

## Girls Lacrosse Overview adapted from USA Lacrosse ([usalacrosse.com](http://usalacrosse.com))

### Equipment

Minimal equipment is required in girls' and women's lacrosse due to its non-contact nature. A stick, mouthguard and protective eyewear are the only required items for most players. Headgear and close fitting gloves are optional for field players. Goalies are also required to wear a helmet with a face mask, a separate throat protector, padded gloves and a chest protector.

**For sticks and protective equipment,** some options are:

1. **PlayItAgain sports here in Madison** has new and used equipment to purchase or new equipment to rent.
2. The **Lax Shack in Brookfield** is a nice newer store and has an indoor field to test-out equipment. <https://www.wiscolaxshack.com/>. New equipment and rental equipment.
3. **Dicks Sporting Goods**
4. Order **on-line**: [lax.com](http://lax.com), [lacrossemonkey.com](http://lacrossemonkey.com), [lacrosseunlimited.com](http://lacrosseunlimited.com)
