion made, seconded, passed to adjourn at 8:11 PM
