## All-United States Bowl Game Event

January 2, 2026 - January 4, 2026

San Antonio, Texas

Dear Principle, Teacher, and/or School Administrator,

We are pleased to report that a student or group of students from your school has earned, through their commitment and dedication to youth sports, the right to represent your school from January 2, 2026 through January 4, 2026 at the 2025 All-United States Bowl Games. (does not include travel days)

USA Select National Youth Football League (USASNYFL) is a nationally recognized 501(c)3 non-profit youth sports organization, which is the co-host of the All-United States Bowl Game program.

We recognize that your student(s) participation in this event necessitates an extended excused absence from school and we ask that you consider the social benefits and life experience your student(s) will experience through their participation in this event.

While on this trip, your student(s) homework assignments will be completed. Each player has time to study on the flight, or drive, and in their hotel room while attending our All-United States Bowl Games.

We do hope that you see the value in excusing your student(s) and enabling them to partake in this one-of-a-kind experience. However, if you feel that participation is not in the best interest of the student(s), please contact the respective student's parent(s) to further discuss your concerns as we do not want to jeopardize the academic status of any of our participants.

Thank you for your assistance regarding this outstanding educational, social, and athletic experience.

Sincerely,

A handwritten signature in black ink that reads "William Lee".

William Lee  
President  
USA Select NYFL  
Director - All-United States Bowl Games
