Handbook Updates - Same as bylaws - Board needs to review, draft, vote.

Jerseys and merch – Beka Criner

Beka talked about jersey options for peewee through HS, also reminded us that we previously voted to buy a new set of Squirt jerseys.

Motion made, second, passed to order new jerseys for peewee through HS players at about \$6250. Jerseys will be navy, not royal blue like the peewee jerseys from last year. The kit will include 2 jerseys (navy and white) and 1 pair of socks; we will also purchase white socks to sell to players who want to buy them. The kit will be paid for by SHA for players who sold their 50-50 raffle tickets last season.

Motion made to order a new team set of jerseys for the Squirts for about \$2560. Unlike the other jerseys, these will belong to SHA and stay with the Squirt team. Parents can buy matching socks from the association or purchase alternative socks.

We should change to purchasing jackets through Bozeman Play It Again Sports. We can revisit jackets at the next meeting.

Discussion about having an all association meeting on September 26th at 10 AM.

Public Comments (if not past 8pm)

Adjournment

Motion made, seconded, passed to adjourn at 8:22 PM.

Via email on July 2, 2026 motion made, seconded, passed to spend \$38,195 plus freight on the compressor rebuild instead of our original estimated number of \$33,000. The additional cost was to update the safety system and work through the

electrical components. Via email on July 6, 2026 we learned that the actual cost of the entire job was even higher at \$49,672.84, which we paid. Robert confirmed that the extra cost was justified as bad pistons and cylinders had to be replaced but were not figured into quote, and said that the work was a major upgrade that will improve system longevity.
